Why I Love Singlehood Missouri Breaks Press

In this warm, high-spirited contemporary novel from author Elisa Lorello, big love can happen in the smallest of spaces. Skye Littleton said goodbye to her job, her best friend, and her home in Rhode Island to start over in Billings, Montana, with Vance Sandler, a gorgeous guy she met online. On her cross-country flight, Skye shares her happy story with her seatmate, Harvey Wright, a Billings resident who knows Vance--and his reputation for heartbreak. Harvey's infuriating advice to Skye? Go home. When Skye arrives, she discovers that Vance has changed his mind and wants nothing to do with her. Despite the setback, Skye is determined to rebuild her life and begin a new chapter in Montana's largest city, which sometimes feels like a small town. Elisa Lorello's lifelong love affair with Duran Duran began like that of many other fans: staying up late watching MTV, plastering her bedroom walls with glossy posters and magazine pinups, and writing secret stories about someday becoming Mrs. John Taylor. But waiting in the darkness was a life that held more than she bargained for. Battling a negative self-image, self-imposed isolation, and troubled relationships, Elisa eventually unlocked the strength to free her and become the teacher and bestselling novelist she was meant to be. And she discovered that her Duran Duran fandom--and the power of music--was the key. Using her signature blend of humor and heartstring tugging, Elisa transports readers back to a time of synthesizers and shoulder pads, fedoras and Ferris Bueller, leather pants and Live Aid. Much more than a fan letter, *Friends of Mine: Thirty Years in the Life of a Duran Duran Fan* is a collection of stories about growing up in 1980s suburbia. It's about first loves, first losses, divorce, Generation X, family, and friendship--all set to the soundtrack of the original Fab Five.

The night that changes everything... Life for Victoria Lacey should be perfect. And it is—perfectly boring. Agree to marry a lord who has yet to inspire a single, solitary tingle? Why, of course. Smile as though this is not the thousandth time he’s mentioned hounds and hunting? It’s all in a day’s work for the oh-so-proper sister of the Duke of Blackmore. Surely no one would suspect her secret longing for heart-racing, head-spinning passion. Except, perhaps, a dark stranger ... on a terrace ... at a ball where she should definitely not be kissing a man she has only just met. The obsession that leads to ruin... Hatred, not love, drives Lucien Wyatt, Viscount Atherbourne, to tempt the “Flower of Blackmore” into sin. Her brother has done unthinkable damage to Lucien’s family, and he intends to exact revenge in the only way left to him: Ruining his enemy’s sister, then stealing her from Blackmore by making her his own. The woman who will set fire to her husband’s

heart As Lucien carries out his ruthless plan, tutoring his new bride in the finer points of pleasure, her surrender leaves him breathless ... and soon a new obsession awakens—a scandalous fascination with his irresistible wife.

It's no secret that in today's complex world, students face unparalleled demands as they prepare for college, careers, and active citizenship. However, those demands won't be met without a fundamental shift from traditional, teacher-centered instruction toward innovative, student-centered teaching and learning. For schools ready to make such a shift, project-based learning (PBL) offers a proven framework to help students be better equipped to tackle future challenges. Project Based Teachers encourage active questioning, curiosity, and peer learning; create learning environments in which every student has a voice; and have a mastery of content but are also comfortable responding to students' questions by saying, "I don't know. Let's find out together." In this book, Suzie Boss and John Larmer build on the framework for Gold Standard PBL originally presented in *Setting the Standard for Project Based Learning* and explore the seven practices integral to Project Based Teaching: Build the Culture Design and Plan Align to Standards Manage Activities Assess Student Learning Scaffold Student Learning Engage and Coach For each practice, the authors present a wide range of practical strategies and include teachers' reflections about and suggestions from their classroom experiences. This book and a related series of free videos provide a detailed look at what's happening in PBL classrooms from the perspective of the Project Based Teacher. Let's find out together. The Fallow Season of Hugo Hunter Pan Macmillan

After breaking off her engagement, thirty-something Andi Cutrone yields New England to her ex and flees home to Long Island. There, she devotes her time to teaching in the writing program at Brooklyn University and over-analyzing her past failed relationships. But then she meets Devin, a male escort whose client list seems to include at least half of the accomplished women she knows. He is handsome, charismatic, and absolutely out of her league, but she can't deny he has a certain...something. And so Andi makes him a proposition: if he will teach her to shed her sexual inhibitions, she will teach him to be a writer. He agrees, and together they embark upon an intense partnership that proves to be every bit as instructive as it is arousing. For in the midst of lessons in rhetorical theory and foreplay, Andi and Devin delve into deeper questions about truth, beauty, and self, stripping away the emotional walls each has built up. Smart, witty, and introspective, *Faking It* is an engrossing novel about two people discovering their authentic selves.

Fans of the international bestselling *Faking It*, *Ordinary World*, and *She Has Your Eyes* have a new love story to sink their hearts into with this delightful spinoff. Wylie Baker is like almost every other suburban sophomore: she texts with her best friends Roxanne and "Bottsy," is impatient to escape the doldrums of high school, and yearns for a boyfriend. But when Wylie's recently discovered biological father David and his wife, Andi, show up to her '80s-themed Sweet Sixteen costume party, her friends are intrigued by and attracted to the mystery man dressed as a British pop star. Wylie's resistance to dish on him prompts her rival, Christina, to dig up the dirt on her own. A clash with Christina sends Wylie to detention, where she meets Clark Anderson, a cute senior clad in leather jacket and graphic T-shirts, who charms his teachers and takes an instant interest in Wylie. Smart and well read, he insists that they abandon their smartphones for pen and paper. Every correspondence draws them closer, until they are holding hands underneath the desks and stealing kisses in the park. While Christina makes life increasingly difficult for Wylie in and out of school, Wylie's deepening relationship with David and Andi makes trouble for her parents, Janine and Peter, and her sister, Trish. Everyone seems to be hiding something—Clark's inability to let go of his ex-girlfriend, Roxanne and Bottsy's conflicting love interests, and David's reluctance to come clean about his past—and Wylie spins in the whirlpool of it all. Clark's pending graduation threatens Wylie, her impulses threaten all of her relationships, and Christina's revelation about David threatens to blow everything apart. Wylie's only solace may be in the power of the written word.
