Discover the Jerusalem's Undead trilogy in this 3-in-1 eBook bundle from author Eric Wilson. The suicide of Judas Iscariot in AD 30 left his blood seeping into the soil of the Field of Blood, in Aramaic the Akeldama. This tainted blood caused a counterfeit resurrection of the dead—the Collectors, who seek to corrupt and destroy. When Jesus was resurrected, ancient scripture says many rose from the

grave. Today, 36 from this group of undead remain—the Nistarim, who are here to watch over the world and protect against the Collectors. Field of Blood follows Gina Lazarescu, a Romanian girl with a scarred past who has no idea she is being sought by these undead. Gina realizes her future will depend on her understanding of the past, yet how can she protect herself from Collectors who have already died once but still live? Gina's journey continues in Haunt of Jackals. The Nistarim and the Collectors are after a single target—a boy named Pavel who may possess the key to the Collectors' unlimited power . . . or ultimate downfall. Gina has survived one battle with the undead

already and is determined to protect Pavel at all costs. But she has no idea how long she can stay a step ahead of the Collectors. In the final installment of the Jerusalem's Undead Trilogy—Valley of Bones—readers will witness an epic showdown of a battle between good and evil that started with the suicide of Judas Iscariot. Gina Lazarescu's life has been on a collision course with the Akeldama Collectors. She knows she can't defeat them on her own, though, and that it will take the combined efforts of all Those Who Resist for this living evil to be stopped.

The essays collected in this volume form a multifaceted discourse on religious, philosophical, historical, ethnocultural and sociocultural, literary and linguistic issues. A

multicultural approach to the problem of the soul allows the presentation of it on a microscale, focused on national and regional specificity, as well as on the macroscale, oriented toward universal values which can be observed in the cultures of peoples distant from each other in both time and space.

The book consists of 28 chapters, addressing the fundamental themes of human existence, which find expression in cultural texts in both colloquial and artistic language, and which have a prominent place in anthropological, psychological, metaphysical and theological debates.

It is voices such as these, souls whose direction is clear and sure, free of stubble and full of light, that help the rest of us find our way through all the distractions of life, all of its illusions, beyond its mirages, around its empty enchantments. . . . Good

reading, good thinking, good living is what this book brings to the soul. -- Joan D. Chittister from the

introduction "Between Two Souls" presents a lovely, spiritually uplifting conversation in poetry between a gifted modern-day Roman Catholic nun and a nineteenth-century Zen monk. Offering an utterly unique entree into spiritual contemplation, this book pairs inspirational writing from two distinct but mutually enriching faith traditions, revealing the religious joy, wisdom, and all-

embracing compassion that transcend temporal, cultural, and theological differences.

Ryōkan (1758-1831) is one of Japan's most-loved and most-renowned poets. After formal training at the Zen monastery of Entsu-ji, he refused offers to head his own temple and instead lived as a wandering monk in the snowy country around Mt. Kugami. Ryōkan wrote thousands of poems during his travels but never published a collection himself. For two years Mary Lou Kownacki, a Benedictine nun, used Ryōkan's poetry for devotions. Each morning she would read one of his poems, meditate on it, and then respond with one of her own. "Between Two Souls" is the result of this poetic interplay. Over the course of these pages, Kownacki and Ryōkan's separate voices blend and become one, ultimately drawing the reader into their soulful dialogue on the eternal.

Like echoes across time, these beautiful poems bring new depth and insight to truths that mark the meaning of the ages. Along the way they consider the smallest things in life, using them to gently warn us not to miss the bigger truths found in each moment, not to squander our souls. Complemented with an inspiring introduction by Joan D. Chittister and elegant calligraphy by Eri Takase, this volume provides a lifetime of devotional insights. Listening quietly to these two great souls is sure to enrich your own.
