The iconic writer's electrifying first novel is a story of marriage, murder and betrayal that only she could tell with such nuance, sympathy, and suspense—from the bestselling, award-winning author of *The Year of Magical Thinking* and *Let Me Tell You What I Mean*. Everett McClellan and his wife, Lily, are the great-grandchildren of pioneers, and what happens to them is a tragic epilogue to the pioneer experience—a haunting portrait of a marriage whose wrong turns and betrayals are at once absolutely idiosyncratic and a razor-sharp commentary on the history of California.

From the provocative and hilarious EGOT winner, bestselling author, and host of *The View*, Whoopi Goldberg, comes the perfect antidote to all those outdated relationship advice books in the world, weighing in on why marriage isn't for everybody, and how the life you want shouldn't be the life everyone else expects you to have. Whoopi Goldberg has been an electrifying, envelope-pushing public figure of many stripes: acclaimed actor, comedienne, singer, songwriter, author, political activist and talk show host. Now, Whoopi will speak openly about why marriage isn't for everyone, how being alone can be satisfying, and how what's most important is understanding who you are and what makes you happy. Wise, funny, and conversation-starting, Whoopi's message is sure to resonate with the millions of people who struggle with relationships every day. Goldberg says: "I get to hear from a lot of different people about relationships and this got me trying to figure out why the divorce rate is SO high. You can follow the beaten path and call yourself an entrepreneur or you can blaze your own trail and really be one. When Derek Sivers started CD Baby, he wasn't planning on building a major business. He was a successful independent musician who just wanted to sell his CDs online. When no one would help him do it, he set out on his own and built an online store from scratch. He started in 1998 by helping his friends sell their CDs. In 2000, he hired his first employee. Eight years later, he sold CD Baby for \$22 million. Sivers didn't need a business plan, and neither do you. You don't need to think big; in fact, it's better if you don't. Start with what you have, care about your customers more than yourself, and run your business like you don't need the money.

CHRIS O'DELL WASN'T FAMOUS. SHE WASN'T EVEN ALMOST FAMOUS. BUT SHE WAS THERE. * She was in the studio when the Beatles recorded *The White Album*, *Abbey Road*, and *Let It Be*, and she sang in the "Hey Jude" chorus. * She lived with George Harrison and Pattie Boyd and unwittingly got involved in Pattie's famous love story with Eric Clapton. * She's the subject of Leon Russell's "Pisces Apple Lady." * She worked for the Rolling Stones on their infamous 1972 tour and did a drug run for Keith Richards. * She's "the woman down the hall" in Joni Mitchell's song "Coyote," the "mystery woman" pictured on the Stones album *Exile on Main Street*, and the "Miss O'Dell" of George Harrison's song. The remarkable, intimate story of an ordinary woman who lived the dream of millions—to be part of rock royalty's inner circle—Miss O'Dell is a backstage pass to some of the most momentous events in rock history.

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama "guides us straight to the intersection of the most serious questions of identity, class, and race" (*The Washington Post Book World*). "Quite extraordinary."—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* "Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's *The Color of Water* and Gregory Howard Williams's *Life on the Color Line* as a tale of living astride America's racial categories."—Scott Turow "Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither."—*The New York Times Book Review* "Obama's writing is incisive yet forgiving. This is a book worth savoring."—Alex Kotlowitz, author of *There Are No Children Here* "One of the most powerful books of self-discovery I've ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel."—Charlayne Hunter-Gault, author of *In My Place* "Dreams from My Father is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white."—Marian Wright Edelman

New York Times Bestseller — #1 True Crime Bestseller The inspiration for the major motion picture, *THE IRISHMAN*. "The best Mafia book I ever read, and believe me, I read them all." — Steven Van Zandt "Charles Brandt has solved the Hoffa mystery." — Professor Arthur Sloane, author of *Hoffa* "Sheeran's confession that he killed Hoffa in the manner described in the book is supported by the forensic evidence, is entirely credible, and solves the Hoffa mystery." — Michael Baden M.D., former Chief Medical Examiner of the City of New York "It's all true." — New York Police Department organized crime homicide detective Joe Coffey "Gives new meaning to the term 'guilty pleasure.'" — *The New York Times Book Review* **Includes an Epilogue and a Conclusion that detail substantial post-publication corroboration of Frank Sheeran's confessions to the killings of Jimmy Hoffa and Joey Gallo. "I heard you paint houses" are the first words Jimmy Hoffa ever spoke to Frank "the Irishman" Sheeran. To paint a house is to kill a man. The paint is the blood that splatters on the walls and floors. In the course of nearly five years of recorded interviews, Frank Sheeran confessed to Charles Brandt that he handled more than twenty-five hits for the mob, and for his friend Hoffa. He also provided intriguing information about the Mafia's role in the murder of JFK. Sheeran learned to kill in the US Army, where he saw an astonishing 411 days of active combat duty in Italy during World War II. After returning home he became a hustler and hit man, working for legendary crime boss Russell

Bufalino. Eventually Sheeran would rise to a position of such prominence that in a RICO suit the US government would name him as one of only two non-Italians in conspiracy with the Commission of La Cosa Nostra, alongside the likes of Anthony "Tony Pro" Provenzano and Anthony "Fat Tony" Salerno. When Bufalino ordered Sheeran to kill Hoffa, the Irishman did the deed, knowing that if he had refused he would have been killed himself. Charles Brandt's page-turner has become a true crime classic.

