Gary Johns is Professor Emeritus of Management in the John Molson School of Business, Concordia University, Montreal, and Adjunct Professor in the Sauder School of Business, University of British Columbia, Vancouver. He has research interests in absenteeism from work, presenteeism, personality, work design, research methodology, and the impact of context on organizational behaviour.

**Organizational Behaviour: Understanding and Managing Life ...** ORGANIZATIONAL BEHAVIOR GARY JOHNS Concordia University I argue that the impact of context on organizational behavior is not sufficiently recognized or appreciated by researchers. I define context as situational opportunities and constraints that affect the occurrence and meaning of organizational behavior as

---

Appropriate for introductory courses in Organizational Behaviour. Johns/Saks is a research-based text with a somewhat psychological approach balanced by business and management features. Following on previous editions, this text combines comprehensive coverage with engaging features and readability.
