“so much fun to read.”* It’s
Fairy Tale Week in New York
City, and Clare Cosi has given
her coffee truck a “Jack and
the Beanstalk” makeover for
the Central Park festival. Her
ex-husband has contributed a
bag of African coffee beans
with alleged magical
properties, and his
octogenarian mother is giving

Clare remains skeptical—until
she receives a vision that
helps her find a young
model’s body in the park’s
woods. The police dismiss
“sleeping beauty” as the
victim of a drug overdose. But
when Clare uncovers evidence
that points to murder, she
winds up with a dangerous
predator on her heels and an
investigation that leads right
back to her own NYPD
detective boyfriend. If she
doesn’t solve this mystery
fast, those magic beans
predict an unhappy ending.

Once upon a time, there
was a dead body...When
Olivia Andrews - rising-in-
the-ranks-author, breaks it
off with her ex-boyfriend,
she finds there's more to
fear than make-up texts. She
has more drama in her own
life than what she writes

about. When the body of someone close to her lands in her way amidst the picturesque wilds of the northwest, Olivia has to prove she didn't do it while staying one step ahead of the killer — who has promised to write her ending next. Laughing at the wildly inappropriate visits with her aging aunts and dodging the love interest of her best-friend's brother, Olivia struggles to stay on top of her deadline while avoiding becoming the next plot twist. Can Olivia clear her name for the murder and discover who is out to get her in this chaotically satisfying mystery set in a small town, or will she become post-humously famous? Don't miss out on this fast-paced cozy mystery series!

No You Can't be an Astronaut Puffin

Quentin Tarantino's long-awaited first work of fiction—at once hilarious, delicious and brutal—is the always surprising, sometimes shocking, novelization of his Academy Award winning film. **RICK DALTON**—Once he had his own TV series, but now Rick's a washed-up villain-of-the week drowning his sorrows in whiskey sours. Will a phone call from Rome save his fate or seal it?

CLIFF BOOTH—Rick's stunt double, and the most infamous man on any movie set because he's the only one there who might have got away with murder. . . .

SHARON TATE—She left Texas to chase a movie-star dream, and found it. Sharon's salad days are now spent on Cielo Drive, high in the Hollywood Hills.

As the holidays
approach, bookstore
owner Summer
Merriwether learns a
dark secret in this
second volume of
Maggie Blackburn's
Beach Reads mystery
series. There's no
place like home for
the holidays, even if
home is sleepy,
beachside Brigid's
Island, NC. During
this season for
giving, the town wakes
up to a welcome throng
of shoppers--and Beach
Reads is no exception.
But bookseller Summer
Merriwether's
Christmas cheer turns
to cringing fear when

she uncovers a deadly
secret about her late
mother--a secret
someone will kill to
keep. When the local
library hosts a cozy
mystery panel
discussion, Summer
learns that one of the
authors on the panel
based her book on an
actual murder that
shook Brigid's Island
thirty-five years
before. Worse, she
soon learns that her
dearly missed mother,
Hildy, took a
disturbingly deep
interest in the case,
going so far as to
collect clippings and
keep a journal of the
dark doings. This
doesn't jibe with
Summer's memories of
her usually cheery
mother at all. Tidings
get worse when Summer
learns of her long-
lost biological
family's involvement
in the crime...and

still worse when the life of the book's author is threatened. With the help of Hildy's plucky book club, Summer puts her scholarly smarts to work on protecting the cozy author and solving the decades-old murder. But this ghost from Christmas past may still be deadly in the present, and if she can't find the killer, Summer's future will be brief.

Once Upon a Time in Hollywood Flatiron

Books

A perfect choice for smart, funny tweens who love Roald Dahl and Lemony Snicket. In *The Tell-Tale Start*, Edgar and Allan Poe (great-great-great-grandnephews of the

legendary Edgar Allan Poe) managed to outwit the nefarious Professor P. Pangborn Perry, who was (and is) determined to kill just one of them, in order to prove a mad scientific theory. Now the boys are in New Orleans, about to play the young Poe in a feature film. But the role may cost them their lives, because now someone else wants them dead. But who? And can the twins—with the help of their co-stars, Em and Milly Dickinson, their ghostly forebear, and a pair of real ghosts—manage to

outwit them?

housewife, claimed

to recover a

repressed memory of

her father killing

her playmate 20

earlier. In a

landmark trial, the

father was charged

and convicted of

first-degree

murder, based

solely on his

daughter's testimony. This book chronicles the trial, explores the remarkably dysfunctional Franklin family, and delves into the reliability of repressed memory as evidence in court. This version contains a 2011 Epilogue, which details the reasons for the reversal of George Franklin's conviction and the refusal of the district attorney to retry him for murder.

between.... Former Compton police officers Tim Brennan and Robert Ladd have seen it all..... And now, they're telling all..... For twenty years, gang unit detectives Tim Brennan and Robert Ladd patrolled the streets of Compton. They witnessed the birth and rise of gangsta rap with acts they knew personally, such as N.W.A and D.J. Quik; dealt firsthand with the chaos of the L.A. riots, its aftermath, and the gang truce that followed; were involved in the investigations of the murders of hip-hop stars Tupac Shakur and The Notorious B.I.G., and were major players in an all-out tug-of-war with City Hall that ultimately resulted in the permanent shut-down of the Compton Police Department. Through it all, they developed an intricate knowledge of gangs and the streets and a methodology that has been implemented by local law enforcement agencies across the country. Their compassionate and fair approach to community policing

earned them the respect of citizens and gangbangers alike. This story - told with bestselling author Lolita Files, whose research with Brennan and Ladd has spanned over four years - is a firsthand glimpse into a world during an era many have heard about in song and legend, but have rarely had the opportunity to witness at ground level, from the inside out, through the eyes of two men who witnessed and experienced it all. **Chaos** Little, Brown Tova Katzenell, an Israeli working as a Scene of Crime Officer with Police Scotland, is in a building as the last occupant is being persuaded, Glasgow-style, to leave. Tova, simply there in a family history quest, is anxious not to be seen. Shortly after she has left the building, it goes on fire. Jonjo O'Hagan, the sole occupant, receives a phone call and then jumps to his death and one of the two 'eviction' men, Wullie Blackstone, is subsequently found at the foot of the stairs decapitated. A Shakespearean scholar inherits a beachside bookshop—and a murder mystery—in this delightful new cozy series for fans of Kate Carlisle and Ellery Adams Summer Merriweather's career as a Shakespeare professor hangs by a bookbinder's thread. Academic life at her Virginia university

is a viper's pit, so Summer spends her summer in England, researching a scholarly paper that, with any luck, will finally get her published, impress the Dean, and save her job. But her English idyll ends when her mother, Hildy, shuffles off her mortal coil from an apparent heart attack. Returning to Brigid's Island, North Carolina, for the funeral, Summer is impatient to settle the estate, sell Beach Reads—her mom's embarrassingly romance-themed bookstore—and go

home. But as she drops by Beach Reads, Summer finds threatening notes addressed to Hildy: "Sell the bookstore or die." Clearly, something is rotten on Brigid's Island. What method is behind the madness? Was Hildy murdered? The police insist there's not enough evidence to launch a murder investigation. Instead, Summer and her Aunt Agatha screw their courage to the sticking place and start sleuthing, with the help of Hildy's beloved book club. But there are more suspects on Brigid's Island than are dreamt of in the Bard's darkest philosophizing. And if Summer can't find the villain, the town will be littered with a Shakespearean tragedy's worth of corpses—including her own.
