" Only the strong survive " is a not quite the way natural selection works, unless we use " strength " very loosely to mean " well adapted to thriving in their environment " . FACT : One of the most common adaptations of an organism is symbiosis when two organisms work together to better adapt to an environment.

#### Only the Strongest Will Survive - Wikipedia

Only the Strongest Will Survive is the second studio album by British rock band Hurricane #1. It was released on 21 April 1999. All songs were written by Andy Bell except "What Do I Know?" by Alex Lowe. It made number 55 in the UK album charts, and the top 20 in Japan. The band attempted a different musical approach with this album, with a heavier influence of electronic sounds, drum machines and sampling. Remixers were approached to provide the many remixes of songs from this album.
