In a major update of the book that helped to launch the women's health movement, Our Bodies, Ourselves for the New Century updates the classic with chapters on such issues as online health resources, AIDS, and managed care. At the same time, it expands its appeal by addressing the concerns of an increasingly diverse readership, from lesbians to women of color, from women with disabilities to ...

[Book Excerpts - Our Bodies Ourselves](#)

About Our Bodies Ourselves. In 1970, a group of women in the Boston area self-published "Women and Their Bodies," a 193-page booklet that dared to address sexuality and reproductive health, including abortion. They distributed it for 75 cents. A year later, they changed the title to "Our Bodies, Ourselves" — and changed the women's health movement around the world.
