How to Organize Owners Manuals

Organizing Owner's Manuals In Filing System.

As mentioned above, one possible way to organize your manuals is to add them to your filing system. You can either add them to the other files in your file drawer or box, or you could file them in their own file box, like a reader, Linda, did.

How to Get It Organized: Gather all your instruction manuals from wherever they may be and place them in a pile at your work station, along with your supplies.
