Snapshot, reviewers' comments: Organizations and individuals that behave ethically enjoy a commanding and enduring lead in achieving success ...This book should be mandatory reading for every corporate officer and employee...a practical application of real-world experience...a valuable addition to the ethics discussion. Excerpt: Ethics--or its lack-- sticks its multi-faceted nose into just about every interpersonal activity, or it could and should. But, unfortunately, not everyone understands and practices this truism, and all too few of the folks who lead our institutions are aware of the need for ethics and have made ethical practices an integral part of their everyday activities, although we daresay that most or all say that they do, which of course is lying and, obviously, unethical. So, if ethical behavior is widely thought to be needed and is beneficial to individuals and institutions, why doesn't everyone practice it all the time? The answer is deceptively simple: too many people, unfortunately and to their own detriment, are unaware, aka ignorant, of the need for or positive consequences of ethical behavior. On the other side of that same coin, too many people, unfortunately and to their own detriment, are blissfully unaware of the negative consequences of unethical behavior, blinded as they could be by selfishness, greed, and the need for control over others. The operative words are unfortunately and to their own detriment.

Never Quit Until You Win Zondervan

David J. Keyser, Ph.D. ** Christian Theology ** This book is about the humanity of Jesus Christ. The Christian Church has neglected this important Christian truth for too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN: 9780615164557 -- Dr. David J. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S., an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. His interests include the humanity of Christ, The Holy Spirit and Biblical fiction.

The Gospel Messenger, #1 Anamchara Books

What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, *Tough Call*, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with

your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. *Tough Call* is an enjoyable and essential read for any and all facing a major decision.

Spartacus Mike Frost

Radical. Crazy. Transformative and restless. Every word we read these days seems to suggest there 's a "next-best-thing," if only we would change our comfortable, compromising lives. In fact, the greatest fear most Christians have is boredom—the sense that they are missing out on the radical life Jesus promised. One thing is certain. No one wants to be "ordinary." Yet pastor and author Michael Horton believes that our attempts to measure our spiritual growth by our experiences, constantly seeking after the next big breakthrough, have left many Christians disillusioned and disappointed. There 's nothing wrong with an energetic faith; the danger is that we can burn ourselves out on restless anxieties and unrealistic expectations. What 's needed is not another program or a fresh approach to spiritual growth; it 's a renewed appreciation for the commonplace. Far from a call to low expectations and passivity, Horton invites readers to recover their sense of joy in the ordinary. He provides a guide to a sustainable discipleship that happens over the long haul—not a quick fix that leaves readers empty with unfulfilled promises. Convicting and ultimately empowering, *Ordinary* is not a call to do less; it 's an invitation to experience the elusive joy of the ordinary Christian life.

Billy Johnson doesn't give it a second thought when he joins in with his friends making fun of a little girl in a wheelchair. Then Pauly comes into his life, and Billy not only learns a valuable lesson about compassion and acceptance but he gets a new best friend! Grades 3-4

Glory in the Ordinary Zondervan

A thief has quietly crept into our churches. This thief has robbed us blind and most of us do not even realize it. Most of what our Lord wants for us has been taken from us by a "spirit of religion". This spirit has caused us to become a self-centered, flesh-serving institution instead of the life-giving, hope-building, Christ-filled Body that Jesus wants to build. Our only hope of reconnecting with our Lord and the culture around us is to return to the Lord Himself. He will build His own Church, with much less help from us than we realize. This book shows the power of restoring the Church by restoring the intimacy of relationship with our Lord and then with the people God has put into our lives.

There are many things in this world the average person cannot see...but a chosen few can. Such is the case with Lala, the five-year-old Mexican-American child at the heart of this unique coming-of-age novel. Divine Sight finds Lala at a critical point in her life, where she is learning how to deal with the different perspectives of her multicultural, multigenerational family and coming to terms with her sixth sense of second sight. Set in the 1950s and spanning both the United States and Mexico, the story is told through a series of vignettes written in Lala's voice. Each chapter casts Lala against a challenging situation and shows how she, with the aid of her family members and otherworldly allies, works to overcome it and becomes more comfortable in her own skin—as a medium between two worlds and two cultures. A truly touching and thoughtful tome, *Divine Sight* explores many common, and uncommon, themes from an encouraging and empowering angle. It speaks volumes about cultural and spiritual understanding and tells a tale of hope and helpfulness that's sure to appeal to open-minded readers who want to better understand and appreciate life's many marvels.

David Werden wants nothing more than to lead a quiet, ordinary life. But his world is turned upside down when an unknown event changes the face of the planet. Realizing he cannot live alone in the ruins of the old world, and compelled by a strange internal force to reach the sea, he sets out on foot, carrying what he can, struggling against the harsh post-apocalyptic environment to search out others who may still be alive. Thrust into the leadership of a band of survivors, David struggles to scratch out the necessities of life while dealing with the staggering destruction and overwhelming sense of loss - and begins to understand the tragic and marvelous events that have occurred to the planet and to humanity itself. Finding love and betrayal, he must fight those who cling to the old world with all their strength and those who wish to stamp out the growing number of people coming to terms with their new levels of perception and insight into the Universal Mind.

