another answer the question “ How can I be a good father when I ’ ve never had one? ” In 2010, former gang leader turned community activist Big Mike Cummings asked UCLA gang expert Jorja Leap to co-lead a group of men struggling to be better fathers in Watts, South Los Angeles, a neighborhood long burdened with a legacy of racialized poverty, violence, and incarceration. These men, black and brown, from late adolescence to middle age, are trying to heal themselves and their community, and above all to build their identities as fathers. Each week, they come together to help one another answer the question “ How can I be a good father when I ’ ve never had one? ” Project Fatherhood follows the lives of the men as they struggle with the pain of their own losses, the chronic pressures of poverty and unemployment, and the unquenchable desire to do better and provide more for the next generation. Although the group begins as a forum for them to discuss issues relating to their roles as parents, it slowly grows to mean much more: it becomes a place where they can share jokes and traumatic experiences, joys and sorrows. As the men repair their own lives and gain confidence, the group also becomes a place for them to plan and carry out activities to help the Watts community grow as well as thrive. By immersing herself in the lived experiences of those working to overcome their circumstances, Leap not only dramatically illustrates the realities of fathers trying to do the right thing, but she also paints a larger sociological portrait of how institutional injustices become manifest in the lives of ordinary people. At a time in which racial justice seems more elusive than

reading a book.

What an inventive

and startling  
writer...I'm so  
glad I read this. I  
really think this  
book is  
remarkable.”

—David Sedaris

From “a  
formidably gifted  
writer” (The New  
York Times Book  
Review), a book  
that asks: Is there  
life after the  
internet? As this  
urgent, genre-  
defying book  
opens, a woman  
who has recently  
been elevated to  
prominence for  
her social media  
posts travels  
around the world  
to meet her  
adoring fans. She  
is overwhelmed  
by navigating the  
new language and  
etiquette of what  
she terms “the  
portal,” where she  
grapples with an

---

unshakable conviction that a vast chorus of voices is now dictating her thoughts. When existential threats--from climate change and economic precariousness to the rise of an unnamed dictator and an epidemic of loneliness--begin to loom, she posts her way deeper into the portal's void. An avalanche of images, details, and references accumulate to form a landscape that is post-sense, post-irony, post-everything. "Are we in hell?" the people of the portal ask themselves. "Are we all just going to keep doing this until we die?" Suddenly, two texts from her mother pierce the fray: "Something has gone wrong," and "How soon can you get here?" As real life and its stakes collide with the increasingly absurd antics of the portal, the woman confronts a world that seems to contain both an abundance of proof that there is goodness, empathy, and justice in the universe, and a deluge of evidence to the contrary. Fragmentary and omniscient, incisive and sincere, *No One Is Talking About This* is at once a love letter to the endless scroll and a profound, modern meditation on love, language, and human connection from a singular voice in American literature.

Penguin Books  
 United Nations  
 Champion of the Earth, climate scientist, and evangelical Christian  
 Katharine Hayhoe changes the debate on how we can save our future in this nationally bestselling "optimistic view on why collective action is still possible—and how it can be realized" (*The New York Times*). Called

---

“ one of the nation ’ s most effective communicators on climate change ” by The New York Times, Katharine Hayhoe knows how to navigate all sides of the conversation on our changing planet. A Canadian climate scientist living in Texas, she negotiates distrust of data, indifference to imminent threats, and resistance to proposed solutions with ease. Over the past fifteen years Hayhoe has found that the most important thing we can do to address climate change is talk about it—and she wants to teach

you how. In *Saving Us*, Hayhoe argues that when it comes to changing hearts and minds, facts are only one part of the equation. We need to find shared values in order to connect our unique identities to collective action. This is not another doomsday narrative about a planet on fire. It is a multilayered look at science, faith, and human psychology, from an icon in her field—recently named chief scientist at The Nature Conservancy. Drawing on interdisciplinary research and personal stories, Hayhoe shows

that small conversations can have astonishing results. *Saving Us* leaves us with the tools to open a dialogue with your loved ones about how we all can play a role in pushing forward for change.

*It Starts with Us*  
Bloomsbury Publishing USA

In this “ brave and heartbreaking novel that digs its claws into you and doesn ’ t let go, long after you ’ ve finished it ” (Anna Todd, *New York Times* bestselling

---

author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit,

---

her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down ” (USA TODAY). *The World Without Us* Ballantine Books Nothing interests Maman today, not even Jean, her favorite child ...

She acts dumb, bewitched, like a goat that the neighborhood children have fed sorghum beer.' These extraordinary stories centre on African conflicts as seen through the eyes of children and describes their resilience and endurance in heartbreaking detail. From child trafficking to inter-religious conflicts, Uwem Akpan reveals in beautiful prose the resilience and endurance of children faced with the harsh consequences of deprivation and terror.

The Daily Show (The Book) Tor Teen  
The instant #1 New York Times bestseller! “It's the best memoir I've ever read.” —Oprah Winfrey  
“Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma.” —USA Today  
Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most

---

dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest	movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will	can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller <i>The Subtle Art of Not Giving a F*ck</i> , Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all
--	---	--

---

the way home.

