One Good Knight Five Hundred Kingdoms 2 Mercedes Lackey

---

Ballantine Books  
What happens when a sheepish knight and a not-so-fierce dragon fight for the very first time? Well, it's no ordinary battle since the knight has to go to the castle library to learn about dragon-fighting and the dragon must dig through his ancestor's things to find out how to fight a knight! "Spontaneity of line and feeling are backed by zesty colors and a jovial, tongue-in-cheek tone to which children can relate—a top springtime choice." —Booklist "There's a swirl of good-humored life to the book." —The New York Times Book Review  
The Knight in History  
W. W. Norton & Company  
When Baby Billy is

born with a mustache, his family takes it in stride. They are reassured when he nobly saves the day in imaginary-play sessions as a cowboy or cop and his mustache looks good-guy great. But as time passes, their worst fears are confirmed when little Billy ' s mustache starts to curl up at the ends in a suspiciously villainous fashion. Sure enough, " Billy ' s disreputable mustache led him into a life of dreadful crime. " Plenty of tongue-in-cheek humor and cartoonish illustrations make this the perfect baby-shower gift for a mustachioed father-to-be.  
Sir Gawain and the Green Knight (A New Verse Translation)  
Harlequin  
A young man in his

teens is transported from our world to a magical realm that contains seven levels of reality. Very quickly transformed by magic into a grown man of heroic proportions, he takes the name Able and sets out on a quest to find the sword that has been promised to him, a sword he will get from a dragon, the one very special blade that will help him fulfill his life ambition to become a knight and a true hero. Inside, however, Able remains a boy, and he must grow in every sense to survive the dangers and delights that lie ahead in encounters with giants, elves, wizards, and dragons. His adventure will conclude next year in the second volume of *The Wizard Knight*,

The Wizard. Gene Wolfe is one of the most widely praised masters of SF and fantasy. He is the winner of the World Fantasy Award for Life Achievement, the Nebula Award, twice, the World Fantasy Award, twice, the John W. Campbell Memorial Award, the British Fantasy Award, and France's Prix Apollo. His popular successes include the four-volume classic *The Book of the New Sun*. With this new series, Wolfe not only surpasses all the most popular genre writers of the last three decades, he takes on the legends of the past century, in a work that will be favorably compared with the best of J. R. R. Tolkien, E. R. Eddison, Mervyn

Peake, and T. H. White. This is a book---and a series---for the ages, from perhaps the greatest living writer in (or outside) the fantasy genre. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

France LUNA  
Welcome to the Nightside.  
For those foolish enough to seek it out, it ' s literal tourist trap, populated by beings, human and otherwise, who have never seen the sun rise. A place where your dreams

can come true—as long as your nightmares don ' t get you first. My name is John Taylor. I ' m a PI with a special talent for finding lost things. I ' m also the reluctant owner of a very special—and dangerous—weapon : Excalibur, the legendary sword (which isn ' t what you think it is, and never was). Excalibur chose me, and to find out why, I ' ll have to consult the last defenders of

---

Camelot, a group of knights who dwell in a place that some find more frightening than the Nightside. London Proper. It ' s been years since I ' ve been back—and there are good reasons for that...

Queen Harlequin  
When she ventures into the forbidden forest, Bella Beauchamps is attacked by a cursed nobleman and secluded in his castle where she is torn between her family and this strange man who makes her

happy.

*The Sleeping Beauty* Harper Collins

A common misconception is that professors who use popular culture and fantasy in the classroom have abandoned the classics, yet in a variety of contexts—high school, college freshman composition, senior seminars, literature, computer science, philosophy and politics—fantasy materials can expand and enrich an established curriculum. The new essays in this book combine analyses of popular television shows including Buffy the Vampire Slayer; such films as The

Matrix, The Dark Knight and Twilight; Watchmen and other graphic novels; and video games with explanations of how best to use them in the classroom. With experience-based anecdotes and suggestions for curricula, this collection provides a valuable pedagogy of pop culture.

The Knighting of Sir

Kaye Simon and Schuster

'Brilliantly evoked' SUNDAY TIMES Discover the first medieval adventure in the action-packed Chivalry series! Perfect for fans of Bernard Cornwell, Simon Scarrow and Conn Iggulden.

September, 1356. Poitiers. The greatest knights of the age were ready to give battle. On the English side, Edward, the Black Prince, who'd earned his spurs at Crecy. On the French side, the King and his son, the Dauphin. With 12,000 knights.

And then there is William Gold. A cook's boy - the lowest of the low - who had once been branded as a thief.

