Organizational Behavior, Student Value Edition John Wiley & Sons  
Ideal for anyone studying an introductory module in organisational behaviour, Introduction to Organisational Behaviour is a rigorous critique of all essential organisational behaviour topics. A comprehensive book with extensive accompanying online resources makes this a must-have package for anyone wanting to understand the theory and practice of organisational behaviour. Practitioner case studies, supporting video interviews where solutions and approaches are discussed, review questions at the end of every chapter make this an essential resource. Covering organisational behaviour in the context of individuals, groups and teams and managing organisations as well as the importance of organisational structures and emerging issues, Introduction to Organisational Behaviour gives understanding and guidance on the full spectrum of organisational behaviour issues. Supported by extensive online resources including video interviews, clips of key skills lecture slides, additional tutorial activities and a test bank of multiple choice questions make this a truly integrated print and electronic learning package.  
Organizational Behavior Pearson Education India

For undergraduate and graduate courses in organizational behavior. Help students better understand their behavioral and interpersonal skills. Long considered the standard for all organizational behavior textbooks, Organizational Behavior provides the research you want, in the language your students

understand. This text continues its tradition of making current, relevant research come alive for readers. The Updated 18th Edition has been thoroughly revised to reflect the most recent research and business events within the field of organizational behavior worldwide, while maintaining its hallmark features — a clear writing style, cutting-edge content, and intuitive pedagogy. There's a reason why Robbins' textbooks have educated millions of students and have been translated into twenty languages — and it's because of a commitment that provides the kind of engaging, cutting-edge material that helps students understand and connect with organizational behavior.

Pearson New International Edition Pearson Higher Ed

Robbins: Leading the way in OB Written as an alternative to Robbins' larger Organisational Behaviour text, OB: The Essentials is an applied and focused text that will help your students to quickly grasp the essential elements of OB. In an engaging 13 chapter format, this book retains the fluid writing style, academic rigour and extensive use of examples that are trademark features of the Robbins texts. While there are less chapters, the book continues to provide cutting-edge content that is often missing in other OB books — this is not merely a subset of material from Robbins' Organisational Behaviour text; it was written from the ground up to present all the essential content in a shorter format. This new text will have broad appeal; particularly to visual learners who will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts. New co-author Dr Michael Jones of the University of Wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation, commitment and business operations to the new text. Reviewers and users of the Robbins texts regularly report that they are 'conversational', 'interesting', 'student-friendly' and 'very clear and understandable'. Packed full of pedagogical

features that will engage and stimulate your students, OB: The Essentials will ensure that they are getting a sound understanding of OB. Features such as the 'Applying Knowledge' and 'Student Challenge' boxes prompt students to apply and think strategically about what they have just learnt.

Organization Theory: Structure, Design, And Applications, 3/E John Wiley & Sons

For undergraduate and graduate courses in Organizational Behavior. Help Students Better Understand Their Behavioral and Interpersonal Skills Long considered the standard for all organisational behaviour textbooks, Organizational Behavior provides the research you want, in the language your students understand.

**Organizational Behavior: Required for BUSI 500: Liberty University** Pearson Prentice Hall

There is a strong movement today in management to encourage management practices based on research evidence. In the first volume of this handbook, I asked experts in 39 areas of management to identify a central principle that summarized and integrated the core findings from their specialty area and then to explain this principle and give real business examples of

the principle in action. I asked them to write in non-technical terms, e.g., without a lot of statistics, and almost all did so. The previous handbook proved to be quite popular, so I was asked to edit a second edition. This new edition has been expanded to 33 topics, and there are some new authors for the previously included topics. The new edition also includes: updated case examples, updated references and practical exercises at the end of each chapter. It also includes a preface on evidence-based management. The principles for the first edition were intended to be relatively timeless, so it is no surprise that most of the principles are the same (though some chapter titles include more than one principle). This book could serve as a textbook in advanced undergraduate and in MBA courses. It could also be of use to practicing managers and not just those in Human Resource departments. Every practicing manager may not want to read the whole book, but I am willing to guarantee that every one will find at least one or more chapters that will be practically useful. In this time of economic crisis, the need for effective management practices is more acute than ever.