Refugia Faith Createspace Independent Pub

The 2011 award-winning publication *The Christian Faith* garnered wide praise as a thorough, well-informed treatment of the philosophical foundations of Christian theology, the classical elements of systematic theology, and exegesis of relevant biblical texts. *Pilgrim Theology* distills the distinctive benefits of this approach into a more accessible introduction designed for classroom and group study. In this book, Michael Horton guides readers through a preliminary exploration of Christian theology in "a Reformed key." Horton reviews the biblical passages that give rise to a particular doctrine in addition to surveying past and present interpretations. Also included are sidebars showing the key distinctions readers need to grasp on a particular subject, helpful charts and tables illuminating exegetical and historical topics, and questions at the end of each chapter for individual, classroom, and small group reflection. *Pilgrim Theology* will help undergraduate students of theology and educated laypersons gain an understanding of the Christian tradition 's biblical and historical foundations. Thank You, Lord ... for All Life's Circumstances ... Xulon Press

What did God use to draw a radical, committed unbeliever to himself? Did God take her to an evangelistic rally? Or, since she had her doctorate in literature, did he use something in print? No, God used an invitation to dinner in a modest home, from a humble couple who lived out the gospel daily, simply, and authentically. With this story of her conversion as a backdrop, Rosaria Butterfield invites us into her home to show us how God can use this same "radical, ordinary hospitality" to bring the gospel to our lost friends and neighbors. Such hospitality sees our homes as not our own, but as God 's tools for the furtherance of his kingdom as we welcome those who look, think, believe, and act differently from us into our everyday, sometimes messy lives—helping them see what true Christian faith really looks like.

Following Aslan Createspace Independent Publishing Platform

After over forty years working in medical professions ranging from orderly to hospital administrator, Louis West thought he knew all there was to know about the healthcare system. But when his wife suffered a massive bi-lateral stroke in 2002, Louis received a crash course in healthcare from the patient and caregiver's point of view. In *Never Quit Until You Win: A Journey of Faith and Medicine*, Louis describes his and Betty's journey through the healthcare and insurance system as he learns to be an advocate and

caregiver for Betty. In this touching and inspirational story, Louis passes on the lessons he and Betty learned, aided by a strong faith in God, as well as many wonderful friends and healthcare professionals. ...".Louis has written a book for all of us to inspire the best in our human nature under the harshest of circumstances. He speaks of how to move from fear to faith and on to fight - a moving tribute to a partner, but also a lesson in humanity." - Edward Fox, MD Louis West has over forty years experience in Hospital Administration and an additional ten years as a medical technologist. He has a BBA from Texas Tech University and a Master of Science in Health Professions from Texas State University. He also is a Life Fellow in the American College of Healthcare Executives. In 2009 he was appointed by the Governor of Texas to serve on the Texas Council on Cardiovascular Disease and Stroke.

Bridge To Healing Createspace Independent Publishing Platform

Michael Horton ' s highly anticipated The Christian Faith represents his magnum opus and will be viewed as one of—if not the—most important systematic theologies since Louis Berkhof wrote his in 1932. A prolific, award-winning author and theologian, Professor Horton views this volume as “ doctrine that can be preached, experienced, and lived, as well as understood, clarified, and articulated. ” It is written for a growing cast of pilgrims making their way together and will be especially welcomed by professors, pastors, students, and armchair theologians. Features of this volume include: (1) a brief synopsis of biblical passages that inform a particular doctrine; (2) surveys of past and current theologies with contemporary emphasis on exegetical, philosophical, practical, and theological questions; (3) substantial interaction with various Christian movements within the Protestant, Catholic and Orthodoxy traditions, as well as the hermeneutical issues raised by postmodernity; and (4) charts, sidebars, questions for discussion, and an extensive bibliography, divided into different entry levels and topics.

The Power of Ethics CreateSpace

A devotion for young readers that shows how "The Chronicles of Narnia" relates to Jesus, the Bible, and to issues faced in everyday life.

The God of the Mundane Crossway

Meet Katie Ball. She's ten years old and definitely going through a rough patch. School is stressful and the future of her family's farm is uncertain. But all that changes, when Katie meets Lady Catherine and her rather mysterious chair. That's when she discovers that she's braver than she thought she was, and that with a little friendship and a lot of divine inspiration, real life is just as exciting as any storybook adventure.

Originally a Brit, Caroline Cienki has fond memories of vacations spent in the rural North of England with her grandparents, where she learned to love the countryside. She now lives in the US, and calls Texas her home along with her husband, two children and three fun-loving doggies. Among her current passions are home-making, travel and spiritual formation. The God Chair is her first children's book.

It's Time Ordinary

Hello. My name is Josh, and I'm a dentist.If you are like me, that simple introduction typically sets off one of several severe reactions. The uncomfortable shuffle as the person you just met tries to get away from you. Or maybe it goes the opposite direction and an emergency exam about tooth whitening ensues.Like you, I decided to pursue this career years ago because I wanted to help people. Like you, I go to the office every day and do many things that are hard to reconcile as actually "helping people."I wrote this book because you and I probably share one distinct fear. You know the one. The one where you sink years of your life, thousands upon thousands of dollars, and many sleepless nights into a profession. The fear that, despite all that effort, you end up a nameless face working for a big box organization that doesn't care about you, your co-workers, or the people you are serving.Dr. Fries-With-That is a book about getting past that fear and finding a new way forward.

Every page offers readers another chance to redirect negative life experiences into a conscious leaning closer to God, who is able to supply you joy when trial persist. Be joyful in hope, patient in affliction, faithful in prayer. Romans

12:12 (NIV)

The God Chair Fortress Press

It's OK to not be a "radical" Christian. Our life is not about what we do for God. It's about what he does for us. You've heard the message. "If you really loved God, you would be totally committed-do something big, sell your belongings, maybe become a missionary." Matt Redmond has preached it himself. But here he simply asks: What about the rest of us? Through stories of pastors, plumbers, dental hygienists, and stay-at-home moms, Matt finds grace and mercy in chicken fingers, classic films, and smiles from strangers. Ultimately, he convicts us of what he has learned himself... There is a God of the mundane, and our life is not about what we do for him. It's about what he does for us.
