Oregon Scientific Pedometer Pe826 Manual User Manual Oregon Scientific PE320 Pedometer with Distance Calculator measures the distance walked, number of steps taken and features a clock with easy to read two-line LCD display. The PE320 also includes a clock with hour/minute display allowing the user to keep track of the time during an exercise session.

Oregon Scientific Pedometers for sale | eBay Oregon Scientific is always a good bet and true pedometers are becoming more difficult to find

due to the rise of wrist band fitness calculators (which have now been proven, after studies, to register information incorrectly). This is a good working pedometer for walking and getting in your 10k steps everyday. Also reasonably priced.
