This book presents new technologies which are available now for the rehabilitation of visual acuity in patients suffering from keratoconus and for arresting the progression of this frustrating disease. All these current treatment options in differing combinations aim to improve the quality of life of the patients and although successful, they are causing confusion for the ophthalmologists; what procedure to do and when? How to perform? Which combination of treatments to choose? Controversies in the Management of Keratoconus provides the widely used treatment options for keratoconus including collagen corneal cross – linking (CXL) covering all the available techniques, intrastromal corneal ring segments (ICRS) , phakic intra-ocular lenses (IOLs), photorefractive keratectomy (PRK) combined or not with CXL penetrating keratoplasty (PK) and deep anterior lamellar keratoplasty (DALK). Each treatment is addressed by more than one author with different points of view in order to present the various approaches, the logic behind them and the most relevant clinical data available. A chapter by the editor tries to put some light on how to navigate among these controversies. This book will be of interest to trainees as well as the specialized ophthalmologists.

Leaving her previous life as a big-money banker behind, Julie now leads a quiet life as the owner of an inn on the island of Heaven's Lake. Her life is a settled one of few surprises – that is until the most handsome man she's ever laid eyes on, who's close to physical perfection, turns up at her inn. His name is Cole, and he immediately steals the show – leaving hearts fluttering and panties melting all across town. Julie can't help but feel afraid of him—she isn't used to dealing with such attractive men. Still, Cole has an eye for Julie, and he's pretty sure she's got her eyes on him, too. He has ideas for her, if he could only get a moment alone with her. With a coastal storm approaching, Julie finds that her inn has emptied out, leaving only one guest—the man she can't help but hunger after. But will Cole find his moment alone with Julie? Will Julie allow herself to succumb to the deeper desires she has? And what will happen when Cole's stay is up? This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.

DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with

young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.

It 's a summer internship. Never mind that the owners are hot. Never mind that there are three of them. Never mind that they are twice her age. Never mind that they have a secret “ play” room in the basement. Never mind that she 's never been more intrigued in her life. She only has three months. No matter how deeply she gets involved, she can 't stay...

Death Waits in the Dark Entangled: Amara

MASTER OF DECEPTION Rugged Special Agent Reese Garrick never expected to find himself posing as a dashing movie star. Nor did he expect to find his dream woman on the steel decks of a naval warship. Lieutenant Jade Parker was gorgeous, though hardly wife material. Besides, his perilous mission hinged on winning her confidence not her heart. Jade had one goal in sight, and it wasn't marriage. If coddling a temperamental actor would get her closer to becoming captain, she would suffer through. But Jade soon realized there was more to sexy, secretive Reese than met the eye. Lifetime ambition aside, she wanted him. And that terrified her more than the danger that was closing in .

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys ' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Eliza Knight's bestselling Scottish historical romance series, The Stolen Bride Series, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish—whichever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

Faith: I'm a waitress in a small town, so when a handsome stranger leaves me a hundred-dollar tip and asks me to meet him at his place, I throw caution to the wind. Sure, I might be abducted or even worse, but what Hunter and I ended up doing in private made it *totally* worth it. Hunter: The minute I saw Faith in that flirty waitress outfit, I lost it. Was I pushy and possessive? Yes. Did I help myself to those curves the minute she stepped through the door? Yes. But there's something strange about Faith because she looks eerily like a woman I used to know. To my horror, she is my ex-wife's daughter . . . but that's not going to stop me from putting a baby in her belly! Hey Readers — Hunter's a pro athlete who had a 6-second marriage back in the day, but it comes back to haunt him when he meets the woman of his dreams. After all, Faith is everything that he wants, but what happens when she shares the DNA of his ex-wife? There is *nothing* realistic about this story, but I promise you'll love it because this is forbidden romance at its best! This book is a follow-up to *Hot Single Daddy*, but all of my books may be read as standalones. No cheating, no cliffhangers, and always a HEA for my readers. Enjoy! Xoxo, Cassie

Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?
