Othello General Books

"Have you ever sat through a show, movie, or play that was intensely disturbing to watch? Othello is one such work... Why should we put ourselves through such an experience? Is there any redeeming value to be had in watching the inevitably tragic events unfold?~From Stephen Rippon's Guide The Worldview Guides from the Canon Classics Literature Series provide an aesthetic and thematic Christian perspective on the most definitive and daunting works of Western Literature. Each Worldview Guide presents the big picture (both the good and the bad) without neglecting the details. Each Worldview Guide is a friendly literary coach -- and a treasure map, and a compass, and a key -- to help teachers, parents, and students appreciate, critique, and begin to master the classics. The bite-size WGs are divided into these ten sections (with some variation due to genre): Introduction, The World Around, About the Author, What Other Notables Said, Setting, Characters, & Plot Summary, Worldview Analysis, Quotables, 21 Significant Questions & Answers, and Further Discussion & Review. A free classics test and answer key are also available online"--

If We Were Villains Oxford University Press - Children

Originally published in 1988. Selections here are organised chronologically looking at both theatrical commentary and literary criticism. The organisation brings out the shifts in emphasis as each generation reinvents Shakespeare, and Othello, by the questions asked, those not asked, and the answers given. Chapters cover the theme of heroic action, Iago's motivation, guilt and jealousy, and obsession. Some entries from the world of theatre delve into the portrayal of the Moor, Desdemona and Iago from the 1940s on. Authors include A. C. Bradley, William Hazlitt, Ellen Terry, Konstantin Stanislavsky, Helen Gardner and Edward A. Snow.

Othello Total Class Notes

The Commentary, scholarly in its focus yet informal in its tone, explores the text's significant detail in order to bring out its full meaning (and meanings). It takes students and general readers through the play line by line and asks, along the way, a succession of penetrating questions as a means of clarifying what's really being said by the characters, why they do what they do, and why Shakespeare has them speak, and act, in those ways. It provides specific support for students working towards examinations within a range of assessment structures, at both high school and college level...but it will be enjoyed by all lovers of Shakespeare. A major focus throughout is on what makes 'Othello' successful not only as literature but as a piece of working theatre. The Commentary is designed to be used alongside any edition of the play, since it includes running line references in the margin, and is therefore easy to align with the play's text.

Othello Study Guide Forum Books

NEW YORK TIMES BESTSELLER • A fascinating explanation for why white America has become fractured and divided in education and class, from the acclaimed author of *Human Diversity*. "I'll be shocked if there's another book that so compellingly describes the most important trends in American society." —David Brooks, *New York Times* In *Coming Apart*, Charles Murray explores the formation of American classes that are different in kind from anything we have ever known, focusing on whites as a way of driving home the fact that the trends he describes do not break along lines of race or ethnicity. Drawing on five decades of statistics and research, *Coming Apart* demonstrates that a new upper class and a new lower class have diverged so far in core behaviors and values that they barely recognize their underlying American kinship—divergence that has nothing to do with income inequality and that has grown during good economic times and bad. The top and bottom of white America increasingly live in different cultures, Murray argues, with the powerful upper class living in enclaves surrounded by their own kind, ignorant about life in mainstream America, and the lower class suffering from erosions of family and community life that strike at the heart of the pursuit of happiness. That divergence puts the success of the American project at risk. The evidence in *Coming Apart* is about white America. Its message is about all of America.

Othello Thrift Study Edition Sherwood Press

An introductory guide to Othello in performance offering a scene-by-scene theatrically aware commentary, contextual documents, a brief history of the text and first performances, case studies of key productions, a survey of screen adaptations, a sampling of critical opinion and further reading.

