**\*\*A USA Today Must-Read Romance!\*\*** Will the prince's kiss be enough to revive her frozen heart? Don't miss GATHERING FROST, a dystopian romance from bestselling author Kaitlyn Davis that reimagines the classic fairy tale of Sleeping Beauty. "I wish I could say I was the hero of the story. A resister. A rebel. Someone who lived to bring an end to the queen who stole my childhood--my mother, my life, my very world. But I'm not. I'm not the good guy. I'm the one who puts the good guys in their graves." Jade was only a little girl when the earthquake struck. Before her eyes, half of New York City disappeared, replaced by a village that seemed torn out of a storybook. Horses and carriages. Cobblestone streets. A towering castle. And, above all, a queen with the magical ability to strip emotions away. Ten years later and Jade has forgotten what it is to feel, to care...even to love. Working as a member of the queen's guard, she spends most of her time on the city wall staring at the crumbling skyscrapers of old New York. But everything changes when the queen's runaway son, Prince Asher, returns. Under his relentless taunts, her blood begins to boil. Under his piercing gaze, her heart begins to flutter. And the more her icy soul begins to thaw, the more Jade comes to question everything she's ever known--and, more importantly, whose side she's really on. "My favorite thing about this book is the action. Jade isn't a sleeping princess. She's the best fighter and so fierce in her "empty" state. I felt like this was an urban fantasy with all the steam of a romance." - Jessie Potts, USA Today 'Happy Ever After Blog' "Davis writes with confidence and poise, and the story's many twists and turns stave off predictability and allow readers to become immersed in a starkly magical world filled with last hopes." - Publisher's Weekly "Gathering Frost is just awesome in every way. Beautiful prose, lots of heart-wrenching emotion, action and romance, a great, unstoppable villain, and a smart, tough heroine who will fight for what she wants." - Geeks In High School "The writing is flawless as always and I must say, way to take a classic and make such a creative and wonderful twist to it...It's well thought out and it unbelievably magnificent. I seriously couldn't put it down. Wait I never actually put it down. I started and finished in one sitting because it's just that good. This one is a MUST READ." - Happy Tails and Tales Blog "I loved everything about this book! The different take on Sleeping Beauty, the strong female characters, and the overall vibe of the book/series to come. Jade is amazing and leaped off the page...This is not just a romance! It has great action scenes where Jade is kicking some major ass and there are surprises at every corner." - Hooked In A Book "I loved this book. To me is it a very loose reimagined world of Sleeping Beauty, but that is a good thing. It kept me guessing and really kept me on the edge of my seat. I stayed up late reading as I just had to know what happens next." - Michelle's Paranormal Vault of Books

Fall in love, break the curse. It once seemed so easy to Prince Rhen, the heir to Emberfall. Cursed by a powerful enchantress to repeat the autumn of his eighteenth year over and over, he knew he could be saved if a girl fell for him. But that was before he learned that at the end of each autumn, he would turn into a vicious beast hell-bent on destruction. That was

before he destroyed his castle, his family, and every last shred of hope. Nothing has ever been easy for Harper. **Once Upon a Broken Heart** Bloomsbury Publishing USA

A princess isn't supposed to fall for an evil sorceress. But in this "bewitching and fascinating" (Tamora Pierce) retelling of "Sleeping Beauty," true love is more than a simple fairy tale. "Walter's spellbinding debut is for all the queer girls and women who've been told to keep their gifts hidden and for those yearning to defy gravity."—O: The Oprah Magazine Once upon a time, there was a wicked fairy who, in an act of vengeance, cursed a line of princesses to die. A curse that could only be broken by true love's kiss. You've heard this before, haven't you? The handsome prince. The happily ever after. Utter nonsense. Let me tell you, no one in Briar actually cares about what happens to its princesses. Not the way they care about their jewels and elaborate parties and charm-granting elixirs. I thought I didn't care, either. Until I met her. Princess Aurora. The last heir to Briar's throne. Kind. Gracious. The future queen her realm needs. One who isn't bothered that I am Alyce, the Dark Grace, abhorred and feared for the mysterious dark magic that runs in my veins. Humiliated and shamed by the same nobles who pay me to bottle hexes and then brand me a monster. Aurora says I should be proud of my gifts. That she . . . cares for me. Even though a power like mine was responsible for her curse. But with less than a year until that curse will kill her, any future I might see with Aurora is swiftly disintegrating—and she can't stand to kiss yet another insipid prince. I want to help her. If my power began her curse, perhaps it's what can lift it. Perhaps together we could forge a new world. Nonsense again. Because we all know how this story ends, don't we? Aurora is the beautiful princess. And I— I am the villain. Book One of the Malice Duology
