## Refugia Faith Zondervan

Is Jesus Christ merely a dead mystical religious figure who lived 2000 years ago or the living risen Messiah sent for the redemption of mankind from the penalty of personal sin? Is Jesus actually able to communicate with you and I today with understandable words in our own language? Is He especially viewable and understandable in the pages, words, and cryptograph of the Holy Bible's Book of Daniel? You the reader are now at the threshold of not only a complete teaching of the entire Book of Daniel, but a threshold of human history unprecedented. Both the great Prophets Daniel and the Apostle John said that in the days just preceding the return of Jesus Christ to set up His Millennial 1000 year Kingdom certain signs would appear on the world stage. Those indicators include: A worldwide international banking system; a

cashless society; a worldwide common currency; computer technology that would monitor financial transactions, social interaction, and international communications; and a satellite communication system that would allow people to view events simultaneous from any television around the world. Let not this study of the Book of Daniel be entered into with fear and trepidation, but with wonder, astonishment and enthusiasm. Allow the Spirit of the Living God to cause the eyes of your understanding to be flooded with light, that you might know the truth and be set free. Best of life to you and yours, Dr. Martin W. Oliver PhD, BCPC

David J. Keyser, Ph.D. \*\*

Christian Theology \*\* This book is about the humanity of Jesus Christ. The Christian Church has

---

neglected this important Christian truth for too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN: 9780615164557 -- Dr. David J. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S., an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. His interests include the humanity of

Christ, The Holy Spirit and Biblical fiction. Divine Sight CreateSpace Thank You Lord is a gift book and journal for busy readers and is focused on looking at life's bad situations as opportunities to grow closer to God. Every page offers readers another chance to redirect negative life experiences into a conscious leaning closer to God, who is able to supply you joy when trial persists. Be joyful in hope, patient in affliction, faithful in prayer. Romans 12:12 (NIV) Restoring the House of God Destiny Image Pubs For the Spirit, being somewhat forgotten is an occupational hazard. The Holy Spirit is so actively involved in our lives that we can take his presence for granted. As they say, familiarity breeds

---

contempt. Just as we take breathing for granted, we can take the Holy Spirit for granted simply because we constantly depend on him. Like the cane that soon feels like an extension of the blind man's own body, we too easily begin to think of the Holy Spirit as an extension of ourselves. Yet the Spirit is at the center of the action in the divine drama from Genesis 1:2 all the way to Revelation 22:17. The Spirit's work is as essential as the Father's and the Son's, yet the Spirit's work is always directed to the person and work of Christ. In fact, the efficacy of the Holy Spirit's mission is measured by the extent to which we are focused on Christ. The Holy Spirit is the

person of the Trinity who brings the work of the Father, in the Son, to completion. In everything that the Triune God performs, this perfecting work is characteristic of the Spirit. In *Rediscovering the Holy Spirit*, author, pastor, and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit, showing that the work of God's Spirit is far more ordinary and common than we realize. Horton argues that we need to take a step back every now and again to focus on the Spirit himself—his person and work—in order to recognize him as someone other than Jesus or ourselves, much less something in creation. Through this contemplation we can gain a fresh

---

dependence on the Holy Spirit in every area of our lives.

*Rediscovering the Holy Spirit* CreateSpace

Folding laundry. Weeding the garden. Cooking dinner. Changing diapers. Work in the home can seem so ordinary. Does any of it matter? Is there meaning in our most mundane moments at home? When the work of the home fills our days, it is easy to get disillusioned and miss God's grand purpose for our work. As image bearers of the Creator who made us to work, we contribute to society, bringing order out of chaos and loving God through loving others—meaning there's glory in every moment. In this encouraging book,

Courtney Reissig combats the common misconceptions about the value of at-home work—helping us see how Christ infuses purpose into every facet of the ordinary.

**Core Christianity** Knowthis Media

The 2011 award-winning publication *The Christian Faith* garnered wide praise as a thorough, well-informed treatment of the philosophical foundations of Christian theology, the classical elements of systematic theology, and exegesis of relevant biblical texts. *Pilgrim Theology* distills the distinctive benefits of this approach into a more accessible introduction designed for classroom and group study. In this book, Michael Horton guides readers through a preliminary exploration of Christian theology in “a Reformed key.” Horton reviews the biblical passages

---

that give rise to a particular doctrine in addition to surveying past and present interpretations. Also included are sidebars showing the key distinctions readers need to grasp on a particular subject, helpful charts and tables illuminating exegetical and historical topics, and questions at the end of each chapter for individual, classroom, and small group reflection. *Pilgrim Theology* will help undergraduate students of theology and educated laypersons gain an understanding of the Christian tradition's biblical and historical foundations.

### Planting God Crossway

Left alone in this world when her father dies, eighteen-year-old Faith Beshert learns that he took an ancient truth to his grave, a truth that would have explained the history of her bloodline and the role it plays in a wager between God and Satan. Faith isn't spiritual or religious. In-fact she doesn't believe in any of it. However, when two angels disguised as

gorgeous young men enter her life and steal her heart, she's exposed to the existence of the other side and a responsibility she's meant to fulfill.

