with God. In *Praying the Prayers of the Bible*, author James Banks provides a collection of prayers to help readers engage in intimate conversations with God. Readers can find prayers of praise and thanksgiving, prayers for wisdom and direction, prayers for blessing, and much more. This powerful book of prayers encourages readers not only to strengthen their relationship with God,

but also to apply His Word to their daily life. Readers can discover how to respond to God's invitation to draw nearer to Him as they pray the prayers of the Bible.

**Praying the Prayers of the Bible** CLC Publications

With over one million copies in print, this classic from Charles E. Hummel has transformed the minds and hearts of generations of Christians. Its simplicity and depth is a foundational resource for all who have felt overwhelmed by the responsibilities of each day, week, month and year.

Hummel starts with Jesus' own model of work and ministry, a model that is at once unrushed and focused. From there he lays out how we can all set and live by priorities in a way that frees us from the tyranny of the urgent. Charles E. Hummel, who died in 2004, is the author of many books. He was president of Barrington College in Rhode Island and director of faculty ministries for InterVarsity Christian Fellowship/USA. Now thoroughly revised and expanded, Hummel's booklet offers ideas and illustrations for effective time management to help even the busiest people find time for what's really

important.

## Run for Cover Our Daily Bread Publishing

What it means to be a man or a woman is questioned today like never before. While traditional gender roles have been eroding for decades, now the very categories of male and female are being discarded with reckless abandon. How does one act like a gentleman in such confusing times? The Catholic Gentleman is a solid and practical guide to virtuous manhood. It turns to the timeless wisdom of the

Catholic Church to answer the important questions men are currently asking. In short, easy- to-read chapters, the author offers pithy insights on a variety of topics, including

- How to know you are an authentic man
- Why our bodies matter
- The value of tradition
- The purpose of courtesy
- What real holiness is and how to achieve it

How to deal with failure in the spiritual life

*MONEY Master the Game* Our Daily Bread Publishing

*My Utmost for His Highest* has been a proven, best-selling devotional for many years. Over

the past century, Oswald Chambers's writings have inspired countless people to drink deeply from the biblical truths that he so passionately championed.

His words are simultaneously penetrating and invigorating, and they trigger something in your soul leaving you forever changed.

The biblical thoughts and themes that Chambers delivers in this updated-language edition will resonate with you as you seek to grow your faith. We have also

included the topical section

Adventure with a diverse group of children as they discover and celebrate that we all have more in common than we might think. God made each of us unique, but sometimes these differences can leave us feeling like a fish out of water. In *Different Like Me*, follow a diverse group of children as they work together to help a giant fish balloon

toward a surprising conclusion that will delight children. Celebrate our differences and uncover what we have in common on this whimsical journey that reminds readers that no matter how different, all of us are a part of God's wonderful creation.

### **Our Daily Bread**

**Favorites** Our Daily Bread Publishing Norman Borlaug's work in breeding wheat is a large part of the reason the world has not yet run out of

food. This is the story of his life and his struggles.

**Our Daily Bread** Book Renter, Incorporated Statins are widely prescribed to lower blood cholesterol levels and claim to offer unparalleled protection against heart disease.

Believed to be completely safe and capable of preventing a whole series of other conditions, they are the most profitable drug in the history of medicine. In this groundbreaking

---

book, GP Malcolm Kendrick exposes the truth behind the hype. He will change the way we think about cholesterol forever. Rubbishing the diet-heart hypothesis, in which clinical trials 'prove' that high cholesterol causes heart disease and a high-fat diet leads to heart disease, Kendrick lambastes a powerful pharmaceutical industry and unquestioning medical profession, who, he claims, perpetuate the madcap concepts of 'good' and	'bad' cholesterol and cholesterol levels to convince millions of people to unnecessarily spend billions of pounds on statins. Clearly and comprehensively debunking assumptions on what constitute a healthy lifestyle and diet, "The Great Cholesterol Con" is the accessible, indispensable and absorbing case against statins and for a more common-sense approach to heart disease and general wellbeing. No more over-hyped miracle	drugs; no more garlic, red wine, anti-oxidants, fruit or vegetables; even a vegetarian diet is rejected in this controversial yet authoritative critique of how we have been misled over how food and drugs affect our coronary health. Here, for the first time, is the invaluable guide for anyone who though there was a miracle cure for heart disease, "The Great Cholesterol Con" is a fascinating breakthrough that will set dynamite under the

Xlibris Corporation  
Growing a Successful  
Marriage through Faith  
tells the story of  
marriage. The book has

many facets; first, it describes the institution of marriage as it was meant to be, between a man and a woman. It tells of their relationship with the Creator, which is the bond that holds the marriage together. Second, it tells of choices made by a man and a woman that break the marriage bond. Finally, it is a story about grace and redemption, which is a free gift offered by God (through faith) to restore the bond. I refer to this book as a marriage-faith help book, a book to assist couples to protect their marriage vows, as well as to cultivate their marriage in producing the fruit of the Spirit. Refining a marriage through faith requires not only having a personal relationship with God and allowing him to guide ones decision making but also being obedient to Gods instructions. Growing a Successful Marriage through Faith not only represents an individual spiritual

---

journey, in which God redeems a person through a personal relationship with him, but it also represents a spiritual marital journey where God redeems the marriage and restores the marriage bond through the Holy Spirit. When the Holy Spirit bonds a marriage together, the marriage is in a state of holy matrimony. The book *Growing a Successful Marriage* through Faith tells of my personal life story, and possibly, there are parts of the story that others may be able to relate to. I think this book is unique in that it combines a life situation caused by personal choices with what the Bible says about the situation then reinforces the lesson through the essence of visuals in nature. In this case, the visuals are photographs of an okra plant that grew between the blocks of concrete. Questions are presented to the reader throughout the text not only to engage the reader but also to reinforce that the solutions to relationship issues require self-examination and spiritual solution. The answers that you give may be reflections of your problem-solving approach, whether spiritual or otherwise. In the Bible, Jesus often used parables that involved nature, and he performed miracles. Both mediums were used to grow faith. The book also serves to encourage those who are going through personal trials

---

in their lives, whether marriage, health problems, or any other difficult life circumstance, to study the Word of God and pray that God sends the Holy Spirit to move in their lives. When your relationship with God becomes close-up and personal, he gives you spiritual discernment (that is, the wisdom to put your lives circumstances in their proper perspective), and he gives you inner peace.	Publishing In the seven months since the release of the first edition of this book, 22 more children have lost their autism diagnosis and returned to a state of health, for a total of 115 recovered children and counting. Hundreds more have lost ATEC points, as well as shown many cognitive,	behavioral, emotional and physical gains thanks to the protocol outlined in these pages. This edition includes all protocol updates and a whole lot more including: (1) how to heal older, self-injurious and/or aggressive children; (2) GcMAF and its role in healing autism; (3) gluten's role in
