Faultlines Mankato, MN : Creative Education

"The best book I read this decade." -Sharon Van Etten in Rolling Stone "Boy Swallows Universe hypnotizes you with wonder, and then hammers you with heartbreak. . . . Eli's remarkably poetic voice and his astonishingly open heart take the day. They enable him to carve out the best of what's possible from the worst of what is, which is the miracle that makes this novel marvelous." -Washington Post A "thrilling" (New York Times Book Review) novel of love, crime, magic, fate and a boy's coming of age in 1980s Australia, named one of the best literary fiction titles of 2019 by Library Journal. Eli Bell's life is complicated. His father is lost, his mother is in jail, and his stepdad is a heroin dealer. The most steadfast adult in Eli's life is Slim—a notorious felon and national record-holder for successful prison escapes—who watches over Eli and August, his silent genius of an older brother. Exiled far from the rest of the world in Darra, a neglected suburb populated by Polish and Vietnamese refugees, this twelve-year-old boy with an old soul and an adult mind is just trying to follow his heart, learn what it takes to be a good man, and train for a glamorous career in journalism. Life, however, insists on throwing obstacles in Eli's path—most notably Tytus Broz, Brisbane's legendary drug dealer. But the real trouble lies ahead. Eli is about to fall in love, face off against truly bad guys, and fight to save his mother from a certain doom—all before starting high school. A story of brotherhood, true love, family, and the most unlikely of friendships, *Boy Swallows Universe* is the tale of an adolescent boy on the cusp of discovering the man he will be. Powerful and kinetic, Trent Dalton's debut is sure to be one of the most heartbreaking, joyous and exhilarating novels you will experience.

Study Guide Random House

"A coherent and compelling politics of reading. . . . Sinfield is intervening in a cultural debate not merely about the meaning of the texts he considers but about the very nature of literary study itself. Though his reading of central Renaissance texts such as Sidney's *Defence*, Marlowe's *Tamburlaine*, Shakespeare's *Othello*, and Donne's lyrics are wonderfully agile and alert, the true stakes of his argument are the protocols of the institutions in which we read and study literature."—David Scott Kastan, author of *Shakespeare and the Shapes of Time* "This is an important and urgently needed contribution to the field of culture criticism both in the U. K. and in the U.S.A. Until fairly recently, culture criticism on both sides of the Atlantic has been dominated by the cultural apparatus of the New Right. Sinfield's energetic and courageous intervention helps to break the silence of dissident communities and it is therefore a welcome rejoinder to the neo-conservative chorus."—Michael D. Bristol, author of *Shakespeare's America, America's Shakespeare*
Contextual Studies of Oral Narrative Broadview Press

Set in Harlem in the 1860s, 1928 and the 1990s, this prelude to Shakespeare's *Othello* tells the story of Othello's relationship with his first wife.

Shylock and Shakespeare Bloomsbury Publishing

Following Common Core Standards, this lesson plan for William Shakespeare's "Othello" is the perfect solution for teachers trying to get ideas for getting students excited about a book. BookCaps lesson plans cover five days worth of material. It includes a suggested reading schedule, discussion questions, essay topics, homework assignments, and suggested web resources.

Documents of the Senate of the State of New York The Floating Press

This volume, first published in 2000, draws together thirteen important essays on the concept of race in Shakespeare's drama.

A Novel How to Write a Killer Essay

Contemporary works of art that remodel the canon not only create complex, hybrid and plural products but also alter our perceptions and understanding of their source texts. This is the dual process, referred to in this volume as "refraction", that the essays collected here set out to discuss and analyse by focusing on the dialectic rapport between postmodernism and the canon. What is sought in many of the essays is a

redefinition of postmodernist art and a re-examination of the canon in the light of contemporary epistemology. Given this dual process, this volume will be of value both to everyone interested in contemporary art—particularly fiction, drama and film—and also to readers whose aim it is to promote a better appreciation of canonical British literature.

