Captured at Sea

How is it possible for six men to take a Liberian-flagged
oil tanker hostage and negotiate a huge pay out for the
return of its crew and 2.2 million barrels of crude oil? In
his gripping new book, Jatin Dua answers this question
by exploring the unprecedented upsurge in maritime
piracy off the coast of Somalia in the twenty-first
century. Taking the reader inside pirate communities in
Somalia, onboard multinational container ships, and
within insurance offices in London, Dua connects modern
day pirates to longer histories of trade and disputes over
protection. In our increasingly technological world,
maritime piracy represents not only an interruption, but
an attempt to insert oneself within the world of oceanic
trade. Captured at Sea moves beyond the binaries of
legal and illegal to illustrate how the seas continue to be
key sites of global regulation, connectivity, and
commerce today.