William dreams of being a knight, but in this savage new world of intrigue, betrayal and greed, first he must learn to survive. As rapacious English mercenaries plunder a country already ravaged by plague, and the peasantry take violent revenge against the French knights who have failed to protect them, is chivalry any more than a boyish fantasy? 'A sword-slash above the rest' IRISH EXAMINER 'One of the finest writers of historical fiction in the world' BEN KANE

**Sir Gawain and the Green Knight**

Random House Digital, Inc.

"A totally captivating, hilarious, and clever look on the magical kingdom of Manhattan, where kissing frogs has never been this fun."—Melissa de la Cruz, author of *The Au Pairs* Katie Chandler had always heard that New York is a weird and wonderful place, but this small-town Texas gal had no idea how weird until she

---

moved there. Everywhere she goes, she sees something worth gawking at and Katie is afraid she's a little too normal to make a splash in the big city. Working for an ogre of a boss doesn't help. Then, seemingly out of the blue, Katie gets a job offer from Magic, Spells, and Illusions, Inc., a company that tricks of the trade to the magic community. For MSI, Katie's ordinariness is an asset. Lacking any bit of magic, she can easily spot a

fake spell, catch hidden clauses in competitor's contracts, and detect magically disguised intruders. Suddenly, average Katie is very special indeed. She quickly learns that office politics are even more complicated when your new boss is a real ogre, and you have a crush on the sexy, shy, ultra powerful head of the R&D department, who is so busy fighting an evil competitor threatening to sell black magic

on the street that he seems barely to notice Katie. Now it's up to Katie to pull off the impossible: save the world and—hopefully—live happily ever after.

published in the Harvest Moon anthology. Originally published in 2010. Night Owl Reviews Magazine, Issue 10 MIRA Return to the magical Five Hundred Kingdoms series with another captivating adventure by New York Times bestselling author Mercedes Lackey. In Rosamund's realm, happiness hinges on a few simple beliefs. For every princess there's a prince. The King has ultimate power. Stepmothers should never be trusted. And bad things come to those who break with Tradition.... But when Rosa is

pursued by a murderous huntsman and then captured by dwarves, her beliefs go up in smoke. Determined to escape and save her kingdom, she agrees to one of her stepmother's risky incantations, thus falling into a deep, deep sleep. When awakened by a touchy-feely stranger, Rosa must choose between Tradition and her future—either a host of eligible princes or a handsome, fair-haired outsider. And learn the difference between being a princess and ruling as a Queen. Originally published in 2010  
**Beauty and the Werewolf**  
Penguin

On the great influence of a valiant lord: "The companions, who see that good warriors are honored by the great lords for their prowess, become more determined to attain this level of prowess." On the lady who sees her knight honored: "All of this makes the noble lady rejoice greatly within herself at the fact that she has set her mind and heart on loving and helping to make such a good knight or good man-at-arms."

---

On the worthiest amusements: "The best pastime of all is to be often in good company, far from unworthy men and from unworthy activities from which no good can come." Enter the real world of knights and their code of ethics and behavior. Read how an aspiring knight of the fourteenth century would conduct himself and learn what he would have needed to know when traveling, fighting, appearing in

court, and engaging fellow knights. Composed at the height of the Hundred Years War by Geoffroi de Charny, one of the most respected knights of his age, *A Knight's Own Book of Chivalry* was designed as a guide for members of the Company of the Star, an order created by Jean II of France in 1352 to rival the English Order of the Garter. This is the most authentic and complete manual on the day-to-

day life of the knight that has survived the centuries, and this edition contains a specially commissioned introduction from historian Richard W. Kaeuper that gives the history of both the book and its author, who, among his other achievements, was the original owner of the Shroud of Turin. [The Knight and the Dragon](#) DigiCat Miles Cameron weaves an epic tale of magic and mercenaries,

---

war and depravity, politics and intrigue in this action-packed debut fantasy *The Red Knight*. Twenty eight florins a month is a huge price to pay, for a man to stand between you and the Wild. Twenty eight florins a month is nowhere near enough when a wyvern's jaws snap shut on your helmet in the hot stink of battle, and the beast starts to rip the head from your shoulders. But if standing and fighting is hard, leading a

company of men -- or worse, a company of mercenaries -- against the smart, deadly creatures of the Wild is even harder. It takes all the advantages of birth, training, and the luck of the devil to do it. *The Red Knight* has all three, he has youth on his side, and he's determined to turn a profit. So when he hires his company out to protect an Abbess and her nunnery, it's just another job. The abby is rich, the nuns are pretty

and the monster preying on them is nothing he can't deal with. Only it's not just a job. It's going to be a war. . . . If you're a fan of Mark Lawrence, John Gwynne, or Brian McClellan you won't want to miss out on this intricate, epic debut fantasy.
