Our Lady of Guadalupe takes you to a time when a modest Aztec peasant had a vision of a radiant woman "clothed in the sun." This divine presence began to emerge as a union between Mary of Christianity and the Mother Goddess of the native people. As her legend swept across the crumbling Aztec empire, she inspired millions of followers to peacefully embrace a changing world. Today, the beloved Lady of Guadalupe still acts as a benevolent, merciful force to help us rise above strife and violence. For those times when we are called to engage in compassionate yet decisive action, it is the force of the divine feminine embodied by Our Lady of Guadalupe that can guide our path. With poetry, prayers, and art gathered together by editor Mirabai Starr, Our Lady of Guadalupe gives you a powerful link to this blessed mother, and to the loving and righteous grace of her sacred energy.

In **Our Lady of Guadalupe and Saint Juan Diego**, Eduardo Ch á vez presents the most important points of the Great Guadalupan Event: the apparition of Our Lady of Guadalupe to Juan Diego, a recently converted indigenous man, in Mexico. Through a utilization of the numerous historical documents and investigations of this event, Ch á vez details the reality of what occurred in the cold winter of 1531. As described by Pope John Paul II, "The Guadalupan Event is the perfectly inculturated Evangelization model." Ch á vez's historical analysis not only represents strong scholarship, but also draws the reader closer to the spiritual power of the events. As the newest contribution to the series *Celebrating Faith: Explorations in Latino Spirituality and Theology*, this work is of course ideal for use in Latino Studies, but also appeals to wider audience more curious about the Guadalupan event and its meaning for contemporary Christianity.

Nearly a decade after Spain's conquest of Mexico, the future of Christianity on the American continent was very much in doubt. Confronted with a hostile colonial government and Native Americans wary of conversion, the newly-appointed bishop-elect of Mexico wrote to tell the King of Spain that, unless there was a miracle, the continent would be lost. Between December 9 and December 12, 1531, that miracle happened, and it forever changed the future of the continent. It was then that the Virgin Mary famously appeared to a Native American Christian convert on a hilltop outside of what is now Mexico City. The image she left imprinted on his cloak or tilma has puzzled scientists for centuries, and yet Our Lady of Guadalupe 's place in history is profound. A continent that just months before the apparitions seemed completely lost to Christianity suddenly and inexplicably embraced it by the millions. Our Lady of Guadalupe's message of love replaced the institutionalized violence of the Aztec culture, and built a bridge between two worlds — the old and the new — that were just ten years earlier engaged in brutal warfare.

Today, Our Lady of Guadalupe continues to inspire the devotion of millions. From Canada to Argentina — and even beyond the Americas — one finds great devotion to her, and great appreciation for her message of love, unity and hope. Today reproductions of the Virgin 's miraculous image can be seen throughout North and South America, in churches and homes, on billboards and even clothing apparel. Her shrine in Mexico City, where the miraculous image is housed to this day, is one of the most visited in the world. In **Our Lady of Guadalupe: Mother of the Civilization of Love**, Anderson & Chavez trace the history of Our Lady of Guadalupe from the sixteenth century to the present discuss of how her message was and continues to be an important catalyst for religious and cultural transformation. Looking at Our Lady of Guadalupe as a model of the Church and Juan Diego as a model for all Christians who seek to answer Christ's call of conversion and witness, the authors explore the changing face of the Catholic Church in North, Central, and South America, and they show how Our Lady of Guadalupe's message was not only historically significant, but how it speaks to contemporary issues confronting the American continents and

people today.

Standard histories on the Age of Colonization tell a sad story of the ills inflicted on indigenous peoples by exploitative Western powers. This book offers a realistic corrective. The Spanish conquest of the New World is shown vividly—in its fervor and exuberance, but most importantly, with its central evangelical and civilizing impulse that transformed the Americas from savagery into a central part of Christendom.

"In **The Virgin of Guadalupe**, Lutheran minister Maxwell E. Johnson recognizes that this tradition is important not only to Latin American Catholics but also to all Latin American Christians. Acknowledging the significance (if not, necessarily, the historical accuracy) of the appearance of the Virgin is not simply a Roman Catholic need but a necessity for all Christian churches among whom the Hispanic presence is growing.

This relatively short book is widely regarded as the best on the apparition of Our Lady in 1531 in Mexico City. Tells the complete story, from the Conquest of Mexico and the conversion of the Aztecs, through the development of the devotion and into the modern era. Shows that the picture is not a painting, but more like a photograph, and how under normal circumstances it should have disintegrated in 20 or 30 years. Describes several miracles that saved it and the remarkable power of the devotion. An enthralling story and an essential devotion.

Our Lady of Guadalupe in Mexico is one of the most popular apparitions of the Blessed Virgin Mary in the whole world. Only a few people know that the Virgin Mary appeared to a Spanish shepherd called Gil Cordero several hundred years before appearing to St. Juan Diego on Tepeyac Hill. The story of the image that Gil Cordero found buried in Extremadura, Spain harks back to the first century. According to well-attested traditions, the first miraculous image of Our Lady of Guadalupe was carved by St. Luke, the author of the Gospel According to St. Luke, and the Acts of the Apostles. Famous men, like Christopher Columbus, Hernan Cortez, Pedro de Alvarado, Alfonso XI of Spain, King Ferdinand, and Queen Isabella had a

strong devotion to Our Lady of Guadalupe. When the Virgin Mary appeared to St. Juan Diego in 1531, the name "Our Lady of Guadalupe" already had a long record of miraculous events. This book traces the story of Our Lady of Guadalupe to the days of St. Luke, then to the apparition of Our Lady on Tepeyac Hill, the entrance in history of the miraculous tilma of St. Juan Diego, and the extraordinary scientific investigations that have left so many scientists baffled, and caused the conversion of one Nobel Prize scientist to Catholicism. Our Lady of Guadalupe has a message for all of us in this generation. Millions have found Christ through her advocacy. Hers is perhaps the most astonishing story of our age.
