As the title implies this book is indeed a
chronicle of an adventurous life. Told in a
narrative fashion, this biographical book
takes the reader on a five-decade journey
from communist Hungary to a Miami Beach
retirement. Stephan, the book's main
subject, had experienced various incidents,
events, affairs, romantic entanglement and
dangerous episodes throughout three
continents. Luck and providence may have
saved him from the not so safe parts of
these occurrences. Stephan's eventful life
provided him with ample joy and sadness,
and of course with enough happiness and
disappointments. His less than flawless
character may have been the quintessential
'good, bad and ugly' in most of the
circumstances, but was never boring and
never felt sorry for himself. Stephan's
intrepid approach to life is often reckless
and heedless yet it is always confident and
resilient. The reader might find his life story
riveting and perhaps entertaining as well.