### Ordinary

Michael Horton's highly anticipated *The Christian Faith* represents his magnum opus and will be viewed as one of—if not the—most important systematic theologies since Louis Berkhof wrote his in 1932. A prolific, award-winning author and theologian, Professor Horton views this volume as “doctrine that can be preached, experienced, and lived, as well as understood, clarified, and articulated.” It is written for a growing cast of pilgrims making their way together and will be especially welcomed by professors, pastors, students, and armchair theologians. Features of this volume include: (1) a brief synopsis of biblical passages that inform a particular doctrine; (2) surveys of past and current theologies

---

with contemporary emphasis on exegetical, philosophical, practical, and theological questions; (3) substantial interaction with various Christian movements within the Protestant, Catholic and Orthodoxy traditions, as well as the hermeneutical issues raised by postmodernity; and (4) charts, sidebars, questions for discussion, and an extensive bibliography, divided into different entry levels and topics.

The struggle is real. Sure. But often times we can over-complicate our lives.

Planting God inspires us with a simple idea. God reveals Himself to us so we can plant Him into the lives of people around us. In this valuable book, Derek Schoenhoff shares exciting life-stories, asks thoughtful questions and applies Biblical truth. You will cultivate your knowledge of

God, energize your ability to communicate with Him, unearth powerful principles for your restoration and wholeness, uncover strategies of the enemy in your life, and simplify your calling and purpose. God has made Himself accessible to everyone, but only you can choose to open yourself up to Him.

Whether you have been a Christian for many years, or are just discovering Him, this book will help you on your journey, so you can be passionately Planting God.

Life is full of tough calls and daunting decisions.

The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your

---

way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, *Tough Call*, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than

your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. *Tough Call* is an enjoyable and essential read for any and all facing a major decision.

Radical. Crazy.

Transformative and restless. Every word we read these days seems to suggest there's a "next-best-thing," if only we would change our comfortable, compromising lives. In fact, the greatest fear most Christians have is boredom—the sense that they are missing out on the radical life Jesus promised. One thing is certain. No one wants to be "ordinary." Yet pastor and author Michael Horton believes that our attempts to measure our spiritual growth by our

experiences, constantly seeking after the next big breakthrough, have left many Christians disillusioned and disappointed. There's nothing wrong with an energetic faith; the danger is that we can burn ourselves out on restless anxieties and unrealistic expectations. What's needed is not another program or a fresh approach to spiritual growth; it's a renewed appreciation for the commonplace. Far from a call to low expectations and passivity, Horton invites readers to recover their sense of joy in the ordinary. He provides a guide to a sustainable discipleship that happens over the long haul—not a quick fix that leaves readers empty with unfulfilled promises. Convicting and ultimately empowering, *Ordinary* is not a call to do less; it's an invitation to

---

experience the elusive joy of the ordinary Christian life. The Gospel Messenger, #1 InterVarsity Press After the collision claimed her mother's life and left her with a memory full of holes, Lilly Noble is sent away to boarding school on the gloomy island of Raven's Landing, Maine. Though feeling exiled and abandoned by her father, she is determined to fill in the blanks the accident left in her mind. When she meets the hypnotically charming and strangely intense Murosky Skaggs, his unnatural curiosity and careful attentions toward her raise her suspicions. His stories don't add up. Lilly's search for the truth beneath his lies causes her life to take a thrilling and terrifying twist. What

she doesn't realize is the closer she gets to revealing his dark secret, the closer she comes to regaining her memory and unmasking her mother's murderer. But something else, something far more sinister is lurking just off the coast. It's been there, waiting for her. Lilly's quest for answers puts her and those around her in mortal danger, and once she starts down that path, there is no turning away from her destiny, if she can survive. Brazos Press There are many things in this world the average person cannot see...but a

---

chosen few can. Such is the case with Lala, the five-year-old Mexican-American child at the heart of this unique coming-of-age novel. *Divine Sight* finds Lala at a critical point in her life, where she is learning how to deal with the different perspectives of her multicultural, multigenerational family and coming to terms with her sixth sense of second sight. Set in the 1950s and spanning both the United States and Mexico, the story is told through a series of vignettes written in Lala's voice. Each chapter casts Lala against a challenging situation and shows how she, with the aid of her family members and otherworldly allies, works to overcome it and

becomes more comfortable in her own skin—as a medium between two worlds and two cultures. A truly touching and thoughtful tome, *Divine Sight* explores many common, and uncommon, themes from an encouraging and empowering angle. It speaks volumes about cultural and spiritual understanding and tells a tale of hope and helpfulness that's sure to appeal to open-minded readers who want to better understand and appreciate life's many marvels.

Tracey was experiencing the most amazing year of her life. After turning 30, she married the man of her dreams, began a new career as an attorney, and learned she was pregnant. Everything was perfect - until it wasn't. On Christmas, two days after the death of her beloved

grandmother, Tracey collapsed on the kitchen floor of her parents' home. Later that evening, she received a stunning diagnosis: terminal brain cancer. In this touching memoir, Tracey talks about her family, her faith, and the fight to save her unborn baby, aided by a special and enduring relationship that transcends living and dying.

**Never Quit Until You**

**Win** P & R Publishing

Based on the Gospel of Matthew, this book is the first of five in the series.

The only reason Luke is even at the church youth overnight event is because his mother convinced him to go after an argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says

---

he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, drugs and even seeing death - - and Luke delivers God's message. He delivers it to a senior pastor of a large church and the pastor doesn't even know he needs the message.
