Pearson Learning Solutions will partner with you to create a completely bespoke technology solution to your course's specific requirements and needs. Develop websites just for your course, acting as a bespoke 'one-stop shop' for you and your students to access eBooks, MyLab or Mastering courses, videos and your own original material. *Operating Systems Principles Design and Implementation ...*

In this succinct text, authors Bic and Shaw respond to the major shift from single-processor to distributed and parallel computer systems. Their book is the first of its kind to integrate those

fundamental ideas, principles and concepts that remain constant in both centralized and distributed computing even as new and more advanced systems are introduced.
