Our Dumb Century 2000 Day-By-Day Calendar Boxtree, Limited You Are Worthless is the self-help book from hell. This bracing blast of negativity takes aim at the impossibly cheerful "inspirational self-help" books flooding the market and hits the bullseye, with chapters such as "Your Good-for-Nothing Friends," "Your Miserable Job," and "Life: What's the Use?" This hilarious parody collects hundreds of tidbits of painful reality such as "You're no good, you're not great-looking, and you're going to die someday and it's probably going to hurt." Who among us isn't sick to death of the gushy, new-agey inspirational books that blindly assert that everyone is worthy? We all know the truth, and this book is as refreshing as a slap to the face. Just some of the depressingly humorous nuggets of truth include:* You don't really have any outstanding qualities. It's safe to say you're pretty much just like everybody else.* The only reason your pet likes you is because you feed it.* As you get older, you are going to have less and less control over your bladder.* If you take a big risk and follow your dream, chances are you're going to fall flat on your face. You Are Worthless also features a section called "Hopeless Role Models from History," including Helen Keller ("I've had it"), and Abraham Lincoln ("Theonly thing I'm good at is losing").

In the great tradition of the American almanac, The Areas of My Expertise is a brilliant and hilarious compendium of handy reference tables, fascinating trivia, and sage wisdom on all topics large and small. Although bestsellers such as Poor Richard 's Almanack and The Book of Lists were certainly valuable, they also were largely true. Here is a different kind of handy desk reference, one in which all of the historical oddities and amazing true facts are sifted through the singular, illuminating imagination of John Hodgman—which is the nice way of saying: He made it all up. John Hodgman brings his considerable expertise to bear in answering all of the questions book buyers have been asking: -What are the mottoes of the 51 United States? THE ANSWER IS PROVIDED -Who were the U.S. presidents who had hooks for hands? THE ANSWER IS PROVIDED -What role does the Yale secret society "Skull and Bones" play in the secret world government? THERE IS NO SECRET WORLD GOVERNMENT -What was the menu at the first Thanksgiving, and did it include eels? Technically, that is two questions, but do not apologize, for John Hodgman shall answer them both . . . LATER. -Aside from a compendium of fake trivia, what is the best kind of book to write? A SIMPLE TABLE OF THE 55 MOST DRAMATIC LITERARY SITUATIONS PROVIDES THE ANSWER, and John Hodgman is the

author of that table. Imagine if The Book of Lists had been rewritten by Peter Cook and Jorge Luis Borges under the pseudonym of "John Hodgman" and then renamed The Areas of My Expertise, and you will only begin to have a sense of the dizzying, uproarious, sublimely weird, and strangely wise journey that is contained within this book (along with all the pages and words). Perfect for anyone who thirsts for knowledge, and especially for collectors of books of fake trivia, The Areas of My Expertise offers through absurdity a better understanding of the world we share—and recognizes that while the truth may be stranger than fiction, it is never as strange as lies . . . or as true. Look out for John Hodgman's latest book, Vacationland, available from Viking in Fall 2017. You Are Old Three Rivers Press
