For Christians, prayer is the main way we communicate with God - but what can we do when we struggle with the question of how to pray or feel our prayer lives are lacking? *Seven Ways to Pray* explores how by looking to ancient prayer practices of Christianity, we can find fresh ways to relate to God today. Discovering these tried and tested tools will not only strengthen our relationship with him but will bring us joy, contentment, growth and transformation. With warmth and encouragement, Amy Boucher Pye takes us through seven ways to pray to God: praying with the Bible, receiving and extending forgiveness, practicing God's presence, listening prayer, the prayer of lament, praying with the gospels imaginatively and the prayer of examen. Guiding us through their history, she shows us how easily we can make these prayer practices part of our lives and use them to grow closer to God. Along with prayer exercises to help us engage directly with God, there are questions for individual reflection or small-group discussion, making *Seven Ways to Pray* perfect to use as a family, in churches or with friends. This is a book for anyone who has ever wondered how to pray or is looking for ways to revitalise their prayer lives. It will give you an understanding of some of the oldest prayer practices of Christianity, and equip you with the tools you need to renew and refresh your relationship with God. Come along, and discover *Seven Ways to Pray*.

FOR DISTRIBUTION OUTSIDE THE USA. In *The Land Between*, author Jeff Manion uses the biblical story of the Israelite's journey through Sinai desert as a metaphor for being in undesired, transitional space. After enduring generations of slavery in Egypt, the descendants of Jacob travel through the desert (the land between) toward their new home in Canaan. They crave the food of their former home in Egypt and despise their present environment. They are unable to go back and incapable of moving forward. *The Land Between* explores the way in which their reactions can provide insight and guidance on how to respond to God during our own seasons of difficult transition. The book provides fresh biblical insight for people traveling through undesired transitions (e.g. foreclosure, unemployment, parents in declining health, post-graduate uncertainty, business failure, etc.) who are looking for hope, guidance, and encouragement. While it is possible to move through transitions and learn little, they provide our greatest opportunity for spiritual growth. God desires to meet us in our chaos and emotional upheaval, and he intends for us to encounter his goodness and provision during these upsetting seasons.

Our Daily Bread The Good Book Company

A novel about what happens when we view our neighbours as

“The Other” and the transformative power of unlikely friendships, Our Daily Bread is inspired by the true story of the Goler Clan of Nova Scotia. The Erskine Clan, long shunned by the people of Gideon, live in secrecy and isolation on North Mountain. For generations, the clan’s children have suffered unspeakable acts of abuse, incest and psychological torture. The intolerant, self-righteous Gideonites decline to intervene, believing their neighbours to be beyond salvation. Yet in both groups, nearly everyone has secrets, and nothing is as it seems. Twenty-one-year-old Albert Erskine dreams of a better life and explains to his new friend, Bobby Evans, a teenager from town, the meaning of the “man’s code”: “You keep your secrets to yourself and you keep your weaknesses a secret and your hurts a secret and your dreams you bury double deep.” Bobby’s eight-year-old sister, Ivy, suffers from incessant bullying by her classmates. Her father, Tom Evans, a local bread delivery man, struggles to keep his troubled marriage together. As rumours and innuendo about the Evans family spread, Ivy seeks refuge in the company of Dorothy Carlisle, an independent-minded widow who runs a local antiques store. When Albert ventures down from the mountain, he sets in motion a chain of events that changes everything.

The death of a child should never pre-date that of their parents. It's happening far too often more and more in the current generation. The cause of the current epidemic of depression and teen suicide will be studied for decades to follow. In the present, we as parents must open our eyes, our ears, our minds, and our hearts to a desperate situation. The second leading cause of death of our young people is suicide. When, during your own youth did you ever give serious and pensive thought to taking your own life? Perhaps in a fleeting moment when you experienced sharp pain of a love lost or a word said, but today, the option of suicide is "on the menu" of choices and our youth talk about that menu item daily. We implore readers to learn about this taboo topic... "The 'S' Word" and to help ensure it is not kept a subject we don't talk about, but rather one we openly acknowledge and fight against as informed parents to a lost and lonely generation.
