God Is Able Hutchinson Radius

The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In *One in a Million*, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land!

The Artist's Journey MIT Press (MA)

Don't let a business or idea failure get you down! As long as you keep your head down and plow forward, success will eventually come to you; you create your own success. I have started several companies, each building on the last. These companies have progressively grown in size, resulting in the last one grossing half a million dollars. I do not consider myself successful though, and I know the next venture will be even bigger and better yet. This book outlines lessons I learned through experience; lessons that are critical to success. If you are a perspective or new entrepreneur, have started a business and are burning out, or have started and failed in your first, second, or tenth venture, this book shows you are not alone and will surely help get you back on track toward success.

A Journey Lifeway Church Resources

We all encounter times when our spirit feels dry, when doubt looms. The opportunity to tour Israel came at a good time. For months, my life has been a mindless plodding through necessary routine, as monotonous as an all-night shift on an assembly line. Life gets that way sometimes, when nothing specific is wrong but the world around us seems drained of color. Even my weekly worship experiences and daily quiet times with God have felt as dry and stale as last year's crackers. I'm ashamed to confess the malaise I've felt. I have been given so much. Shouldn't a Christian's life be an abundant one, as exciting as Christmas morning, as joyful as Easter Sunday? With gripping honesty, Lynn Austin pens her struggles with spiritual dryness in a season of loss and unwanted change. Tracing her travels throughout Israel, Austin seamlessly weaves events and insights from the Word . . . and in doing so finds a renewed passion for prayer and encouragement for her spirit, now full of life and hope.

Journey University of Chicago Press

In *Leading Matters*, current Chairman of Alphabet (Google's parent company), former President of Stanford University, and "Godfather of Silicon Valley," John L. Hennessy shares the core elements of leadership that helped him become a successful tech entrepreneur, esteemed academic, and venerated administrator. Hennessy's approach to leadership is laser-focused on the journey rather than the destination. Each chapter in *Leading Matters* looks at valuable elements that have shaped

Hennessy's career in practice and philosophy. He discusses the pivotal role that humility, authenticity and trust, service, empathy, courage, collaboration, innovation, intellectual curiosity, storytelling, and legacy have all played in his prolific, interdisciplinary career. Hennessy takes these elements and applies them to instructive stories, such as his encounters with other Silicon Valley leaders including Jim Clark, founder of Netscape; Condoleezza Rice, former U.S. Secretary of State and Stanford provost; John Arrillaga, one of the most successful Silicon Valley commercial real estate developers; and Phil Knight, founder of Nike and philanthropist with whom Hennessy cofounded Knight-Hennessy Scholars at Stanford University. Across government, education, commerce, and non-profits, the need for effective leadership could not be more pressing. This book is essential reading for those tasked with leading any complex enterprise in the academic, not-for-profit, or for-profit sector.

One Heartbeat Away Rumour Books India

Hiking 2,159 miles from Georgia to Maine was not my idea...I was not a lost youth searching for an identity. I was not retired and looking for a new way to spend my time. I was not sorting through death or divorce. I was not recently fired from a job. The truth is, my boyfriend asked me on a date. So begins the story of one young woman's journey along the legendary Appalachian Trail. What starts as a date turns into the experience of a lifetime as Adrienne Hall faces blinding snowstorms, flooded rivers, and seemingly endless mountaintops. Yet despite the physical and mental hardships, she finds her commitment to her hiking companion and the AT experience growing with every mile. When she emerges from her trip - a million footsteps, countless candy bars, and one engagement proposal later - Adrienne has lived an adventure that few will ever know. Written with warmth, insight, and a keen sense of observation, *A Journey North* is a personal story about discovering what it means to hike the amazing corridor of wilderness that is the Appalachian Trail. (6 x 9 1/4, 224 pages, case bound)

One in a Million Baker Books

Anthony C. Yu's translation of *The Journey to the West*, initially published in 1983, introduced English-speaking audiences to the classic Chinese novel in its entirety for the first time. Written in the sixteenth century, *The Journey to the West* tells the story of the fourteen-year pilgrimage of the monk Xuanzang, one of China's most famous religious heroes, and his three supernatural disciples, in search of Buddhist scriptures. Throughout his journey, Xuanzang fights demons who wish to eat him, communes with spirits, and traverses a land riddled with a multitude of obstacles, both real and fantastical. An adventure rich with danger and excitement, this seminal work of the Chinese literary canon is by turns allegory, satire, and fantasy. With over a hundred chapters written in both prose and poetry, *The Journey to the West* has always been a complicated and difficult text to render in English while preserving the lyricism of its language and the content of its plot. But Yu has successfully taken on the task, and in this new edition he has made his translations even more accurate and accessible. The explanatory notes are updated and augmented, and Yu has added new material to his introduction, based on his original research as well as on the newest literary criticism and scholarship on Chinese religious traditions. He has also modernized the transliterations included in each volume, using the now-standard Hanyu Pinyin romanization system. Perhaps most important, Yu has made changes to the translation itself in order to make it as precise as possible. One of the great works of Chinese literature, *The Journey to the West* is not only invaluable to scholars of Eastern religion and literature, but, in Yu's elegant rendering, also a delight for any reader.

