Oracle Database Online Documentation 11g Release 2 (11.2)

For this
installation, you
need either the
DVDs or a
downloaded
version of the
DVDs. In this
tutorial, you
install from the
downloaded
version. From
the directory
where the DVD
files were
unzipped, open
Windows
Explorer and
double-click on

setup.exe from
the \db\Disk1
directory. 2. The
product you want
to install is

Oracle Database
11g.

If I do first time installation which is the best option to select. First identify which version you want to install! 11g is getting old, maybe worth to think at 12c directly. Depends on your architecture. As Christian said Enterprise is maybe

except if you have a very special need that would justify software only.