William Shakespeare's Othello WordSmith

'This is a remarkable, challenging and bravely original work.' The Guardian Ripped from the world by her husband's paranoia, Desdemona turns in death towards the memory of Barbary, the North African maid who raised her: together, they explore the contours of death, race, war, love and motherhood, in a moving elegy. Audacious with ambition, Desdemona is Toni Morrison's intimate reimagining of the fourth act of Shakespeare's Othello, mixing monologue with Rokia Traore's lyrical songs to re-examine the Bard's presentation of race and female suffering. Part-play, part-concert, part-quest into the afterlife, Desdemona is published in Methuen

Drama's Modern Classics series, featuring a new introduction by Joyce Green MacDonald.

Shakespeare's Othello Saddleback Educational Publishing

Study Guide Research & Education Assoc.

A comprehensive study guide offering in-depth explanation, essay, and test prep for William Shakespeare's Othello, the inspiration behind many operas, films, and literary adaptations. As a tragedy of the seventeenth-century, Othello's performance continues today due to the timeless themes of racism, love, jealousy, betrayal, revenge and repentance. Moreover, Shakespeare was inspired by English, French, and Italian works, but Othello was primarily inspired by Giovanni Battista Giraldo Cinthio's Hecatommiti. This Bright Notes Study Guide explores the context and history of Shakespeare's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

Othello Routledge

"Much like Donna Tartt's *The Secret History*, M. L. Rio's sparkling debut is a richly layered story of love, friendship, and obsession...will keep you riveted through its final, electrifying moments."

—Cynthia D'Aprix Sweeney, *New York Times* bestselling author of *The Nest* "Nerdily (and winningly) in love with Shakespeare...Readable, smart." —*New York Times Book Review* On the day Oliver Marks is released from jail, the man who put him there is waiting at the door. Detective Colborne wants to know the truth, and after ten years, Oliver is finally ready to tell it. A decade ago: Oliver is one of seven young Shakespearean actors at Dellecher Classical Conservatory, a place of keen ambition and fierce competition. In this secluded world of firelight and leather-bound books, Oliver and his friends play the same roles onstage and off: hero, villain, tyrant, temptress, ingénue, extras. But in their fourth and final year, good-natured rivalries turn ugly, and on opening night real violence invades the students' world of make-believe. In the morning, the fourth-years find themselves facing their very own tragedy, and their greatest acting challenge yet: convincing the police, each other, and themselves that they are innocent. If *We Were Villains* was named one of *Bustle's* Best Thriller Novels of the Year, and *Mystery Scene* says, "A well-written and gripping ode to the stage...A fascinating, unorthodox take on rivalry, friendship, and truth."

Purchase of this book includes free trial access to www.million-books.com where you can read more than a million books for free. This is an OCR edition with typos. Excerpt from book:

JULIUS CAESAR GENERAL QUESTIONS

1. To show the simplicity of the plot material, outline the action in one hundred words or less.
2. Give reasons for the play's comparative poverty in subtle analysis of character and motive and in poetic beauty. What is the influence, in this respect, of the . nobly simple, austere, and somewhat stiff personality of Brutus ? If Antony had been allowed to dominate and determine the tone of the play, how would the play have differed in effect ? It would not be entirely misleading to compare, in this connection, the wonderfully rich and various Antony and Cleopatra. Coriolanus also has a voluminous majesty and a sumptuous splendor which forbids the assertion that the simplicity of Julius Ccesar is due to the poet's estimate of the Roman type of mind.
3. What powers of the poet's mind are scarcely brought into play in this drama ? What powers are clearly in evidence ?
4. Try to define the exact nature of the pleasure you take 'in this play. Is it at all like the pleasure you take in any of the great tragedies or in any of the comedies ?
5. Why is this play especially suited to the comprehension of children and to the elementary type of mind among adults ? (This must not, of course, be understood to imply condemnation, unless we wish to include in that condemnation almost the entire tragic theater of the ancient world.) What scenes do you leave out of consideration in your answers to this and to the three preceding questions ?
6. Would you say that in this play the poet's powers of expression are in advance of his thought or that he is behind his thought? Or are thought and expression in a nearly perfect equipoise ? Select several passages in illustration. Compare A Midsummer Night's Dream and The Tempest in this ...