The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

### What If It's Us

HarperCollins Before It Ends with Us, it started with Atlas. Colleen Hoover tells fan favorite Atlas 's side of the story and shares what comes next in this long-anticipated sequel to the "glorious and touching" (USA TODAY) #1 New York

Times bestseller life—and Atlas It Ends with Us. Corrigan is the Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, Atlas, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when Atlas asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her

one man he will hate being in his ex-wife and daughter ' s life. Switching between the perspectives of Lily and Atlas, It Starts with Us picks up right where the epilogue for the "gripping, pulse-pounding" (Sarah Pekkanen, author of Perfect Neighbors) bestselling phenomenon It Ends with Us left off. Revealing more about Atlas ' s past and following Lily as she embraces a second chance

Huda, the middle child, determined to follow in her sister ’ s footsteps. And lastly, their estranged son, Amar, who returns to the family fold for the first time in three years to take his place as brother of the bride. What secrets and betrayals have caused this close-knit family to fracture? Can Amar find his way back to the people who know and love him best? A Place for Us takes us back to the beginning of this family ’ s life: from the bonds that

of the Best Books of the Year: Washington Post • NPR • People • Refinery29 • Parade • BuzzFeed “ Mirza writes with a mercy that encompasses all things. ” —Ron Charles, Washington Post Hailed as “ a book for our times ” (Christiane Amanpour), A Place for Us is a deeply moving and resonant story of love, identity, and belonging. As an Indian wedding gathers a family back together, parents Rafiq and Layla must reckon with the choices their children have made. There

---

bring them together, to the differences that pull them apart. All the joy and struggle of family life is here, from Rafiq and Layla's own arrival in America from India, to the years in which their children—each in their own way—tread between two cultures, seeking to find their place in the world, as well as a path home. *A Place for Us* is a book for our times: an astonishingly tender-hearted novel of identity and belonging, and a resonant portrait of what it means to be an American family today. It announces Fatima

Farheen Mirza as a major new literary talent. *One of Us Is Next* House of Anansi A study of what would happen to Earth if the human presence was removed examines our legacy for the planet, from the objects that would vanish without human intervention to those that would become long-lasting remnants of humankind. *Save the Cat Twelve*

From the critically acclaimed author of *The 25th Hour* and *When the Nines Roll Over* and co-creator of the HBO series *Game of Thrones*, a captivating novel about war, courage, survival — and a remarkable friendship that ripples across a lifetime. During the Nazis' brutal siege of Leningrad, Lev Beniov is arrested for looting and thrown into the same cell as a handsome

---

<p>deserter named Kolya. Instead of being executed, Lev and Kolya are given a shot at saving their own lives by complying with an outrageous directive: secure a dozen eggs for a powerful Soviet colonel to use in his daughter ' s wedding cake. In a city cut off from all supplies and suffering unbelievable deprivation, Lev and Kolya embark on a hunt through the dire</p>	<p>lawlessness of Leningrad and behind enemy lines to find the impossible. By turns insightful and funny, thrilling and terrifying, the New York Times bestseller City of Thieves is a gripping, cinematic World War II adventure and an intimate coming-of-age story with an utterly contemporary feel for how boys become men. The Angel of Grozny Random House</p>	<p>A harrowing and thorough account of the massacre that upended Norway, and the trial that helped put the country back together On July 22, 2011, Anders Behring Breivik detonated a bomb outside government buildings in central Oslo, killing eight people. He then proceeded to a youth camp on the island of Ut ø ya, where he killed sixty-nine more, most of them teenage members of Norway's governing Labour Party. In</p>
--	---	---

---

One of Us, the journalist Åsne Seierstad tells the story of this terrible day and what led up to it. What made Breivik, a gifted child from an affluent neighborhood in Oslo, become a terrorist? As in her bestseller *The Bookseller of Kabul*, Seierstad excels at the vivid portraiture of lives under stress. She delves deep into Breivik's troubled childhood, showing how a hip-hop and graffiti aficionado became a right-wing activist and Internet game addict, and then an entrepreneur, Freemason, and self-styled master warrior who sought to "save Norway" from the threat of Islam and multiculturalism. She writes with equal intimacy about Breivik's victims, tracing their political awakenings, aspirations to improve their country, and ill-fated journeys to the island. By the time Seierstad reaches Utøya, we know both the killer and those he will kill. We have also gotten to know an entire country—famously peaceful and prosperous, and utterly incapable of protecting its youth. Say You're One Of Them

Delacorte Press

From the author  
of One of Us Is  
Lying comes a  
brand-new pulse-  
pounding thriller.  
It's Ferris  
Bueller's Day Off  
with murder  
when three old

friends relive an  
epic ditch day,  
and it goes  
horribly—and  
fatally—wrong.  
Ivy, Mateo, and  
Cal used to be  
close. Now all  
they have in  
common is  
Carlton High and  
the beginning of a  
very bad day.  
Type A Ivy lost a  
student council  
election to the  
class clown, and  
now she has to  
face the school,  
humiliated.  
Heartthrob Mateo  
is burned out from  
working two jobs  
since his family's  
business failed.  
And outsider Cal  
just got stood up .  
. . . again. So when  
the three  
unexpectedly run  
into each other,  
they decide to  
avoid their

problems by  
ditching. Just the  
three of them, like  
old times. Except  
they've barely  
left the parking lot  
before they run  
out of things to  
say. . . . . until  
they spot another  
Carlton High  
student skipping  
school—and follow  
him to the scene  
of his own  
murder. In one  
chance move,  
their day turns  
from dull to  
deadly. And it's  
about to get  
worse. It turns  
out Ivy, Mateo,  
and Cal still have  
some things in  
common...like a  
connection to the  
dead kid. And  
they're all hiding  
something. Could  
it be that their  
chance  
reconnection
