Gary Chapman and Rick
Osborne help children learn
about the importance of love in
this wonderfully imaginative
and classically illustrated
children's hardcover book
featuring four-color illustrations
(with hidden details!) by Wilson
Williams, Jr., and based on
Gary's bestselling *The 5 Love
Languages*. Each child in this
entertaining and playful story
learns that they have a primary
love language that when
"spoken" by others, makes
them feel loved. As the five
children in the story interact
with Mr. Chapman and the
unique animals at his special
zoo/museum/theme
park/birthday party palace,

they come to understand their own love language! Readers, especially children ages 5–8, are sure to recognize their own love language as the story develops, and at the end of the book is a fun quiz that will help parents and children identify their own love language. The cast of child characters in this whimsical story include: Penny, Peyton's twin sister, who receives love best when others spend quality time with her. Mr. Chapman introduces Penny to Horace, a Ragdoll Cat who just wants to be with Penny. Jayla, one of Penny's close friends, is always saying nice things about people. Her love language is words of

affirmation. Jayla's perfect pet pal is Pamela, an African Grey Parrot, who repeats the nice things Jayla says about others. Kevin, one of Peyton's close friends, enjoys giving things to people. So does his special pet Chipo, a Capuchin Monkey! Sofia loves to pet the animals, and to show her love for others with special hugs. Physical touch is Sofia's love language. Snuggles

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-

letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
