This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year—one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from

a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

Are you believing the great lie that God does not, maybe even could not, love you? The real you? Women struggle under the ongoing weight of "not-enough-ness." Not attractive enough. Not smart enough. Not fit enough. Not creative enough. Not good enough. Not sexy enough. Not strong enough. Not whole enough. Not womanly enough. And therefore, not beautiful. We are broken and ashamed to be so. In our eyes, brokenness makes us unlovable and unusable. But in his Word, God is clear that he sees us the way we already are in Christ: deeply loved and abundantly influential. Yet we hang back, believing instead the toxic not-enough labels. Hello, Beauty Full explodes the shame-based mythology of our "not-enough-ness." Instead of believing the hiss of the enemy, women are encouraged to see their beauty the way God does. Chapters include: Voice Lessons: Beauty in Your Unique Personality Valuable Vessels: Beauty in Your Physical Body A Womb of Your Own: Beauty in Your Creative Purpose Scar Stories: Beauty in Your Painful Story Have Your Sway: Beauty in Your Influential Legacy Challenged to not settle for emptiness when Jesus came to give life to the full, women will find the freedom they need to accept their identities when they not only hear but embrace God's heavenly message: "Hello, Beauty Full!"

Her Daily Bread Book Renter, Incorporated

A novel about what happens when we view our neighbours as "The Other" and the transformative

power of unlikely friendships; Our Daily Bread is inspired by the true story of the Goler Clan of Nova Scotia. The God-fearing people of Gideon shun the Erskine Clan, who have lived on North Mountain in poverty, secrecy and isolation, believing their neighbours to be beyond salvation. "That's the mountain," they say. "What do you expect from those people?" Yet in both groups nearly everyone has secrets and nothing is as it seems. On the mountain, Albert Erskine dreams of a better and safer life for his younger brothers and sisters. He lives by his code: "You keep your secrets to yourself and you keep your weaknesses a secret and your hurts a secret and your dreams you bury double deep." In town, young Ivy Evans is relentlessly bullied by her classmates. Though her father, Tom, is a well-liked local, his troubled marriage to a restless outsider is a source of gossip. As rumors and innuendo about the Evans family spread, Ivy seeks refuge in Dorothy Carlisle, an independent-minded widow who runs a local antique store. When Albert ventures down the mountain and seizes on the Evanses' family crisis as an opportunity to befriend Ivy's vulnerable teenage brother, Bobby, he sets in motion a chain of events that changes everything.

Drawing on newly available archival materials including official documents, reports, and personal accounts, this remarkable study presents a detailed picture of the living standards of various social groups in prewar Soviet Russia, and the role of state-controlled distribution of food and goods as a tool of the Stalinist dictatorship. The study offers a new perspective not only on the period of collectivization, industrialization, and terror but also on the regime's most rudimentary method of controlling human behavior and reshaping the social order. In her conclusion the author analyzes the long-term impacts of the Stalinist "dictatorship of distribution", from bureaucratization to rural depopulation to the emergence of a distinctive type of black-market economy.