The Yellow Wallpaper Columbia University Press

Goodnight Desdemona (Good Morning Juliet) is an exuberant comedy and feminist revisioning of Shakespeare's *Othello* and *Romeo and Juliet*. It takes us from a dusty office in Canada's Queen's University, into the fraught and furious worlds of two of Shakespeare's best-known tragedies, and turns them upside-down. Constance Ledbelly is the beleaguered "spinster" academic, and unlikely heroine who embarks on a quest for Shakespearean origins and, ultimately, her own identity. When she deciphers an ancient and neglected manuscript, Constance is propelled through a very modern rabbit hole and lands smack in the middle of the tragic turning points of each play in turn. Her attempts to save first *Desdemona*, then *Juliet*, from their harrowing fates, result in a wild unpredictable ride through comedy and near-tragedy, as mild-mannered Constance learns to love, sword-fight, dance Renaissance-style, and master a series of disguises. . . . *Goodnight Desdemona (Good Morning Juliet)* a gender-bendy, big-hearted and crazily intelligent romp, where irony and anger sing in perfect harmony with innocence and poignancy.

Four Tragedies Vintage Canada

Charlotte Perkins Gilman's 1892 short story, *The Yellow Wallpaper* is a valuable piece of American feminist literature that reveals attitudes toward the psychological health of women in the nineteenth century. Diagnosed with "temporary nervous depression - a slight hysterical tendency" by her physician husband, a woman is confined to an upstairs bedroom. Descending into psychosis at the complete lack of stimulation, she starts obsessing over the room's yellow wallpaper: "It is the strangest yellow, that wall-paper! It makes me think of all the yellow things I ever saw - not beautiful ones like buttercups, but old foul, bad yellow things. But there is something else about that paper - the smell! . . . The only thing I can think of that it is like is the color of the paper! A yellow smell."

Shakespeare and Race Routledge

Othello W. W. Norton & Company

The story of *Desdemona* from Shakespeare's *Othello* is re-imagined by Nobel Prize laureate Toni Morrison, Malian singer and songwriter Rokia Traoré, and acclaimed stage director Peter Sellars. Morrison's response to *Othello* is an intimate dialogue of words and music between *Desdemona* and her African nurse Barbary. Morrison gives voice and depth to the female characters, letting them speak and sing in the fullness of their hearts. *Desdemona* is an extraordinary narrative of words, music and song about Shakespeare's doomed heroine, who speaks from the grave about the traumas of race, class, gender, war and the transformative power of love. Toni Morrison transports one of the most iconic, central, and disturbing treatments of race in Western culture into the new realities and potential outcomes facing a rising generation of the 21st century.

Shakespeare's Four Giants Rodopi

Places the events of the play in historical context and discusses each act in detail. Includes study questions and answers along with topics for papers and sample outlines.

Othello, William Shakespeare Spark Publishing Group

Reframing feminism for the twenty-first century, this bold and essential history stands up against "bland corporate manifestos" (Sarah Leonard). Eschewing the conventional wisdom that places the origins of the American women's movement in the nostalgic glow of the late 1960s, *Feminism Unfinished* traces the beginnings of this seminal American social movement to the 1920s, in the process creating an expanded, historical narrative that dramatically rewrites a century of American women's history. Also challenging the contemporary "lean-in," trickle-down feminist philosophy and asserting that women's histories all too often depoliticize politics, labor issues, and divergent economic circumstances, Dorothy Sue Cobble, Linda Gordon, and Astrid Henry demonstrate that the post-Suffrage women's movement focused on exploitation of women in the workplace as well as on inherent sexual rights. The authors carefully revise our "wave" vision of feminism, which previously suggested that there were clear breaks and sharp divisions within these media-driven "waves." Showing how history books have obscured the notable activism

by working-class and minority women in the past, *Feminism Unfinished* provides a much-needed corrective.