A Million Steps Liveright Publishing

On the Oregon trail, a theater troupe strives to reach California After months in the cramped confines of a Conestoga wagon, Fortune Plunkett is dreaming of the life she left behind in Charleston. It was her father's dream to lead his band of actors to California, but he died on the trail. Fortune's only inheritance is a trunk of old costumes, a handful of plays, and a passionate drive to reach the Pacific Ocean, no matter what hardships she might endure along the way. At the time of her father's death, the actors were heading toward an engagement in the little town of Busted Heights—a place that held a fascination for Fortune's father that he never explained. There Fortune meets the greenhorn Jamie Halleck, a naive young man who convinces her to let him join the group. With Jamie onboard, they hit the trail again, ready to reach California and find their destiny. This ebook features an illustrated personal history of Bruce Coville including rare images from the author's collection.

One Foot in Front of the Other Random House Trade Paperbacks

Journey of a Thousand Miles tells the remarkable story of a boy who sacrificed almost everything – family, financial security, childhood and his reputation in China's insular classical music world – to fulfil his promise as a classical pianist. Lang Lang was born in Shenyang in north-eastern China just after the end of the Cultural Revolution. He began piano lessons at three years old and by age ten had been awarded a place at the Central Conservatory of Music in Beijing. In order to continue his studies he moved thousands of miles from home, living with his exacting father in a cramped, shared apartment, while his mother stayed at home to earn the money to pay his fees. At fifteen he moved to the United States to take up a scholarship at the Curtis Institute in Philadelphia; by nineteen he was selling out Carnegie Hall. His tutor and mentor Daniel Barenboim was perhaps the first to describe him as 'extraordinarily talented'; today his assessment is shared by millions. Now in adulthood, Lang Lang tours relentlessly, delighting sell-out audiences with his trademark flamboyance and showmanship. *Journey of a Thousand Miles* is a tale of heartbreak, drama and ultimately triumph. His inspiring story demonstrates the courage and self-sacrifice required to achieve artistic greatness.

On Beyond a Million Penguin

The story of your life never starts at the beginning. Don't they teach you anything at school? So says 104-year-old Ona to the 11-year-old boy who's been sent to help her out every Saturday morning. As he refills the bird feeders and tidies the garden shed, Ona tells him about her long life, from first love to second chances. Soon she's confessing secrets she has kept hidden for decades. One Saturday, the boy doesn't show up. Ona starts to think he's not so special after all, but then his father arrives on her doorstep, determined to finish his son's good deed. The boy's mother is not so far behind. Ona is set to discover that the world can surprise us at any age, and that sometimes sharing a loss is the only way to find ourselves again. "Readers won't be able to resist falling for Ona ... The conclusion will leave them smiling through their tears."—Shelf Awareness "Poignant ... There is much to enjoy in this heartfelt tale of love, loss, and friendship."—Express "A must-read book ... Whimsical and bittersweet."—Good Housekeeping

The Journey to the West, Revised Edition, Volume 1 Open Road Media

Imagine all of your muscles going into spasm, and being unable to move a single part of your body. Imagine being in excruciating pain. Then imagine how it feels when the doctors tell you they don't know what's wrong. And they don't even believe you... It took six years before Jacqui Atkinson was diagnosed with Stiff Person Syndrome, a very rare neurological disorder which affects just one in a million people. This is a remarkable story of courage, of faith, and most of all a story of love. This is Jacqui's story. She is one in a million.

One in a Million - Bible Study Book Infinity Publishing (PA)

"Readers will be captivated by this beautifully written novel about young people who must use their instincts and grit to survive. Padma infuses her story with hope and bravery that will inspire readers."--Aisha Saeed, author of the New York Times Bestseller *Amal Unbound* Four determined homeless children make a life for themselves in Padma Venkatraman's stirring middle-grade debut. Life is harsh on the teeming streets of Chennai, India, so when runaway sisters Viji and Rukku arrive, their prospects look grim. Very quickly, eleven-year-old Viji discovers how vulnerable they are in this uncaring, dangerous world. Fortunately, the girls find shelter--and friendship--on an abandoned bridge that's also the hideout of Muthi and Arul, two homeless boys, and the four of them soon form a family of sorts. And while making their living scavenging the city's trash heaps is the pits, the kids find plenty to take pride in, too. After all, they are now the bosses of themselves and no longer dependent on untrustworthy adults. But when illness strikes, Viji must decide whether to risk seeking help from strangers or to keep holding on to their fragile, hard-fought freedom.