Organizational Behaviour Pearson South Africa

Appropriate for Supervision, Supervision Management, and Intro to Management. Supervision Today has earned a reputation of being the one of the most effective supervision books because it blends traditional and contemporary topics, as well as theories and experiential skills. Offering a three-tier learning system, it focuses on building readers' knowledge, improving their comprehension and applying concepts directly to skill development. Known for its lively tone and four-color design, it captures the latest in supervision literature and includes cases to invigorate any lecture. This edition includes new information on contingent workforces, entrepreneurship, employee theft, work/life balance, IM, texting, and workplace diversity.

Organisational Behaviour Prentice Hall  
Taken from: Organizational Behavior, Seventeenth Edition by Stephen P. Robbins and Timothy A. Judge.

The Discover Your True North Fieldbook Financial Times/Prentice Hall  
This book presents a step-by-step process aimed at helping you create the most successful business possible in the 21st century competitive landscape, empowering corporate citizenship professionals to accelerate their credibility within their company as an effective contributor who understands their company's strategy and who creates value.

Organizational Behavior Kogan Page Publishers

A personal guide for becoming an authentic leader Whether you are just starting your leadership journey or leading a large organization, The Discover Your True North Fieldbook will help you find your leadership purpose, that internal Compass that provides direction and keeps you oriented—your True North. Through a series of reflective exercises, this Fieldbook helps you become a better leader by learning to be a more authentic one. This Fieldbook both personalizes and unlocks the central lessons of its companion book, Discover Your True North by Bill George. It shares the most powerful insights that coauthors Nick Craig, Bill George, and Scott Snook have learned from helping more than 10,000 leaders discover and live up to their fullest potential. Each chapter contains potent exercises that help you mine your life story for deep insights and important patterns. As you work your way through these reflections, you will gain a clearer sense of who you are and why you lead—the essence of an authentic leader. We offer an identity-based approach to leader development. Rather than telling you how to lead, the Fieldbook guides you through an intimate process of personal discovery. By understanding your life story and sharpening your personal narrative, you will discover the unique leader you were meant to be. On the way, you will work through the same lessons taught to MBA students at Harvard Business School, as well as senior executives in many Fortune 100 companies. The Discover Your True North Fieldbook will help you: Become more self-aware and self-accepting Locate that sweet spot at the intersection of your passions and strengths Identify and lead from your core values when it matters most Build a robust support team to guide you through difficult times Discover your leadership purpose, the essence of who you are, your True North Stay grounded by integrating all aspects of your life Grow as a global leader Help others become authentic leaders To help you actually live your True North, this Fieldbook concludes by offering a rigorous, step-by-step process that generates a customized, behaviorally anchored Personal Leadership Development Plan. This plan not only summarizes and integrates everything

you've learned completing this Fieldbook, but does so in a way that supports immediate action and impact. Welcome to your journey toward authentic leadership. Welcome to your True North. Visit [www.DiscoverYourTrueNorth.org](http://www.DiscoverYourTrueNorth.org) to learn more.

**Essentials of Organizational Behaviour, eBook, Global Edition**  
Pearson Higher Ed

For undergraduate and graduate courses in Organizational Behavior. Captivate the class with a clear writing style, cutting-edge content, and compelling pedagogy. Robbins/Judge provides the research you want, in the language your students understand. This text continues its tradition of making current, relevant research come alive for students.

**Organizational Behavior** Pearson Learning Solutions

For courses in organizational behavior. A streamlined presentation of key organizational behavior concepts Currently in use at more than 500 colleges and universities worldwide, Essentials of Organizational Behavior, 15th Edition teaches students how to communicate and interact within organizations. The text uses real-world scenarios and offers comprehensive coverage of key organizational behavior concepts that resonate with students — making each lesson engaging, relevant, and easy to absorb. With updated research and examples, and the integration of contemporary global issues, readers can apply what they've learned to their own education, future career plans, and other organizational endeavors.

