Othello WordSmith  
Othello, The Moor of Venice is a tragedy by William Shakespeare based on the short story "Moor of Venice" by Cinthio, believed to have been written in approximately 1603. The work revolves around four central characters: Othello, his wife Desdemona, his

lieutenant Cassio, and his trusted advisor Iago. Attesting to its enduring popularity, the play appeared in 7 editions between 1622 and 1705. Because of its varied themes -- racism, love, jealousy and betrayal -- it remains relevant to the present day and is often performed in professional and community theatres alike. The play has also been the basis for numerous operatic, film and literary adaptations.

William Shakespeare's Othello McClelland & Stewart  
Set in Philadelphia, the city of brotherly love, a modern-day classic pits brothers Otto and Ivan Blackmoor against each other

---

in a tale of business, love, jealousy, and revenge. When family matters of loyalty and betrayal escalate, secretive plots are exposed and misunderstandings run rampant until a vigilante-style justice is finally served. "Oh brother! In Carol White's page-turner, *A Divided Duty*, brothers Otto and Ivan Blackmoor battle it out in both business and romance. Funny, sexy and heart-pounding, this sizzling sibling rivalry puts others to shame and builds to a stunning

climax. This novel will keep you guessing until the end who the real victims-and villains-really are. A great read!"-Mike Vogel, *Newsday* "A modern-day take on Shakespeare's *Othello*, Carol White's tale of ambition, passion, and greed is a must-read for those who enjoy their suspense dished up sexy and witty, and with well-drawn characters who keep you guessing."

Study Guide Standard Ebooks

King Lear is a tragedy by Shakespeare, written about 1605 or 1606. Shakespeare based it on the legendary King Leir of the Britons, whose story is outlined in Geoffrey of Monmouth 's

pseudohistorical History of the Kings of Britain (written in about 1136). The play tells the tale of the aged King Lear who is passing on the control of his kingdom to his three daughters. He asks each of them to express their love for him, and the first two, Goneril and Regan do so effusively, saying they love him above all things. But his youngest daughter, Cordelia, is compelled to be truthful and says

---

that she must reserve some love for her future husband. Lear, enraged, cuts her off without any inheritance. The secondary plot deals with the machinations of Edmund, the bastard son of the Earl of Gloucester, who manages to convince his father that his legitimate son Edgar is plotting against him. After Lear steps down from power, he finds that his elder daughters have no real respect or love for him, and treat him and his followers as a nuisance. They allow the raging Lear to wander out into a storm, hoping to be rid of him, and conspire with Edmund to overthrow the Earl of Gloucester. The play is a moving study of the perils of old age and the true meaning of filial love. It ends tragically with the deaths of both Cordelia and Lear—so tragically, in fact, that performances during the Restoration period sometimes substituted a happy ending. In modern times, though, King Lear is performed as written and generally regarded as one of Shakespeare's best plays. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition,

which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

I Follow But Myself Editorial Complutense

The Dancing of the title was in Shakespeare's mind as he wrote: a physical and active imagination. This book studies its operation in his most frequently performed texts and encourages readers to seek out the performance possibilities of all the texts for themselves. The need to study Shakespeare's plays as they come to life in a theatre is now widely recognised. John Russell Brown

moves beyond an exploration of what has happened in a number of specific productions to examine the entire theatrical event in which a performance occurs: the meeting and interaction of actors and audience, and the social and cultural contexts of a play's reception in the past and at the present time. Assuming no prior knowledge of theatre practice and offering practical advice for further investigations, Shakespeare Dancing is written for all who study Shakespeare's work in search of a fuller understanding, or as a preparation for performance.

Shakespeare Dancing

William Shakespeare's Othello

Publisher Description

Performing Arts/books in Print Courier Corporation

A comprehensive study guide offering in-depth explanation, essay, and test prep for William Shakespeare 's Othello, the inspiration behind many operas,

---

films, and literary adaptations. As a tragedy of the seventeenth-century, Othello's performance continues today due to the timeless themes of racism, love, jealousy, betrayal, revenge and repentance. Moreover, Shakespeare was inspired by English, French, and Italian works, but Othello was primarily inspired by Giovanni Battista Giraldi Cinthio's Hecatommithi. This Bright Notes Study Guide explores the context and history of Shakespeare's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.
