He has taught numerous PHR/SPHR certification classes under the auspices of the Society for Human Resource Management and is, himself, certified as a Senior Professional in Human Resource Management. He has managed small HR operations as well as large HR organizations. Dr. Phillips is on the faculty of Indiana University South Bend where he teaches graduate and undergraduate human resource classes. He has previously taught courses in training and development at the higher education level. Dr. Phillips publishes frequently in these areas. "For many people, this book will remove the mystery that has surrounded this exam for years and also ease a great deal of their anxieties." —Haley C. Recio, Director of Human Resources and Administration, Teknovus, Inc. Senior Professional in Human Resources Cengage Learning

Marketing: Real People, Real Choices brings you and your students into the world of marketing through the use of real companies and the real-life marketing issues that they have faced in recent times. The authors explain core concepts and theories in Marketing, while allowing the reader to search for the information and then apply it to their own experiences as a consumer, so that they can develop a deeper understanding of how marketing is used every day of the week, in every country of the world. The new third edition is enhanced by a strong focus on Value Creation and deeper coverage of modern marketing communications practices.

Fundamentals of Management Lippincott Williams & Wilkins

This textbook presents a comprehensive analysis of organizational behavior in sport organizations from a practitioner's perspective. It covers issues related to managing employees and work teams as well as organizational structure and culture in sport. The book has four sections: Organizational Behavior in the Sports Industry, Getting to

Know Employees and Volunteers of Sport Organizations, Work Groups and Teams, and Understanding the Organization. Each chapter begins with a practitioner interview describing a challenge that was overcome by their organization. That example is used to highlight applicable theories and interventions used in the industry. Additional examples or theories are discussed to provide students a broad picture of managerial issues in the sports industry and provide alternative approaches to intervention illustrated in the practitioner interview. The case studies offer the opportunity to practice and apply the ideas to real-world scenarios in the sports industry. Students using this book will gain an understanding of how managers and leaders apply theory to communicate with and engage employees to foster desired organizational cultures while being challenged to address common issues using cases and hypothetical situations.

Strategic Management Cengage AU

In one comprehensive collection, The Dark Side of Organizational Behavior provides a framework for understanding the most current thinking on the negative consequences of organizational behavior. Written by experts in the field, the contributors to The Dark Side of Organizational Behavior focus on the causes, processes, and consequences of behaviors in organizations that have a negative effect on the organization and the people in them.

Springer Nature

This best selling text analyzes the major communication theories at a level appropriate for both lower and upper level courses. The material is presented in a coherent manner and strikes a balance between humanistic, scientific, classical, and contemporary theories. (In contrast to previous editions--no theories have been dropped.) Ethics are covered throughout the text. "A First Look at Communication Theory" is the most widely used textbook for the communication theory course.

A Managerial Perspective Prentice Hall

This book is about leadership in organizations. The primary focus is on managerial leadership, as opposed to parliamentary leadership, leadership of social movements, or informal leadership in peer groups. The book presents a broad survey of theory and research on leadership in formal organizations. The topic of leadership effectiveness is of special interest.

An Evidence-based Approach McGraw-Hill/Irwin

Business Essentials' focus on practical skills, knowledge of the basics, and important developments in business makes for a brief book, but a rich experience. The recent events in domestic and global economies are presenting unprecedented challenges, excitement, and disappointments for business — and a need for a change in the Introduction to Business course and text. This text captures the widespread significance of these developments and presents their implications on businesses today. Managing People and Organizations Cengage Learning

For International Business courses This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. Successfully prepare students for the international marketplace. International Business illustrates how successful managers must function in a competitive world. Packed with current examples that reflect the vibrancy of the international business field, this student-friendly text offers a managerial approach that keeps an emphasis on skills development, emerging markets and geographical literacy. The sixth edition of this internationally popular text contains all the same core concepts while incorporating new and current topic coverage. **International Business** Cengage Learning

The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholicism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

If you want your students to achieve "beyond remembering", ask your Nelson Sales Representative how today!

SPHR Exam Prep American Bar Association

The intention for this book is to present the resistance to change phenomenon from a new perspective. The term resistance is complex and very often misinterpreted. Change leaders should adapt their perspectives on this subject and try to see resistance from a positive angle as well. By just changing the prospect of analyzing it, managers could experience a greater success in implementing new changes and effectively attract more employees onto their side. Instead of trying to eliminate or suppress employees' resistance, managers should rather use their reactions in a positive framework. Resistance may be useful as feedback and therefore, managers can use it to improve and refine the organizational change process.

Leadership, Management and Team Working in Nursing Thomson South-Western

One of the world's most widely read gynecology texts for nearly 50 years, Speroff 's Clinical Gynecologic Endocrinology and Infertility provides a complete explanation of the female endocrine system and offers practical guidance for evaluation and treatment of common disorders. In this fully revised ninth edition, the editorial and author team from Yale School of Medicine have assumed the reins of Dr. Speroff 's landmark work, retaining the clear, concise writing style and illustrations that clarify and explain complex concepts. This classic text remains indispensable for students, residents, and clinicians working in reproductive endocrinology and infertility, bringing readers up to date with recent advances that have occurred in this fast-changing field.

Business Essentials European Alliance for Innovation

Organisational Behaviour: Engaging People and Organisations uses an integrative model to teach a robust approach to OB by encompassing five levels of analysis: environment, individual, groups, leadership and organisation, and demonstrating how each relates to one another. It teaches a contemporary approach to Organisational Behaviour that aims to understand, rather than control, human behaviour in organisations. Unique to this local edition is the inclusion of a 'critical perspective' of Organisational Behaviour introduced through in-chapter features and the end-of-chapter case study. This complements courses that teach mainstream theory and advance through to critical examination of the subject area. This approach presents a side of management that reflects real-world experiences in the workplace by challenging the managerial perspective and discussing issues for employees.
