Management
Englewood Cliffs, N.J. :
Prentice Hall
The complete understanding of organizational culture and personal values is fundamental for running and improving modern organizations.

By identifying the underlying building blocks for behavior, strategy, and actions of organizations and their members, companies and researchers may discover innovative techniques to encourage productive and satisfying working environments. Recent Advances in the Roles of Cultural and Personal Values in Organizational Behavior is a collection of innovative research on how culture and personal values shape and influence leadership styles, decision-making processes, innovativeness, and other management practices. While highlighting topics including employee

motivation, leadership style, and organizational culture, this book is ideally designed for managers, executives, human resources professionals, recruiters, researchers, academics, educators, and students seeking current research on cultural backgrounds and personal values for organizations.

Fundamentals of Organizational Behaviour Prentice Hall

This book is the first Southern African edition of Stephen P. Robbins's Organizational Behaviour, the best-selling organisational behaviour textbook worldwide.

Recent Advances in the Roles of Cultural and Personal Values in

Organizational Behavior Penguin M: Organizational Behavior, 3e provides the essential OB knowledge to students in an accessible, student focused presentation. This text builds on the strengths of the main textbook, including a strong literature foundation, excellent readability, meaningful exhibits, global representation of examples, and presentation of both core and emerging topics. McShane/Von Glinow allows students to practice applying concepts via Connect. M: Organizational Behavior: Connecting students to the world of OB.

Organizational Behavior John Wiley & Sons

This text provides information suitable for both, classic organizational behaviour courses and for management courses. Topics covered include: ethics, sexual harassment, cross cultural communication, and negotiation.

This unique work bridges the gap between theory and practice in organizational behavior. It

provides a practical guide to real-life applications of the 35 most significant theories in the field. The author describes each theory, then analyzes its usefulness and importance to the successful practice of management. His analysis covers key managerial topics such as goal setting, training and development, assessment, job enrichment, influence processes, decision-making, group processes, organizational development, organizational structuring, and effective organizational operation. **organisational behaviour in Southern Africa, 2nd edition** Pearson South Africa

Used by students worldwide, this book provides a comprehensive examination

of the applied behavioural sciences, and focuses on fundamental ideas which have stood the test of years of application in different environments.

Fundamentals of Management Routledge

Whether the topic is understanding e-business, six sigma, workplace violence, knowledge workers, Internet job searches, or visionary leadership, Stephen Robbins and David DeCenzo cover it thoroughly and in a way that truly captures the issues facing managers in the twenty-first century. Its not enough just to know about management you have to possess the skills to match! With Robbins and DeCenzos new edition, youll learn so much about the real world of management, including: *Why Amazon.com is revolutionizing the book-selling industry *How SiloCaf, a coffee bean processing plant, uses sophisticated technologically-based controls to enhance productivity and

ensure consistent quality in its work *Why companies like London Fog are struggling to survive *How teams at Hewlett-Packard redesigned a production process, cut waste, controlled costs, and increased productivity *New techniques that can make a university more efficient and responsive to its students
Organisational Behaviour
Prentice Hall
Building on the success of the previous edition and the running theme that OB is for Everyone, this new edition presents all the essential topics in Organizational Behavior in a concise and readable format.
Fundamentals of Organizational Behaviour, Fourth Canadian Edition, helps students make the connections between the subject, the world of research that supports OB, and students' everyday lives, both now and in their future careers.

The Discover Your True

North Fieldbook M.E. Sharpe

This textbook presents a comprehensive analysis of organizational behavior in sport organizations from a practitioner's perspective. It covers issues related to managing employees and work teams as well as organizational structure and culture in sport. The book has four sections:

Organizational Behavior in the Sports Industry, Getting to Know Employees and Volunteers of Sport Organizations, Work Groups and Teams, and Understanding the Organization. Each chapter begins with a practitioner interview describing a challenge that was overcome by their organization. That example is used to highlight applicable theories and interventions used in the industry. Additional

examples or theories are discussed to provide students a broad picture of managerial issues in the sports industry and provide alternative approaches to intervention illustrated in the practitioner interview. The case studies offer the opportunity to practice and apply the ideas to real-world scenarios in the sports industry. Students using this book will gain an understanding of how managers and leaders apply theory to communicate with and engage employees to foster desired organizational cultures while being challenged to address common issues using cases and hypothetical situations.

