Organizational Behavior Pearson Higher Ed
This book is about leadership in organizations. The primary focus is on managerial leadership, as opposed to parliamentary leadership, leadership of social movements, or informal leadership in peer groups. The book presents a broad survey of theory and research on leadership in formal organizations. The topic of leadership effectiveness is of special interest.

Organizational Behavior McGraw-Hill Education
"Welcome to the eleventh edition of Organizational Behaviour: Understanding and Managing Life at Work! This edition marks the 33rd anniversary of the text, which has been rigorously updated over the years to present students with the latest knowledge and research on both the science and practice of organizational behaviour. First published in 1983, Organizational Behaviour is the longest-running, continuously published, and regularly revised organizational behaviour textbook authored in Canada."

Understanding and Managing Organizational Behavior Pearson Higher Ed
Organisational Behavior, 7e by McShane/Von Glinow helps everyone make sense of Organizational Behavior, and provides the conceptual tools to work more effectively in the workplace. This author duo continue the trailblazing innovations that made previous editions of Organizational Behavior recognised and adopted by the new generation organisational behavior (OB) instructor. The McShane and Von Glinow product is acclaimed for: Readability, presentation of current knowledge Linking OB concepts and theories with reality Strong International/Global orientation Contemporary Theory Foundation (without the jargon) Active Learning and Critical Thinking Support Textbook's philosophy OB knowledge is for everyone, not just traditional managers. Organisational Behavior, 7e is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.
Organizational Behaviour John Wiley & Sons
Appropriate for introductory courses in Organizational Behaviour. Organizational Behaviour, Seventh Edition, is a research-based text that provides a

balanced approach of theory and applications. This highly readable text combines comprehensive coverage with engaging features. Clearly presented theory is supported by real-world cases, discussion questions, and experiential exercises. While Canadian applications and examples are used, Johns and Saks make extensive use of international illustrations as well. Striking a balance between research and theory on the one hand, and practice and application on the other hand, the seventh edition of Organizational Behaviour includes the most recent research and theory in the field (e.g., employee engagement in Chapter 5 ; the GLOBE project in Chapters 4 and 9; Research Focus feature) as well as many examples of the application and practice of organizational behaviour throughout the text and in the chapter-opening vignettes, the "Applied Focus" feature, and the "You Be the Manager" feature.
Organizational Behavior New Age International
The Seventh Edition ofCanadian Organizational Behaviouris truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability.The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz’s values model, and separating socioemotional from constructive conflict.The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.
Essentials of Organizational Behavior SAGE Publications
Based on a number of previous editions of the bestselling text, Organizational Behavior by Schermerhorn/Hunt/Osborn, this first edition addresses the complex issues that knowledge-based work organizations face in the early 21st century. Featuring more examples and cases from Europe and Asia, the authors combine a managerial approach aimed to help existing and aspiring managers meet increasingly challenging performance targets, with a rounded and critical perspective that questions and looks deeper into the research behind the theories.
Canadian Organizational Behaviour Wiley
This text provides information suitable for both, classic organizational behaviour courses and for management courses. Topics covered include: ethics, sexual harassment, cross cultural communication, and negotiation.
Managing Organizational Behavior PHI Learning Pvt. Ltd.
Now revised to address the recent changes in the workplace, Schermerhorn, Hunt, and Osborn's Organizational Behavior, Ninth Edition sets organizational behavior within a framework of personal and organizational transformation, while retaining its solid base of theory and application. Prepare yourself for the changing workplace. The Ninth Edition features the theme of organizational behavior in changing times, anchored by a new Chapter 2 that introduces you to current issues in organizational behavior. Edition after edition, this text has established a reputation for its effective presentation of current theory and research in a student-centered context. The Ninth Edition further strengthens that tradition with new Research Insight boxes in each chapter that summarize relevant cutting-edge research reports. Changing times offer new insights from real-life change agents. Leaders on Leadership features for every chapter in the Ninth Edition bring you face-to-face with the experiences and perspectives of today’s change leaders—Rudy Giuliani, Carly Fiorina, Earl Graves, and others.
Organizational Behavior and Management Wiley
An insight into people-organisational relationship and interrelated influences on human behaviour. Management and Organisational Behaviour, 13th edition, by Mullins and Rees guides students through the understanding, prediction and control of human behaviour at work by applying theories, developing critical thinking and engaging with case studies.
Organizational Behaviour and Management Edward Elgar Publishing
People, processes, and technology. These are the three major drivers of business achievement. The best leaders inherently understand that great companies start with great people. This is as true now as it was during the beginning of the industrial revolution, and understanding and staying current on the latest organizational behavior research and best practices paves the way for managerial success. In this updated edition of Organizational Behavior, theory, new research and real-world case studies are combined in an engaging manner to blend together the critical concepts and skills needed to successfully manage others and build a strong organization across all levels of a company. Featuring an in-depth view of the process and practice of managing individuals, teams, and entire organizations, the text provides a solid foundation for students and future managers.
Organizational Behaviour Pearson
In its tradition of being an up-to-date, relevant and user-driven textbook, Kreitner and Kinickiâ€™s approach to organizational behavior is based on the authorsâ€™ belief that reading a comprehensive textbook is hard work; however, the process should be interesting and sometimes even fun. The authorsâ€™ commitment to continuous improvement makes complex ideas understandable through clear and concise explanations, contemporary examples, a visually appealing photo/art program, and/or learning exercises. The authors respond to user feedback by ensuring the text covers the very latest OB research and practices.
Organizational Behaviour - Third Edition South Western Educational Publishing
Leadership in Organizations 9e aspires to deepen the understanding of leadership in global business, both in theory and

practice, by drawing perspectives from the latest advancements in international business. The chapters and cases included in this edition focus upon the theoretical, empirical, and policy and practitioner aspects of a wide range of topics including subordinate management, motivation, and job satisfaction among others. The geographical spread of topics and cases presented in the present edition provide a truly global flavor. The book is not only appropriate for use as the primary text in an undergraduate or graduate course in leadership but it also useful for practicing managers and consultants who are looking for answers to difficult questions about leadership

Organizational Behavior Prentice Hall

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922875. The field of management and organizational behavior exists today in a constant state of evolution and change. Casual readers of publications like the New York Times, The Economist and the Wall Street Journal will learn about the dynamic nature of organizations in today's ever-changing business environment. Organizational Behavior is designed to meet the scope and sequence requirements of the introductory course on Organizational Behavior. This is a traditional approach to organizational behavior. The table of contents of this book was designed to address two main themes. What are the variables that affect how, when, where, and why managers perform their jobs? What theories and techniques are used by successful managers at a variety of organizational levels to achieve and exceed objectives effectively and efficiently throughout their careers? Management is a broad business discipline, and the Organizational Behavior course covers many areas such as individual and group behavior at work, as well as organizational processes such as communication in the workplace and managing conflict and negotiation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Finally, we all made an effort to present a balanced approach to gender and diversity throughout the text in the examples used, the photographs selected, and the use of both male and female in alternating chapters when referring to generic managers or employees.