Goodnight Desdemona (Good Morning Juliet) (Play) SparkNotes

Hamlet One of the most famous plays of all time, the compelling tragedy of the young prince of Denmark who must reconcile his longing for oblivion with his duty to avenge his father's murder is one of Shakespeare's greatest works. The ghost, Ophelia's death and burial, the play within a play, and the breathtaking swordplay are just some of the elements that make *Hamlet* a masterpiece of the theater. *Othello* This great tragedy of unsurpassed intensity and emotion is played out against Renaissance splendor. The doomed marriage of *Desdemona* to the Moor *Othello* is the focus of a storm of tension, incited by the consummately evil villain *Iago*, that culminates in one of the most deeply moving scenes in theatrical history. *King Lear* Here is the famous and moving tragedy of a king who foolishly divides his kingdom between his two wicked daughters and estranges himself from the young daughter who loves him—a theatrical spectacle of outstanding proportions. *Macbeth* No dramatist has ever seen with more frightening clarity into the heart and mind of a murderer than has Shakespeare in this brilliant and bloody tragedy of evil. Taunted into asserting his "masculinity" by his ambitious wife, *Macbeth* chooses to embrace the *Weird Sisters'* prophecy and kill his king—and thus, seals his own doom. Each Edition Includes: · Comprehensive explanatory notes · Vivid introductions and the most up-to-date scholarship · Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan English · Completely updated, detailed bibliographies and performance histories · An interpretive essay on film adaptations of the play, along with an extensive filmography

Shakespeare's Tragic Heroes Courier Corporation

The complex and sometimes contradictory expressions of love in Shakespeare's works—ranging from the serious to the absurd and back again—arise primarily from his dramatic and theatrical flair rather than from a unified philosophy of love. Untangling his witty, bawdy (and ambiguous) treatment of love, sex, and desire requires a sharp eye and a steady hand. In *Shakespeare on Love and Lust*, noted scholar Maurice Charney delves deeply into Shakespeare's rhetorical and thematic development of this largest of subjects to reveal what makes his plays and poems resonate with contemporary audiences. The paradigmatic star-crossed lovers of *Romeo and Juliet*, the comic confusions of couples wandering through the wood in *A Midsummer Night's Dream*, *Othello's* tragic jealousy, the homoerotic ways Shakespeare played with cross-dressing on the Elizabethan stage—Charney explores the world in which Shakespeare lived, and how it is reflected and transformed in the one he created. While focusing primarily on desire between young lovers, Charney also explores themes of love in marriage (*Brutus and Portia*) and in same-sex pairings (*Antonio and Sebastian*). Against the conventions of Renaissance literature, Shakespeare qualified the Platonic view that true love transcends the physical. Instead, as Charney demonstrates, love in Shakespeare's work is almost always sexual as well as spiritual, and the full range of desire's dramatic possibilities is displayed. *Shakespeare on Love and Lust* begins by considering the ways in which Shakespeare drew upon and satirized the conventions of Petrarchan Renaissance love poetry in plays like *Romeo and Juliet*, then explores how courtship is woven into the basic plot formula of the comedies. Next, Charney examines love in the tragedies and the enemies of love (*Iago*, for example). Later chapters cover the gender complications in such plays as *Macbeth* and *The Taming of the Shrew* as well as the homoerotic themes woven into many of the poems and plays. Charney concludes with a lively discussion of paradoxes and ambivalences about love expressed by Shakespeare's word play and sexual innuendoes.

William Shakespeare's Othello Research & Education Assoc.

Throughout Bobby Wabalinginy's young life the ships have been arriving, bringing European settlers to the south coast of Western Australia, where Bobby's people, the Noongar people, have always lived. Bobby, smart, resourceful and eager to please, has befriended the settlers, joining them as they hunt whales, till the land, and work to establish their new colony. He is welcomed into a prosperous white family and eventually finds himself falling in love with the daughter, Christine. But slowly - by design and by hazard - things begin to change. Not everyone is so pleased with the progress of the white colonists. Livestock mysteriously starts to disappear, crops are destroyed, there are 'accidents' and injuries on both sides. As the Europeans impose ever-stricter rules and regulations in order to keep the peace, Bobby's Elders decide they must respond in kind, and Bobby is forced to take sides, inexorably drawn into a series of events that will for ever change the future of his country. That *Deadman Dance* is haunted by tragedy, as most stories of first contact between European and native peoples are. But through Bobby's life, this novel exuberantly explores a moment in time when things might have been different, when black and white lived together in amazement rather than fear of the other, and when the world suddenly seemed twice as large and twice as promising.