Half a Million Dollars HarperCollins

New York Times best-selling author Shirer (*The Resolution for Women*) brings her most popular speaking topic to print, working from Ephesians 3:20-21 to show how God is our solid rock in life's most trying times.

Not One in a Million Stanford University Press

Kurt Koontz thought he was well prepared for his 490-mile walking trip on the historic Camino de Santiago pilgrimage route in Spain. He was fit and strong. He had a good guidebook and all the right equipment. His pilgrim passport would grant him access to the shelter of hostels along the way. But all that, however helpful, did not begin to encompass the grandeur of his external or internal

adventure. A Million Steps climbs over the high meadows of the Pyrenees, quests through the unceasing wind of the Meseta, and dances in the rains of Galicia. While following the yellow arrows that mark the route, Koontz also navigates through his personal history of addiction, recovery, and love. With outgoing humor and friendliness, he embraces the beauty of the countryside and joyful connections to other pilgrims from around the world. Part diary, part travelogue, A Million Steps is a journey within a journey all the way to the Cathedral de Santiago de Compostela and beyond.

The Heroine with 1001 Faces Indiana University Press

Shares the influential architect's account of a 1911 trip through central and eastern Europe and includes sketches he made along the way.

Journey to the East Other Press, LLC

Professor X and his dog, Y, teach kids how to count exponentially by powers of 10 (1, 10, 100, 1,000, 10,000, etc.), beginning at 1 and working all the way up to a googol (a 1 followed by 100 zeros) and beyond. Children fascinated by large numbers will be amazed how quickly they can count to really BIG numbers, and they'll also find answers to questions like "What comes after a trillion?" or "What's the biggest number in the world?" Real-life examples provide plenty of fun facts, such as how much popcorn Americans eat in one year, or how many hairs are on a square inch of a person's head. Along with the fun comes some powerful learning, as this unique counting book helps kids understand our number system, which is based on multiples of 10.

More Myself Penguin

The story of a man who used nothing but his skills, values and determination to achieve his dreams. From the sleepy village of Lailunga to the heart of Raipur, NOT ONE IN A MILLION follows the journey of OP Singhanian. His journey is one that anyone can relate to, because it proves one of the core tenets of our nation — that, given the will to succeed and the courage to dream, anyone can be successful in their life. O.P Singhanian reveals the secrets from his early life and his professional career - the effort, hardship, fortitude, luck and tenacity that eventually led him to become one of the leading Chartered Accountant of Central India. The recounting of this emotional yet sentimental odyssey includes his parents, teachers, family, relatives and other influential characters, offering a tribute to all of them. This book not only provides an inspirational tale of achieving one's dream against all odds, but also offers a fascinating glimpse into the lives of citizens in Lailunga, Raigarh, Kolkata and Raipur. Compassionate, dramatic and deeply moving NOT ONE IN A MILLION takes readers to the root of human behaviour. OP Singhanian uses his life, experiences, victories and struggles to chalk out a roadmap for readers to achieve their own professional and personal goals.

Journey is for Coelho fans and anyone seeking a space for discovery and inspiration. Paulo Coelho has sold over 230 million copies of his books, in 81 different languages in more than 170 countries across the world.

She's One in a Million Flatiron Books

NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • The Pulitzer Prize-winning author of *The Looming Tower*—and a Texas native—takes us on a journey through the most controversial state in America. • "Beautifully written.... Essential reading [for] anyone who wants to understand how one state changed the trajectory of the country." —NPR Texas is a red state, but the cities are blue and among the most diverse in the nation. Oil is still king, but Texas now leads California in technology exports. Low taxes and minimal regulation have produced extraordinary growth, but also striking income disparities. Texas looks a lot like the America that Donald Trump wants to create. Bringing together the historical and the contemporary, the political and the personal, Texas native Lawrence Wright gives us a colorful, wide-ranging portrait of a state that not only reflects our country as it is, but as it may become—and shows how the battle for Texas's soul encompasses us all.

The Lincoln Highway B&H Publishing Group

In the Arms of Grace is the powerful story of a modern woman warrior and her battle for physical, emotional and spiritual victory. As a Vietnamese and an American, she provides a link between the two nations through her life experiences. From her days as an orphan in Vietnam, when she sang and danced for American G.I.s, to her "ideal" life of having it all in the United States, LeChristine Hai constantly searched for love, security and belonging. Her "rags to riches" story shows the underside of the "American Dream." Enduring years of emotional and sexual abuse at the hands of her adoptive American father, LeChristine ultimately refuses to be a victim and transforms her life. She takes charge of her own life and becomes a successful business woman, only to discover that she still must confront the pain of abandonment in order to find true peace. When LeChristine Hai's soul search leads her to a reunion with her lost and found Vietnamese mother and sister, she comes full circle and learns how to heal the personal wars within. As she embraces her authentic self, she also opens her heart and life to reveal the healing power of love and courage.
