The brilliant, controversial, bestselling critique of American culture that “ hits with the approximate force and effect of electroshock therapy ” (The New York Times)—now featuring a new afterword by Andrew Ferguson in a twenty-fifth anniversary edition. In 1987, eminent political philosopher Allan Bloom published *The Closing of the American Mind*, an appraisal of contemporary America that “ hits with the approximate force and effect of electroshock therapy ” (The New York Times) and has not only been vindicated, but has also become more urgent today. In clear, spirited prose, Bloom argues that the social and political crises of contemporary America are part of a larger intellectual crisis: the result of a dangerous narrowing of curiosity and exploration by the university elites. Now, in this twenty-fifth anniversary edition, acclaimed author and journalist Andrew Ferguson contributes a new essay that describes why Bloom’s argument caused such a furor at publication and why our culture so deeply resists its truths today.

Paradise Lost in Plain and Simple English (A Modern Translation and the Original Version)
Simon and Schuster

In the hurly burly of this busy world, simple kindness and goodness can get left behind in the rush to be first in line, to the top of the corporate ladder, and to have the most likes. But, what does it all mean at the end of the day? Isn't being a good person and making real contributions to the world more important than anything else? Author Brenda Knight, part of the team who made the world a better place with *Random Acts of Kindness* as well as a little more thankful with *The Grateful Table*, writes "At the end of life, I feel sure having lots of money, fancy cars, and real estate is not nearly as important as how much love you gave to the world." This realization was the inspiration for *Be a Good in the World*, a book of "good days" filled with ideas for making a difference.

From MSNBC correspondent Steve Kornacki,

a lively and sweeping history of the birth of political tribalism in the 1990s—one that brings critical new understanding to our current political landscape from Clinton to Trump In *The Red and the Blue*, cable news star and acclaimed journalist Steve Kornacki follows the twin paths of Bill Clinton and Newt Gingrich, two larger-than-life politicians who exploited the weakened structure of their respective parties to attain the highest offices. For Clinton, that meant contorting himself around the various factions of the Democratic party to win the presidency. Gingrich employed a scorched-earth strategy to upend the permanent Republican minority in the House, making him Speaker. The Clinton/Gingrich battles were bare-knuckled brawls that brought about massive policy shifts and high-stakes showdowns—their collisions had far-reaching political consequences. But the '90s were not just about them. Kornacki writes about Mario Cuomo's stubborn presence around Clinton's 1992 campaign; Hillary Clinton's star turn during the 1998 midterms, seeding the idea for her own candidacy; Ross Perot's wild run in 1992 that inspired him to launch the Reform Party, giving Donald Trump his first taste of electoral politics in 1999; and many others. With novelistic prose and a clear sense of history, Steve Kornacki masterfully weaves together the various elements of this rambunctious and hugely impactful era in American history, whose effects set the stage for our current political landscape.

For an entire year. The Mullers had a solid marriage and two wonderful children, but over the years sex had fallen low on their to-do list. The lack of intimacy wasn't causing them to drift apart, exactly, but their connection didn't seem as great as it could be. Charla decided that the couple would embark on a year of scheduled sex -- falling over toy trucks and piles of laundry in an effort to make time for each other. There were obstacles along the way -- when disasters at work intruded on their home life and when there were questions about the sex itself and faking it. Would physical love -- whether good mediocre or ugly -- make up for things that weren't so good? Charla and her husband had a

whole year to find out...

Nietzsche: Daybreak Cambridge University Press

For a couple of decades, Erin McHugh was very active doing community work, but in more recent years, she felt that she'd slipped away from those efforts. Around the time of this realisation, she also learned that a distant relative was going to be canonised. Could this be a sign? What followed next was Erin's sincere urge to reclaim a sense of charity and community and so she set out on her birthday to do one good deed every day for an entire year. Maybe she wouldn't find herself saving orphans from a burning building, but she wanted to take one small, daily detour and make someone else's life just a little bit better. *One Good Deed* is the heartfelt chronicle of that year.