**Insights Into Your Skills Abilities and Interests** Prentice Hall

This second European edition of this classic textbook brings the exceptional introduction to organizational behaviour written by the masters of the subject, and adapts it to meet the needs of students studying in Europe today. Fully updated and revised, this adaptation continues the tradition of making current, relevant research come alive for students, while maintaining its hallmark features — clear writing style, cutting-edge content and compelling pedagogy. This new edition offers real-life examples drawn from a global range of organizations including Google, Cadbury, Apple, Capital One, Microsoft, Lego, Ferrari and more, plus up-to-date insights into the latest research and hot topics from across the world. Key features include: 'Myth or science?' boxes, which provide

repeated evidence that common sense can often lead us astray in the attempt to understand human behaviour, and that behavioural research offers a means for testing the validity of common-sense notions. 'OB in the news' which prepares students to recognise and evaluate OB issues which often appear in the news when presented with them in newspapers, magazines, TV, etc. 'Face the facts': these boxes highlight interesting facts from recent surveys that emphasise key aspects of the text. For example, diversity across Europe, the extent of employee engagement, and the popularity of working in teams. "As a whole, the content of the book is strong, and is well-structured with a European focus." Mohammad Lafiti, Uppsala University, Sweden

**Fundamentals of Organizational Behaviour**  
Pearson Higher Ed

Make better decisions — every day, everywhere! *Decide and Conquer*, Second Edition brings together all the practical skills you need to do just that. This quick, concise book identifies every key obstacle to quality decision-making and shows exactly how to overcome them. You'll discover how your personality impacts your decision-making, why instincts and experience can lead you astray, how to simplify complex decisions without oversimplifying them and much more. Renowned management author Dr. Stephen P. Robbins translates cutting-edge research findings about human behavior and decision-making into language anyone can understand — and act upon. In this Second Edition, he provides many new and updated examples, updated research, and new coverage, including these crucial new topics: Are you a Maximizer or a Satisficer — and what it means for your decision-making Overcoming the familiarity bias, adaptation bias, and fear-of-loss bias How to stop throwing good money after bad Knowing when doing nothing is your best option Accounting for gendered decision-making styles *Decide and Conquer*, Second Edition covers everything from goal-setting and risk-taking to overconfidence to procrastination, and offers indispensable insights for overcoming the multiple biases that are built into all human decision-makers. You'll use Robbins' powerful techniques to improve every decision you make — about your relationships, career, finances, everything!

**Organizational Behavior** Pearson Higher Ed

This book is the first Southern African

edition of Stephen P. Robbins's *Organizational Behaviour*, the best-selling organisational behaviour textbook worldwide.

*The Truth About Managing People*  
Elsevier

*Fundamentals of Organizational Behavior: An Applied Perspective*, Second Edition examines the behavior of people in organizations. Topics covered range from political maneuvering in organizations (office politics) to the stresses facing people in managerial and professional positions. A conceptual framework for organizational behavior is presented, along with numerous case illustrations and examples from live organizational settings. This monograph consists of 14 chapters and opens with an introduction to organizational behavior and how it is influenced by principles of human behavior. The three main subareas or schools of management thought are discussed, together with the difference between knowledge work and non-knowledge work; how research and theory contribute to an understanding of organizational behavior; and the distinction between structure and process. The following chapters explore how the meaning of work relates to work motivation, as well as the link between work motivation and job performance; behavioral aspects of decision making; stresses in managerial and professional life; and political maneuvering in organizations. Small group behavior, leadership styles, and interpersonal communications are also considered, along with intergroup conflict and organizational effectiveness. This book will be of interest to students, managers, and staff specialists, as well as behavioral scientists and management theorists.
