From the New York Times bestselling author of Sepulchre and Labyrinth-a compelling story of love, ghosts and remembrance. World War I robbed England and France of an entire generation of friends, lovers and futures. In Freddie Watson's case, the battlefields took his beloved brother and, at times, his peace of mind. In the winter of 1928, still seeking some kind of resolution, Freddie is travelling through the beautiful but forbidding French Pyrenees. During a snowstorm, his car spins off the mountain road. Freezing and dazed, he stumbles through the woods, emerging in a tiny village, where he finds an inn to wait out the blizzard. There he meets Fabrissa, a lovely young woman also mourning a lost generation. Over the course of one night, Fabrissa and Freddie share their stories. By the time dawn breaks, Freddie will have unearthed a tragic mystery that goes back through the centuries, and discovered his own role in the life of this old remote town. By turns thrilling, poignant, and haunting, this is a story of two lives touched by war and transformed by courage.

Matsuo Basho (1644-94) is considered Japan's greatest haiku poet. *Narrow Road to the Interior* (Oku no Hosomichi) is his masterpiece. Ostensibly a chronological account of the poet's five-month journey in 1689 into the deep country north and west of the old capital, Edo, the work is in fact artful and carefully sculpted, rich in literary and Zen allusion and filled with great insights and vital rhythms. In *Basho's Narrow Road: Spring and Autumn Passages*, poet and translator Hiroaki Sato presents the complete work in English and examines the threads of history, geography, philosophy, and literature that are woven into Basho's exposition. He details in particular the extent to which Basho relied on the community of writers with whom he traveled and joined in linked verse (renga) poetry sessions, an example of which, *A Farewell Gift to Sora*, is included in this volume. In explaining how and why Basho made the literary choices he did, Sato shows how the poet was able to transform his passing observations into words that resonate across time and culture.
