Office Hours: Day and Night New American Library of Canada
New York Times bestselling author of *Labor Day* With a New Preface When it was first published in 1998, *At Home in the World* set off a furor in the literary world and beyond. Joyce Maynard's memoir broke a silence concerning her relationship—at age eighteen—with J.D. Salinger, the famously reclusive author of *The Catcher in the Rye*, then age fifty-three, who had read a story she wrote for *The New York Times* in her freshman year of college and sent her a letter that changed her life. Reviewers called her book "shameless" and "powerful" and its author was simultaneously reviled and cheered. With what some have viewed as shocking honesty, Maynard explores her coming of age in an alcoholic family, her mother's dream to mold her into a writer, her self-imposed exile from the world of her peers when she left Yale to live with Salinger, and her struggle to reclaim her sense of self in the crushing aftermath of his dismissal of her not long after her nineteenth birthday. A quarter of a century later—having become a writer, survived the end of her marriage and the deaths of her parents, and with an eighteen-year-old daughter of her own—Maynard pays a visit to the man who broke her heart. The story she tells—of the girl she was and the woman she became—is at once devastating, inspiring, and triumphant.

Our Journey Harper Collins
NEW YORK TIMES BEST SELLER • An inspiring and intimate self-portrait of the champion of equality that encompasses her brilliant tennis career, unwavering activism, and an ongoing commitment to fairness and social justice. “ A story about the personal strength, immense growth, and undeniable greatness of one woman who fearlessly stood up to a culture trying to break her down. ” —Serena Williams In this spirited account, Billie Jean King details her life's journey to find her true self. She recounts her groundbreaking tennis career—six years as the top-ranked woman in the world, twenty Wimbledon championships, thirty-nine grand-slam titles, and her watershed defeat of Bobby Riggs in the famous "Battle of the Sexes." She poignantly recalls the cultural backdrop of those years and the profound impact on her worldview from the women's movement, the assassinations and anti-war protests of the 1960s, the civil rights movement, and, eventually, the LGBTQ+ rights movement. She describes the myriad challenges she's hurdled—entrenched sexism, an eating disorder, near financial peril after being outed—on her path to publicly and unequivocally acknowledging her sexual identity at the age of fifty-one. She talks about how her life today remains one of indefatigable service. She offers insights and advice on leadership, business, activism, sports, politics, marriage equality, parenting, sexuality, and love. And she shows how living honestly and openly has had a transformative effect on her relationships and happiness. Hers is the story of a pathbreaking feminist, a world-class athlete, and an indomitable spirit whose impact has transcended even her spectacular achievements in sports.

Our World Simon and Schuster
A wryly funny and surprisingly moving account of an extraordinary life lived almost entirely in the public eye A teen idol at fifteen, an international icon and founder of the Brat Pack at twenty, and one of Hollywood's top stars to this day, Rob Lowe chronicles his experiences as a painfully misunderstood child actor in Ohio uprooted to the wild counterculture of mid-seventies Malibu, where he embarked on his unrelenting pursuit of a career in Hollywood. The Outsiders placed Lowe at the birth of the modern youth movement in the entertainment industry. During his time on *The West Wing*, he witnessed the surreal nexus of show business and politics both on the set and in the actual White House. And in between are deft and humorous stories of the wild excesses that marked the eighties, leading to his quest for family and sobriety. Never mean-spirited or salacious, Lowe delivers unexpected glimpses into his successes, disappointments, relationships, and one-of-a-kind encounters with people who shaped our world over the last twenty-five years. Rob Lowe's New York Times bestselling autobiography, *Stories I Only Tell My Friends*, shares tales that are as entertaining as they are unforgettable.

At Home in the World Simon & Schuster
Dr. Janet Travell was White House Physician under Presidents Kennedy and Johnson, the first woman to hold the post. She is also credited with the discovery of trigger points in the treatment of pain, specializing in myofascial pain.

The World Deserves My Children Knopf
Roland Johnson's autobiography is the triumphant story of a man who rose above an intellectual disability and devastating abuse to become a