Essentials of Organizational Behavior

Philip Allan

This popular and highly successful book helps readers understand the

implications of world cultures in the workplace. The book takes the point of view that culture does impact the organization, and that it has its most significant impact at the micro level--at the level of people communicating, working, and negotiating with other people.

Organizational Behavior 4

John Wiley & Sons

A personal guide for becoming an authentic leader Whether you are just starting your leadership journey or leading a large organization, The Discover Your True North Fieldbook will help you find your leadership purpose, that internal Compass that provides direction and keeps you oriented—your True North. Through a series of

reflective exercises, this Fieldbook helps you become a better leader by learning to be a more authentic one. This Fieldbook both personalizes and unlocks the central lessons of its companion book, Discover Your True North by Bill George. It shares the most powerful insights that coauthors Nick Craig, Bill George, and Scott Snook have learned from helping more than 10,000 leaders discover and live up to their fullest potential. Each chapter contains potent exercises that help you mine your life story for deep insights and important patterns. As you work your way through these reflections, you will gain a clearer sense of who you are and why you lead—the essence of an

authentic leader. We offer an identity-based approach to leader development. Rather than telling you how to lead, the Fieldbook guides you through an intimate process of personal discovery. By understanding your life story and sharpening your personal narrative, you will discover the unique leader you were meant to be. On the way, you will work through the same lessons taught to MBA students at Harvard Business School, as well as senior executives in many Fortune 100 companies. The Discover Your True North Fieldbook will help you: Become more self-aware and self-accepting Locate that sweet spot at the intersection of your

passions and strengths Identify and lead from your core values when it matters most Build a robust support team to guide you through difficult times Discover your leadership purpose, the essence of who you are, your True North Stay grounded by integrating all aspects of your life Grow as a global leader Help others become authentic leaders To help you actually live your True North, this Fieldbook concludes by offering a rigorous, step-by-step process that generates a customized, behaviorally anchored Personal Leadership Development Plan. This plan not only summarizes and integrates everything you've learned completing this Fieldbook, but does

so in a way that supports immediate action and impact. Welcome to your journey toward authentic leadership. Welcome to your True North. Visit www.DiscoverYourTrueNorth.org to learn more.

Understanding and Managing Organizational Behavior McGraw-Hill Education

"This course and this book are about management and managers. Managers are one thing that all organizations--no matter the size, kind, or location--need. And there's no doubt that the world managers face has changed, is changing, and will continue to change. The dynamic nature of today's organizations means both rewards and challenges for the individuals who will be managing those organizations. Management

is a dynamic subject, and a textbook on it should reflect those changes to help prepare you to manage under the current conditions. We've written this 14th edition of Management to provide you with the best possible understanding of what it means to be a manager confronting change and to best prepare you for that reality. But not every student aspires to a career in management. And even if you do, you may be five or ten years away from reaching a managerial position. So you might rightly feel that taking a course in management now may be getting ahead of the game. We hear you. In response to these concerns, we've added new material to this book that is important and relevant to everyone working in an organization--manager and

non-manager alike. Our "Workplace Confidential" pages identify, analyze, and offer suggestions for dealing with the major challenges that surveys indicate frustrate employees the most. You should find these pages valuable for helping you survive and thrive in your workplace.

Surprisingly, this topic has rarely been addressed in business programs.

Inclusion in an introductory management course appeared to us to be a logical place to introduce these challenges and to provide guidance in handling them"--

Organizational Behavior, 13th Edition Psychology Press

For undergraduate Principles of Management courses REAL Managers, REAL Experiences With a

renewed focus on skills and careers, the new edition of this bestselling text can help better prepare your students to enter the job market. International Dimensions of Organizational Behavior

Diagnosing and Changing Organizational Culture provides a framework, a sense-making tool, a set of systematic steps, and a methodology for helping

managers and their organizations carefully analyze and alter their fundamental culture. Authors, Cameron and Quinn focus on the methods and mechanisms that are available to help managers and change agents transform the most fundamental elements of their organizations. The authors also provide instruments to help individuals guide the change process at the most basic level—culture. Diagnosing and Changing Organizational Culture offers a systematic strategy for internal or external change agents to facilitate foundational change that in turn makes it possible to support and supplement other kinds of change initiatives.
