blt is voices such as these, souls whose direction

is clear and sure, free of stubble and full of light, that help the rest of us find our way through all the distractions of life, all of its illusions, beyond its mirages, around its empty enchantments. . . . Good reading, good thinking, good living is what this book brings to the soul. b -- Joan D. Chittister from the introduction "Between Two Souls" presents a lovely, spiritually uplifting conversation in poetry between a gifted modern-day Roman Catholic nun and a nineteenth-century Zen monk. Offering an utterly unique entree into spiritual contemplation, this book pairs inspirational writing from two distinct but mutually enriching faith traditions, revealing the religious joy, wisdom, and all-embracing compassion that transcend temporal, cultural, and theological differences. Ryōkan (1758-1831) is one of Japan's most-loved and most-renowned poets. After formal training at the Zen monastery of Entsu-ji, he refused offers to head his own temple and instead lived as a wandering monk in the snowy country around Mt. Kugami. Ryōkan wrote thousands of poems during his travels but never published a collection himself. For two years Mary Lou Kownacki, a Benedictine nun, used Ryōkan's poetry for devotions. Each morning she would read one of his poems, meditate on it, and then respond with one of her own. "Between Two Souls" is the result of this poetic interplay. Over

the course of these pages, Kownacki and Ryōkan's separate voices blend and become one, ultimately drawing the reader into their soulful dialogue on the eternal. Like echoes across time, these beautiful poems bring new depth and insight to truths that mark the meaning of the ages. Along the way they consider the smallest things in life, using them to gently warn us not to miss the bigger truths found in each moment, not to squander our souls. Complemented with an inspiring introduction by Joan D. Chittister and elegant calligraphy by Eri Takase, this volume provides a lifetime of devotional insights. Listening quietly to these two great souls is sure to enrich your own.

These 8,000 clever and insightful sayings, organized by theme, will enrich the prose of writers, public speakers and anyone seeking to lead or persuade. It also provides a wealth of inspirational affirmations to guide us in our lives. Chinese proverbs, Roman maxims and the wisdom of writers from William Penn to Kahlil Gibran cover themes from humility and patience to courage, will and action. The topics are arranged in a sequence that begins with birth and progresses through the seasons of the "Ideal Life." When possible, each quotation flows into the next one so that the whole section reads almost like a speech given by one person. In other sections, one

quotation plays off another, creating a lively discussion amongst the authors.

Night's chill tickled her skin. Lonnie pressed her hands together and glanced up. He was even more handsome up close. Having grown up the shy, awkward daughter of Joel Sawyer, she'd hardly spoken to any boy, let alone the one who had mothers whispering warnings in their daughter's ears and fathers loading shotguns. Pretty Lonnie Sawyer is shy and innocent, used to fading into the background within her family, and among the creeks and hollows of the Appalachian hills. Though her family is poor and her father abusive, she clings to a quiet faith. But when handsome ladies' man and bluegrass musician Gideon O'Riley steals a kiss, that one action seals her fate. Her father forces her into a hasty marriage with Gideon—a man she barely knows and does not love. Equally frustrated and confused by his new responsibilities, Gideon yearns for a fresh start, forcing Lonnie on an arduous journey away

from her home in Rocky Knob. Her distant groom can't seem to surrender his rage at the injustice of the forced matrimony or give Lonnie any claim in his life. What will it take for Gideon to give up his past, embrace Lonnie's God, and discover a hope that can heal their two fractured hearts? Gideon only ever cared about himself. Now that Lonnie is his wife, will he ever be worthy of her heart?

Discover the Jerusalem's Undead trilogy in this 3-in-1 eBook bundle from author Eric Wilson. The suicide of Judas Iscariot in AD 30 left his blood seeping into the soil of the Field of Blood, in Aramaic the Akeldama. This tainted blood caused a counterfeit resurrection of the dead—the Collectors, who seek to corrupt and destroy. When Jesus was resurrected, ancient scripture says many rose from the grave. Today, 36 from this group of undead remain—the Nistarim, who are here to watch over the world and protect against the Collectors. Field of Blood follows Gina Lazarescu, a Romanian girl with a scarred past who has no idea she is being sought by these undead. Gina realizes her future

will depend on her understanding of the past, yet how can she protect herself from Collectors who have already died once but still live? Gina's journey continues in *Haunt of Jackals*. The Nistarim and the Collectors are after a single target—a boy named Pavel who may possess the key to the Collectors' unlimited power . . . or ultimate downfall. Gina has survived one battle with the undead already and is determined to protect Pavel at all costs. But she has no idea how long she can stay a step ahead of the Collectors. In the final installment of the Jerusalem's Undead Trilogy—*Valley of Bones*—readers will witness an epic showdown of a battle between good and evil that started with the suicide of Judas Iscariot. Gina Lazarescu's life has been on a collision course with the Akeldama Collectors. She knows she can't defeat them on her own, though, and that it will take the combined efforts of all Those Who Resist for this living evil to be stopped.

The essays collected in this volume form a

multifaceted discourse on religious, philosophical, historical, ethnocultural and sociocultural, literary and linguistic issues. A multicultural approach to the problem of the soul allows the presentation of it on a microscale, focused on national and regional specificity, as well as on the macroscale, oriented toward universal values which can be observed in the cultures of peoples distant from each other in both time and space. The book consists of 28 chapters, addressing the fundamental themes of human existence, which find expression in cultural texts in both colloquial and artistic language, and which have a prominent place in anthropological, psychological, metaphysical and theological debates.

The story of William Carey and his ministry in the Indian sub-continent in the late eighteenth and early nineteenth centuries has been told and retold many times. It captured the imagination of untold numbers of evangelicals in his own day, sparked the formation of a host of missionary societies and generally initiated what has been termed the modern missionary movement. What is often forgotten, however, is that Carey did not set out alone, nor would his ministry or that of his colleagues in India have been

possible without the faithful support over many years of a circle of friends back at home. As one of these men later recalled, when they contemplated the possibility of a mission to India they thought of it in terms of a gold-mine. Carey said that he was prepared to 'venture to go down' the mine to explore its possibilities but, he told his close friends, Andrew Fuller, John Sutcliff and John Ryland, they 'must hold the ropes'. This book is a tribute to that circle of loyal friends, who saw themselves as being so closely bound together that they were all 'of one heart and one soul', and in particular to one of them, John Sutcliff, the pastor of the church at Olney which originally set apart Carey for the ministry. As well as remaining a lifelong friend of Carey, he was one of the founders of the Baptist Missionary Society, one of the joint authors of the Prayer Call which initially led to the interest in overseas missions and a faithful pastor and teacher in whose home many candidates for the ministry, both at home or abroad, received valuable training for the work to which they were called. America's number-one provider of dialysis treatment, DaVita treats its patients and employees like family members. •InRETURN (Cincinnati), a company that intentionally employs those with brain injuries and other neurological challenges •World Wide Technology (St.Louis), the largest African-American-owned business in the nation, which thrives on biblical principles of fairness and caring •Starkey Laboratories (St.Paul/Minneapolis), whose employees travel to remote places to provide more than
