When Paul and Silas were in prison in Philippi, they burst into singing. Paul looked at life with a joyful song. He found delight when believers lived in harmony. The theme of this Bible study is Paul's Life-Song. Hear his song in the letter he wrote to Philippi, even while in another prison. Some strains explode with joy, while other stanzas carry a minor melody to encourage or warn the people he loved. Study his messages and learn how to apply Paul's attitudes regardless of his circumstances. This

discard it. The book's content may appear controversial and may offend the some, but it is not my intentions. I have no control over how the world will take the materials written in this book. I have been introspecting, walking a spiritual journey for over a decade and used my discriminative intelligence to bring forth the truths I have shared in this book. My one and only motive to write this book is to provide solace to the humanity which is suffering and provide avenues to make their life better. This book also touches upon how systematically we are destroying our mother earth and ways to protect it. This book can be understood by all humanity no matter their race, religion, culture and country of origin. No

hyperbolic intellectual discussions, no dwelling into theological doctrines or complex scientific theories has been used in this book. I have used many examples to illustrate each fact. I have tried my best to explain why I said a thing, rather than take me for granted. I never intended to write a book. I thought a book will be good medium to reach all my fellow human beings living in all corners of the world. This book wants to grab the attention of all humanity no matter what is their faith, country of origin or profession. This is the one and only book I will write in my life. I hope you will make my effort count. After reading the book, I hope all the people in the globe will be my friend and understand me. I intent to

designed a biblical cognitive character-based training curriculum. It is designed to equip pastors, chaplains, and faith-based instructors with insight for preparing reentry volunteers as mentors to be matched with returning citizens upon their release from prison or while incarcerated. The curriculum is designed with six modules to assist faith-based volunteers in developing a biblical perspective into God's fourfold purpose for their lives: relationships, character development, service, and reproduction. The fifth module is designed to address the spiritual warfare that ministry leaders and faith-based volunteers will encounter in mentoring the "returning citizen population." The final module is designed to assist ministry leaders and faith-based volunteers in understanding how to assist returning citizens in overcoming the effects of alcohol and drug addiction. This course will build the capacity of members within the faith-based community to minister to returning citizens in restoration from crime and addiction. The curriculum is designed to enhance the quality of care to the "ex offender population" by producing spiritually mature mentors walking in close fellowship with God. The curriculum is extremely comprehensive and highly interactive and will assist volunteers in developing a functional understanding of their roles in mentoring returning citizens through the use of scriptures, a series

Journalist Abigail Pogrebin is many things—wife, mother, New Yorker—but the one that has defined her most profoundly is “identical twin.” As children, she and her sister, Robin, were inseparable. But when Robin began to pull away as an adult, Abigail was left to wonder not only why, but also about the very nature of twinship. What does it mean to have a mirror image? How can you be unique when somebody shares your DNA? In *One and the Same*, Abigail sets off

on a quest to understand how genetics shape us, crisscrossing the country to explore the varied relationships between twins, which range from passionate to bitterly resentful. She speaks to the experts and tries to answer the question parents ask most—is it better to encourage their separateness or closeness? And she paints a riveting portrait of twin life, yielding fascinating truths about how we become who we are.
