When Paul and Silas were in prison in Philippi, they burst into singing. Paul looked at life with a joyful song. He found delight when believers lived in harmony. The theme of this Bible study is Paul's Life-Song. Hear his song in the letter he wrote to Philippi, even while in another prison. Some strains explode with joy, while other stanzas carry a minor melody to encourage or warn the people he loved. Study his messages and learn how to apply Paul's attitudes regardless of his circumstances. This Bible study is rich with insights into the Hebrew and Greek and covers themes Paul brings from the Old Testament or other New Testament teachings. Dive deeper into those themes by taking important excursions into the background of the topics. This in-depth verse-by-verse investigation is valuable for individuals or groups. Enjoy the commentary while completing the workbook and applying the messages to everyday situations. Determine your timeframe for the study as you discover what the Lord Jesus wants to do in your life through Paul. Ive had the privilege of knowing Sharon Gresham as a teacher/speaker for many years and now as a writer. Her commitment to in-depth study and application of the Bible is refreshing. The Philippians study equips the pastor/teacher with a resource much needed in the church today. I am excited to teach this study both in our church and as we minister internationally. Darrel Auvenshine, pastor of Southside City Church, Fort Worth, Texas With a gift for accurately communicating Gods Word in a relevant and personal way, Sharon Greshams in-depth study of Philippians will delight and thrill any serious student of the Scriptures. I highly recommend it! Scott Whitson, director of missions, Southwest Metroplex Baptist Association and former missionary to Tanzania *Sea Glass One and the Same*

Sherri Ferguson has DONE IT! Never has anyone been clever enough to capture the attention of each age group in one book, in regards to their heritage. My Heritage ABC has been exceptionally and exquisitely put together educating children in their African and African American history, alphabets, reading, colors, numbers, poetry, speeches from great leaders, languages and much, much more. This full color motivational book has managed to capture the beauty of Africa and teach history while children identify with their everyday learning pattern. The dynamic richness it gives in many areas is without question priceless. The showing of historical and today's black leaders joined with small biographies will assure that your child gain knowledge of the wonderful people that came before them, and see the importance of moving forward with dignity and admiration. Her poetry and words of encouragement to the youth is life changing. This book without a doubt will be a collectors item and may be passed on for generations to come. InfoWorld Xlibris Corporation

French-born David Bret is one of Britain's leading show business biographers and now dishes the dirt on himself. He speaks of his long-suffering mother and eccentric family and recalls the celebrities who became confidants: the chanteuse Barbara, Marlene Dietrich, and Dorothy Squires. He recalls other show business friends: Damia, Charles Aznavour, Charles Dumont and Serge Regianni...controversial figures Alice Sapritch, Manouche, Melina Mercouri and porn star Joey Stefano. He writes of his meetings with Peggy Lee and Greta Garbo and of his spats with Sacha Distel and Franco Zeffirelli. He reveals his friendship with Peter Sutcliffe in pre-Yorkshire Ripper days. He takes no prisoners when discussing his enemies, especially the abusive father who made his childhood a misery. He holds nothing back discussing his love affairs. Bret has been honest when sticking his head above the parapet in his best-selling books and when expressing opinions, and is unsparing when writing about himself...

A Strictly Biblical Perspective Ministries Inc. has strategically designed a biblical cognitive character-based training curriculum. It is designed to equip pastors, chaplains, and faith-based instructors with insight for preparing reentry volunteers as mentors to be matched with returning citizens upon their release from prison or while incarcerated. The curriculum is designed with six modules to assist faith-based volunteers in developing a biblical perspective into God's fourfold purpose for their lives: relationships, character development, service, and reproduction. The fifth module is designed to address the spiritual warfare that ministry leaders and faith-based volunteers will encounter in mentoring the "returning citizen population." The final module is designed to assist ministry leaders and faith-based volunteers in understanding how to assist returning citizens in overcoming the effects of alcohol and drug addiction. This course will build the capacity of members within the faith-based community to minister to returning citizens in restoration from crime and addiction. The curriculum is designed to enhance the quality of care to the "ex offender population" by producing spiritually mature mentors walking in close fellowship with God. The curriculum is extremely comprehensive and highly interactive and will assist volunteers in developing a functional understanding of their roles in mentoring returning citizens through the use of scriptures, a series of individual and small group exercises.

Bestselling historical romance author Sherry Thomas branches out with her first contemporary romance about a chance meeting a lifetime in the making, and an all-consuming affair without a single predictable moment. Sometimes *The One*, the one you didn't even know you've been waiting for, at last comes along... Evangeline Canterbury has always seemed perfectly composed and perfectly content. No one knows the fear and turmoil she holds inside and she is happy to

hide behind her façade. Until she meets Bennett Somerset on a night when her façade has fallen by the wayside, her misery visible for miles. His presence is beguiling enough that such an inauspicious beginning morphs into a lovely one-night stand. But Evangeline becomes less sure when he ropes her into a fake relationship, so he can use her connections to get close to his estranged parents. She doesn't want to be exploited, but he is very beautiful, very charming, and very, very, very persuasive. At first she is only afraid that she might fall in love—and he might walk away when he has reconciled with his parents. Then she realizes that he knows her far better than she wants him to, and understands her in ways that threaten the very foundation of her façade. She is desperate to run from him, but what if—what if he actually wants the real her? "I am magnificently and irreparably ruined by her books"--Kristan Higgins, New York Times bestselling author

