INTRODUCTION TO ORGANIZATIONAL DEVELOPMENT (OD) Bob Marshak: Making Sense of Organization Development

History of Organizational Development Organizational Development | Nature of OD | Objectives of OD | Characteristics of OD | OD Principle Organizational Development Intervention Techniques

ORGANIZATIONAL DEVELOPMENT (OD) INTERVENTIONS

by David Marshall. August 18, 2017. Organization development (OD) is an interdisciplinary and primarily behavioral science

approach that draws from such fields as organization behavior, management, business, psychology, sociology, anthropology, economics, education, counseling, and public administration. A primary, though not exclusive, goal of OD is to improve organizational effectiveness.

Organization Development: Behavioral Science Interventions ...

Organization development : behavioral science interventions for organization improvement Item Preview Organization Development: Behavioral Science Interventions ...

Organization development : behavioral science ... Emphasizes the everchanging paradigms in OD theory and describes several new and important interventions in considerable detail. Sets discussions in the rapidly-evolving contexts of globalization, intensified competition and collaboration, Total Quality Management (TQM) and large-scale organizational change.

Organization Development: Behavioral Science Interventions

... Organization development is the study of successful organizational change and performance. OD emerged from human relations

studies in the 1930s, during which psychologists realized that organizational structures and processes influence worker behavior and motivation. More recently, work on OD has expanded to focus on aligning organizations with their rapidly changing and complex environments through organizational learning, knowledge management and transformation of organizational norms and valu

Organization Development Behavioral Science Interventions

He taught for 30 years at the University of Washington Graduate School of Business, Department of Management and Organization. He is the author of numerous publications and the co-author of a well-known book in his field of study, Organization Development: Behavioral Science Interventions for Organization Improvement. Organization Development Behavioral Science Interventions ...
