NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-

the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Aces Up Worthy Books

The second book of Lauren Barnholdt's exiting Moment of Truth series: three books, three girls, one life-changing senior trip. When the email arrived in Quinn Reynolds's in box on the morning of her flight to Florida, she sent it straight to her trash folder. The last thing Quinn needed was to be reminded of the pact she made with her ex – best friends—the one where she promised she would do something crazy before graduation. But that was before everything on the trip went wrong. Now, after a lifetime of playing it safe, Quinn figures that she might as well get a little wild...after all, what does she have to lose? When Abram, a local boy she met on the beach, asks her to hang out, she says yes. But while a vacation romance could be the best way to fulfill the pact, it might be the worst thing for her heart.... Each book in this trilogy is told from the perspective of a different girl—Lyla, Aven, and Quinn—former best friends who, back in freshman year, wrote emails to their future selves about the one thing they hope to accomplish before they graduate. Over the course of the series, each

girl will learn about life, love, and the truth about the fight that ended their perfect friendship.

Right of Way Harlequin

Two years ago, when Eliza Sellman was in ninth grade, her dad found out he was being transferred and the family was going to move. Having always been shy and not so confident about her body, Eliza took that opportunity to start a list in her private notebook of all the things she planned on doing when she moved but had always been afraid to--like wearing a miniskirt and asking guys to dance; singing karaoke in front of strangers; posting a photo of herself on her Facebook wall in a bikini...you get the idea. New town, new Eliza, right? Well, she'll never know because the transfer fell through and they didn't move. But Eliza kept adding her goals and secret fears to the list in the notebook. Now it's two years later, and in that time Eliza has had and lost her first boyfriend. But this was more than your average breakup...turns out the sweet and cute Cooper was only dating her as a hazing stunt by a secret society. Eliza got her revenge by posting some pretty nasty (and only sort-of true) stuff about Cooper online.

That posting has had major consequences and now Cooper and

---

his buddies have stolen her private notebook and won't give it back until she performs all the things on her list in one night. It's torture...until Eliza steals something from the boys she knows they'll want to trade her notebook for. What starts out as a night of humiliation turns into a night of revelations as Eliza learns what Cooper was really thinking when they dated, the real reason he's stolen her notebook, and how freeing--and life-changing--it can be to do the things you fear the most.

This Changes Everything Simon and Schuster

“ Fans of Sarah Dessen, Lauren Myracle, Morgan Matson, and Simone Elkeles will enjoy this story told from both Harper and Penn ’ s points of view, widening the appeal to all teens, not just females ” (VOYA). It starts with a scribbled note in class: I like your sparkle. Harper had casually threaded a piece of blue and silver tinsel through her ponytail in honor of school spirit day. And that carefree, corny gesture is what grabs Penn

Mattingly ’ s eye. Penn—resident heartbreaker of the senior class. Reliably unreliable. Trouble with a capital “ T. ” And okay, smolderingly sexy. Harper ’ s surprised by Penn ’ s attention—and so is Penn. The last thing he needs is a girlfriend. Or even a friend-with-benefits. The note is not supposed to lead to anything. Oh, but it does. They hang out. They have fun. They talk. They make out. And after a while, it seems like they just click. But Penn and Harper have very different ideas about what relationships look like, in no small part because of their very different family backgrounds. Of course they could talk about these differences—if Penn knew how to talk about his feelings. Harper and Penn understand their attraction is illogical, yet something keeps pulling them together. It ’ s like a crazy roller coaster—exhilarating, terrifying, and amazing all at once. And neither knows how to stop the ride...