Louisiana Coffeewith lots of cream is Dr. Betty Reynolds fifth book to be published. Not surprisingly, this book is not about coffee, nor is it about cream. Instead, it is a delightful medley of intriguing tales covering four generations of a New Orleans Creole family. Since Creole usually denotes a mixing of bloods, the color of their skin can be as varied as the color of ones coffee ranging from dark, dark chocolate to the lightest of rich cream. This fictional memoir appropriately starts a hundred years ago in New Orleans the home of the family matriarch, Bertha Mayberry. Berthas story is a mysterious one that she preferred to be kept locked among other

family secrets. She was particularly sensitive about having to reveal her misfortune of being trapped in a bordello when she first arrived in New Orleans as a young girl. Her romantic rescue ended in tragedy, but she did transcend in the end and married a popular Black jazz musician named William Sweetwater Lewis. Together they gained respectability by working hard and providing their five daughters with a good education, a passion for music, and a young life filled with parties and gala events in a city that was known for them. Berthas children as well as her childrens children follow their own paths in choosing where and how they will live out their lives. Their accounts of triumphs and mishaps take you on a fascinating journey to experience the mysteries of black magic in the Louisiana swamps, a numbers racket in Detroit and the casinos in Las Vegas when the mob was in control. Some leave the safety of their ancestral home on Bourbon Street to carve out new lives in other far-away places such as the Jersey Shores, Philadelphia, or New York. Whatever their destination, each member of the Lewis clan brings to the saga an interesting storyline that shares his/her unique motivations, desires and actions that sometimes lead to less than favorable consequences. Louisiana Coffees meant to inform, rather than to alarm. It is a tell-all fiction that might open some eyes as what goes on in a different world on the other side of the cultural divide. Roger Waters and Pink Floyd Blew My Mind: Bite Size/Volume One. Covenant Books, Inc. The Unholy Bible Of Pink Floyd Related Drug Abuse and the Associated Mental Illness I AM NOT CHARLIE, THERE IS NO PLACE FOR SUCH OPEN ABUSE AND DISRESPECT OF ANOTHER PERSONS FAITH, KEEP YOUR PUBLIC COMMENTS DECENT, OR DISCUSS THEM WITHIN A BOOK, NOT ON THE FRONT PAGE FOR ALL TO SEE. This is the "DON'T READ" comedy classic for all Pink Floyd and Roger Waters fans, people love it or hate it' if you hate it then be gracious, if you love it keep it quiet. But don't think for a moment that this is a "love in" of all things Pink Floyd. Because it is the story of how one man went insane because of his love for Roger Waters; when he combined it with his his hatred of David Gilmour for the theft of the sacred name. So, if you once had good times with the help of illegal substance abuse; or indeed, just legal substance abuse, whilst listening to the music of Pink Floyd and Roger Waters, then sit back and enjoy reading about the past you had almost forgotten about.

Putting One's Head Above the Parapet: My Autobiography Lulu Press, Inc

"Incredible!... Anyone interested in the hardship, frustration, and courage of soldiers at war will be enthralled by this book." -- James G. Hollandsworth, author of *The Louisiana Native Guards* Until now, Union army colonel Nathan W. Daniels has been a forgotten man with a forgotten regiment. The white commanding officer of the 2nd Louisiana Native Guard Volunteers, a black regiment, he was removed with his men from mainland military activity and confined to obscure duty on Ship Island, ten miles off the coast of Mississippi. However, as Daniels' intriguing diary documents, despite an unrenowned existence that has earned them little attention from historians, the 2nd Native Guards represent a pioneering stage in the history of black troops at war. The story of the Louisiana Native Guards is essentially the story of the first black commissioned officers in the Civil War. Ordered by General Benjamin F. Butler, the promotion of seventy-six educated, free blacks was an experimental step taken during the early days of black enlistment. However, within one year, nearly all the officers, including their white colonels, were forced out or had resigned in frustration. Daniels lived the tale of these removals and confided his thoughts to his diary, a rare surviving narrative from someone of his rank and position.

Woven through daily entries of routine life on the military post are his comments about his responsibilities and frustrations of being caught between the black and white military worlds of the day. He vividly recalls a fierce skirmish on the mainland at East Pascagoula, Mississippi, in which his black troops, having fought superbly, suffered most of their casualties from apparently intentional "friendly" fire from the Union gunboat Jackson, sent there to protect them. In May, 1863, Daniels was arrested in New Orleans on seemingly trifling charges related to his duty on Ship Island. He continued his diary in the Federally occupied city, giving fascinating details of life there and chronicling his slow torture in the machinery of the military bureaucracy. He eventually separated from the army under circumstances that remain curious. The diary also provides never-before-published pictures from wartime Ship Island, including photographs of members of Daniels' regiment, visiting ship captains, and Major Francis E. Dumas -- the highest-ranking black officer to see combat during the war. A superb resource in and of themselves, these photographs will fascinate Civil War enthusiasts. The first published personal narrative by a regimental commander of free black troops, *Thank God My Regiment an African One* offers a unique glimpse into the daily lives of white leaders of the earliest black soldiers. It is a significant contribution to the ongoing documentation of the experience of black troops in the Civil War.