North: Finding My Way While Running the Appalachian Trail Profile Books

In 2009, Bruce Springsteen and the E Street Band performed at the Super Bowl's half-time show. The experience was so exhilarating that Bruce decided to write about it. That's how this extraordinary autobiography began. Over the past seven years, Bruce Springsteen has privately devoted himself to writing the story of his life, bringing to these pages the same honesty, humour, and originality found in his songs. He describes growing up Catholic in Freehold, New Jersey, amid the poetry, danger, and darkness that fueled his imagination, leading up to the moment he refers to as "The Big Bang": seeing Elvis Presley's debut on The Ed Sullivan Show. He vividly recounts his relentless drive to become a musician, his early days as a bar band king in Asbury Park, and the rise of the E Street Band. With disarming candour, he also tells for the first time the story of the personal struggles that inspired his best work, and shows us why the song "Born to Run" reveals more than we previously realized.

Peter Sagal, the host of NPR's Wait Wait...Don't Tell Me! and a popular columnist for Runner's World, shares "commentary and reflection about running with a deeply felt personal story, this book is winning, smart, honest, and affecting. Whether you are a runner or not, it will move you" (Susan Orlean). On the verge of turning forty, Peter Sagal-brainiac Harvard grad, short bald Jew with a disposition towards heft, and a sedentary star of public radio-started running seriously. And much to his own surprise, he kept going, faster and further, running fourteen marathons and logging tens of thousands of miles on roads, sidewalks, paths, and trails all over the United States and the world, including the 2013 Boston Marathon, where he crossed the finish line moments before the bombings. In *The Incomplete Book of Running*, Sagal reflects on the trails, tracks, and routes he's traveled, from the humorous absurdity of running charity races in his underwear-in St. Louis, in February-or attempting to "quiet his colon" on runs around his neighborhood-to the experience of running as a guide to visually impaired runners, and the triumphant post-bombing running of the Boston Marathon in 2014. With humor and humanity, Sagal also writes about the emotional experience of running, body image, the similarities between endurance sports and sadomasochism, the legacy of running as passed down from parent to child, and the odd but extraordinary bonds created between strangers and friends. The result is "a brilliant book about running...What Peter runs toward is strength, understanding, endurance, acceptance, faith, hope, and charity" (P.J. O'Rourke).

Run for the Stars John Wiley & Sons

One of the most popular characters ever created by Beverly Cleary is the small brown mouse named Ralph, whose modest appearance disguises the soul of a daredevil. Now he returns in a book that tells how he runs away from home on his mouse-sized motorcycle in search of freedom and adventure. Ralph's destination is a summer camp, where he hopes crumbs from peanut-butter-and-jelly sandwiches will be plentiful. But instead of finding freedom, he lands in a cage, doing endless loop the loops on an exercise wheel. The story of how Ralph and a lonely boy named Garf discover they speak the same language involves a villainous cat, a grouchy hamster, and many campers. Each episode is funnier than the last. On one level, Mrs. Cleary's story is a delightful tour de force. On another, it delivers a message about running away that is all the more effective because it is unobtrusive.

Princess on the run : [with CD inside] ; [Level 2 (A1/A2)] Simon and Schuster

Charlie Engle's "fascinating account of the high and low points of his life as an ultramarathon runner...is uplifting and inspirational" (Publishers Weekly) as he describes his globe-spanning races, his record-breaking run across the Sahara Desert, and how running helped him overcome drug addiction-and an unjust stint in federal prison. After a decade-long addiction to crack cocaine and alcohol, Charlie Engle hit bottom with a near-fatal six-day binge that ended in a hail of bullets. As Engle got sober, he turned to running, which became his lifeline, his pastime, and his salvation. He began with marathons, and when marathons weren't far enough, he began to take on ultramarathons, races that went for thirty-five, fifty, and sometimes hundreds of miles, traveling to some of the most unforgiving places on earth to race. The Matt Damon-produced documentary, *Running the Sahara*, followed Engle as he lead a team on a harrowing, record breaking 4,500-mile run across the Sahara Desert, which helped raise millions of dollars for charity. Charlie's growing notoriety led to an investigation and a subsequent unjust conviction for mortgage fraud for which he spent sixteen months in federal prison in Beckley, West Virginia. While in jail, Engle pounded the small prison track, running endlessly in circles. Soon his fellow inmates were joining him, struggling to keep their spirits up in dehumanizing circumstances. In *Running Man*, Charlie Engle tells the surprising, funny, and emotional story of his life, detailing his setbacks and struggles-from coping with addiction to serving time in prison-and how he blazed a path to freedom by putting one foot in front of the other. "A fast-paced, well-written account of a man who accepts pain, pushes beyond imagined limits, and ultimately finds redemption and peace" (Booklist), this is a raw and triumphant account about finding the threshold of human endurance, and transcending it.
