[Introduction to Organizational](#)

Behavior and Management

Elsevier

Guide today's students as they learn not only the concepts and theories that enhance the management of human behavior at work but also how to practice these skills with Quick/Nelson's PRINCIPLES OF ORGANIZATIONAL BEHAVIOR, 8E, International Edition. The latest edition of this leading text clearly demonstrates how organizational behavior theories and research apply to companies today with engaging cases, meaningful

exercises, and examples that include six new focus companies students will instantly recognize. The authors present foundational organizational behavior topics, such as motivation, leadership, teamwork, and communication. Readers also examine emerging issues, such as the theme of change as well as globalization, diversity, and ethics. The authors anchor the book's multifaceted approach in both classic research and leading-edge scholarship. Timely examples from all types of organizations reflect

today's most current trends. Self-assessments and other interactive learning opportunities encourage each reader to grow and develop--both as an individual and as an important contributor to an organization. People Over Profit South-Western College 4LTR Press solutions give students the option to choose the format that best suits their learning preferences. This option is perfect for those students who focus on the textbook as their main

course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

International Dimensions of Organizational Behavior South Western Educational Publishing Organizational Behavior: Foundations, Realities, and Challenges Fourth Edition clearly illustrates how a sound understanding or

organizational behavior can help readers successfully navigate the complexities of today's organizations. The text itself is grounded in the theory of the field, cultivating an understanding of the scientific foundation of organization behavior. That foundation is then applied to the contemporary realities of today's business environment through in depth and insightful explorations of some of

today's most compelling organizations. Throughout the text readers are challenged to think critically about the material at hand and their own attitudes, refining the organization behavior tools that they will continually develop and employ throughout their careers. The prevailing theme of the text is change and the demands it places on people and organizations to grow and adjust while

maintaining well being in
in an environment of
constant and rapid
change. Expertly
written with a vibrant
illustrations and design,
Organizational Behavior,
Fourth Edition is sure
to engage readers.

Fundamentals of Organizational Behavior South-Western Pub

Andre/Taplin is designed for one-semester courses that focus on skill-building for career preparedness. Andre's unique problem-solving approach presents students first with the real-life problems individuals face in

organizations and then explores the research findings that can help people meet these challenges. Andre leads with the problem, applies the OB solution, and then explores the theories behind the application. Note: MyManagementLab is not included with the purchase of this product.

Understanding Organizational Behavior John Wiley & Sons

This contemporary, skills-based text blends theory and practical examples in its presentation of traditional organizational behavior topics. The Third Edition highlights the changing nature of managerial work and

careers, and the demands placed on people to grow and adjust while maintaining health and well being for themselves and their organizations. An overview of six companies is used to illustrate and link key concepts throughout the text. These companies are: Gateway 2000, Starbucks, Southwest Airlines, Ford, Harpo Products, and the American Red Cross.

Globalization, cultural diversity, technology and ethics are four themes interwoven through the text presenting current and relevant issues that managers must face on a daily basis

Organizational Behavior John Wiley & Sons

Organizational Behaviour Thomson South-Western

Serial entrepreneur and business visionary Dale Partridge reveals seven core beliefs that create success by putting people first. Every day major headlines tell the story of a new and better American marketplace. Established corporations have begun reevaluating the quality of their products, the ethics of their supply chain, and how they can give back by donating a portion of their profit to meaningful causes.

Meanwhile, millions of entrepreneurs who want a more responsible and compassionate marketplace have launched a new breed of socially focused business models. Sevenly founder Dale Partridge uncovers the seven core beliefs shared by consumers, starters, and leaders behind this transformation. These beliefs have enabled Dale to build a multimillion-dollar company that is revolutionizing the marketplace In People Over Profit, Partridge will help you realize: People matter Truth wins Transparency frees Authenticity attracts Quality speaks Generosity returns Courage sustains Partridge believes these beliefs are the secret to creating a sustainable world that values honesty over deception, transparency over secrecy, authenticity over hype, and ultimately, people over profit.