Pay It Forward Vantage Point

Inspiring quotes and advice to help readers see getting older as a time for reinvention and personal growth. "Aging is an extraordinary process where you become the person you should have been." —David Bowie So long nostalgia, and goodbye resignation! This book of quotes reminds us that growing old isn't about slowing down and taking it easy—it's a chance to ask, "What's next?" After all, sixty is the new fifty, seventy's the new sixty, and older is getting younger every day. With fun, forward-looking, and inspiring wisdom, *So Who's Counting?* is the ideal gift for baby

boomers, Gen Xers or anyone reaching a major age milestone. Instead of cloying sentimentality or the standard sagging-body-part jokes, it strikes the perfect balance of humor, guidance, reflection, bon mots. Quotes are divided into nine sections, such as "As Old as You Feel," "Laughter: The Best Prescription," and "Aged to Perfection." *So Who's Counting?* is all about aging with gusto and celebrating what lies ahead.

Alcoholics Anonymous B&H Kids Originally published in five separate, small format hardcovers, "The Portable Queer" are finally compiled in one volume, and includes *OUT OF THE MOUTH OF QUEERS*, *HOMO HISTORY*, *A GAY IN THE LIFE*, *LOUD AND PROUD*, and *SECRETS AND SCANDALS*. Looking for the ideal witticism, or the snappiest retort? "Out of the Mouth of Queers" covers topics such as love, sex, arts and fashion. How was homosexuality dealt with in ancient times, where was the world first gay bookstore, and when did gay pride celebration begin? These answers and many more are found in "Homo History." In "A Gay in the Life," learn who Alice B. Toklas was, discover Harvey Milk's fate, and whether Pope Joan really existed. From celebrities and activists, these wickedly short and entertaining bios offer up just the right info. More quotes are on hand in "Loud and Proud," focusing on media, religion, and other outspoken and controversial topics, intent on educating even the wisest reader. And finally, what's better than "Secrets and Scandals," which proves that when it comes to spies, lies, and alibis, no one does it better than "the gays." *THE PORTABLE QUEER* is that perfect, all-in-one volume that collects the most provocative words, events, and people from all walks of gay and lesbian life and irresistibly presents them as tantalizing bits of trivia.

The Summer I Saved the World . . . in 65 Days Cleis Press

Rural Wisconsin, 1909. In the bitter cold, Ralph Truitt, a successful businessman, stands alone on a train platform waiting for the woman who answered his newspaper advertisement for "a reliable wife." But when Catherine Land steps off the train from Chicago, she's not the "simple, honest woman" that Ralph is expecting. She is both complex and devious, haunted by a terrible past and motivated by greed. Her plan is simple: she will win this man's devotion, and then, ever so slowly, she will poison him and leave Wisconsin a wealthy widow. What she has not counted on, though, is that Truitt — a passionate man with his own dark secrets — has plans of his own for his new wife. Isolated on a remote estate and imprisoned by relentless snow, the story of Ralph and Catherine unfolds in unimaginable ways. With echoes of *Wuthering Heights* and *Rebecca*, Robert Goolrick's intoxicating debut novel delivers a classic tale of suspenseful seduction, set in a world that seems to have gone temporarily off its axis.

Destined to Reign Devotional Andrews McMeel Publishing

What are you grateful for? What traditions hold special meaning for your family? What wisdoms guide your life? Whose story inspires you? This collection of nearly 100 personal stories will encourage readers to pause and reflect about issues that are truly meaningful in their lives. "30 Days" started as a blog during Ramadan sharing the personal stories of a Muslim family, but grew into an international storytelling platform that connects people of all backgrounds around things we universally value -- sharing kindness and doing good deeds, expressing gratitude and sincere wishes, cherishing traditions and wisdom from our elders. This handmade, commemorative, limited-edition volume, enhanced by exquisite artwork -- illuminations, miniature paintings, and calligraphy -- is intended to spark conversations between young and old, friends and strangers, and families of all traditions and configurations. After all, sharing stories helps us get to know each other better; it helps develop trust, build a connection, and start a friendship.
