Song of the Nibelungs DC Comics In hundreds of watersheds and communities across the United States, conservation is being reinvented and invigorated by collaborative efforts between federal, state, and local

governments working with nongovernmental organizations and private landowners, and fueled by economic incentives, to promote both healthy natural communities and healthy human communities. Conservation for a New Generation captures those efforts with chapters that explain the new landscape of conservation along with case studies that illustrate these new approaches. The book brings together leading voices in the field of environmental conservation—Lynne Sherrod, Curt Meine, Daniel Kemmis, Luther Propst, Jodi Hilty, Peter Forbes, and many others—to offer fourteen chapters and twelve case studies that • demonstrate the benefits of

government agencies partnering with diverse stakeholders; • explore how natural resources management is evolving; • discuss emerging practices for conservation, including conservation planning, ecological restoration, valuing ecosystem services, and using economic incentives; • promote cooperation on natural resources issues that have in the past been divisive. Throughout, contributors focus on the fundamental truth that unites human and land communities: as one prospers, so does the other; as one declines, so too will the other. The book illustrates how natural resources management that emphasizes building strong relationships results in outcomes that

are beneficial to both people and land.

The author of Parsifal 's Page " interweaves action with sophisticated, wry humor and deft characterization to bring to life yet another medieval tale " (VOYA). Young Dinadan has no wish to joust or quest or save damsels in distress or do any of the knightly things expected of him. He ' d rather be a minstrel, playing his rebec and writing ballads. But he

was born to be a knight, and knights, of course, have adventures. So after his father forces his knighthood upon him, he wanders toward King Arthur ' s court, in the company of a misguided young Welsh lad named Culloch. There Dinadan meets Sir Kai and Sir Bedivere, and the three find themselves accompanying Culloch on the worst sort of quest. Along the way, Dinadan writes his own ballads, singing of honor, bravery, loyalty, and courtly love—and becomes a player in the pathetic love story of Tristram and Iseult. He meets the Moorish knight Palomides, the clever but often exasperating Lady Brangienne, and an elvin musician named Sylvanus, along with an unusual collection of recreant knights and dimwitted defenders of chivalry. He learns that while minstrels sing of spectacular heroic deeds, honor is often found in simpler, quieter ways. “ The humor ranges from subtle irony to scenes of pure comedy . . . a lighthearted introduction to the period. ” —School Library Journal (starred review) “ Morris creates in Dinadan one of his most appealing protagonists.

Written in accessible prose and laced with occasional magic, the novel moves at a quick pace and showcases a continually maturing hero. ” —The Horn Book
“ A witty tale of adventure and reflection. ”

narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index.