prominent leader in the self-advocacy movement. As a child, Roland was sent away to live at the infamous Pennhurst State School in Pennsylvania, where he was sexually assaulted and forced to do unpaid manual labor. When he finally got out, he discovered the "real world" had no place for people like him - people who weren't considered normal or valuable by societal standards. Through a hospital counseling program, Roland ultimately began to find his voice. He discovered an ability to speak his truth and to fight for other people with disabilities. He would become president of Speaking for Ourselves and bring wide-scale awareness to the struggles faced by people with disabilities, as well as the unique gifts those same people have to offer. Lost in a Desert World brings you into Roland's life through his own voice and both encourages and challenges you to connect to your own humanity as a means of connecting with the humanity present in all people. Roland Johnson was a man of great courage, vision, and determination. He had an alternate kind of intelligence - one not based on what we call intellect. In Roland Johnson's world, understanding - one person for another - is the way of the future, the only route to true freedom. **CRITICAL PRAISE** "Roland Johnson has an important story to tell. In writing this truth-telling autobiography, he becomes a powerful witness to the cost of segregation and the hope of community." - Joseph P. Shapiro, author of *No Pity: People with Disabilities Forging a New Civil Rights Movement* "Roland Johnson was a friend and a hero of mine. He was a great pioneer of the frontier of human being. Read his book." - Justin Dart, father of the ADA, Americans With Disabilities Act, and Chairperson of the President's Committee on Employment of People with Disabilities under President Bush "Roland Johnson was a good and true man whose friendship I cherished. He was a teacher to many of us, and now this book will carry his voice across the country." - Gunnar Dybwad, internationally respected advocate and past president of the International League of Societies for Persons with Mental Handicaps "Roland is a man who accepted you for who you were. He was a friend to everyone and wanted to help people live their dreams and have control over their lives. It was an honor to have him as my friend." - Tia Nelis, Chair of the Board of Self-Advocates Becoming Empowered (SABE) "It is rare, even in fiction let alone autobiography, when an author's words leap off the page through the ear to awaken the reader's heart. I never knew Roland Johnson. But thanks to Karl Williams, I am able to know Roland's playful spirit, his soul full of knowing, the truth of his experience. Bravo to both." - Lucy Gwin, Mouth Magazine "... Intimate and vivid portrayal ... Roland Johnson's autobiography ... breaks new ground regarding the authenticity with which it projects his voice ... Karl Williams' preservation of Roland's words, and Roland's voice, his unique manner of speaking intact, shines new light on the meaning of 'speaking for ourselves.' ... (A) work of pioneering authenticity ..." - Melissa Probst, AAMR Journal "Lost In a Desert World is so good and Roland's talking is so much like him, it felt like I was in the same room with him again ... Loved every minute of it ... It made me want to reach out and hug him ..." - Robert Perske, Author *Stories I Only Tell My Friends* Picador Gary tells of his journey back to professional success and mental and physical health. From reforming Take That to critical and commercial acclaim and reigniting his own legendary songwriting career; to overcoming his weight problems and crippling obsession with food; to TV judging panel stardom and at last finding balance in both his personal and professional life Too Much and Never Enough Hachette UK The stand-up comedian presents a funny collection of essays on being a mom that explores themes like "geriatric" motherhood, parenting in an environmental panic, fear and love, and conflicting advice on raising children. The End of the World as We Know it New Directions Publishing

Draws on more than forty interviews with Steve Jobs, as well as interviews with family members, friends, competitors, and colleagues to offer a look at the co-founder and leading creative force behind the Apple computer company. The Room Where It Happened Simon and Schuster This book shares with us the girls' innermost secrets -- their hopes and dreams for the future, their families, their relationships, their style advice and above all their friendship. Zayn Simon and Schuster Discover Michael McIntyre's hilarious life-story in *Life and Laughing*. Michael McIntyre is Britain's biggest comedy star. He has released two record-breaking DVDs, *Live and Laughing* and *Hello Wembley*; hosts his own BAFTA-nominated BBC1 series, Michael McIntyre's Comedy Roadshow; and has picked up British Comedy Awards for Best Live Stand-Up and Best Male TV Comic. Last year he became the youngest ever host of the Royal Variety Performance, and now in 2011 he takes the hot seat as a judge in the hit ITV show Britain's Got Talent. How did he get there? Michael reveals all in his remarkably honest and hilarious autobiography. His showbiz roots, his appalling attempts to attract the opposite sex, his fish-out-of-water move from public to state school and his astonishing journey from selling just one ticket at the Edinburgh Festival to selling half a million tickets on his last tour. Michael McIntyre's *Life and Laughing* is riveting, poignant, romantic and above all very, very funny. Michael McIntyre was born in South London in 1976 to parents from the world of showbiz. His Hungarian mother was a dancer and his Canadian father co-wrote *The Kenny Everett Television Show*. Now he is a stand-up comedian who in 2009 sold out a record six nights at Wembley Arena and four nights at London's O2. Michael lives in North London with his wife Kitty and their sons Lucas and Oscar. This is his first book. All the Beauty in the World Pan Macmillan #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME ’ S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH ’ S “ BOOKS THAT HELP ME THROUGH ” • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as “ required reading, ” a bold and personal literary exploration of America ’ s racial history by “ the most important essayist in a generation and a writer who changed the national political conversation about race ” (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE ’ S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation ’ s history and current crisis. Americans have built an empire on the idea of “ race, ” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates ’ s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children ’ s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward. Little Mix: Ready to Fly (100% OFFICIAL) Simon and Schuster There is only one Ars è ne Wenger - and for the very first time, in his own words, this is his story. In this definitive autobiography, the world-renowned, revolutionary football manager discusses his life and career, sharing his leadership principles for success on and off the field. At Arsenal, Wenger won multiple Premier League titles, a record number of FA Cups, and masterminded the historic 'Invincibles' season of 2003-2004. He changed the game in England forever, popularising an attacking approach and changing attitudes towards nutrition, fitness and coaching methods - and towards foreign managers.

The book charts his extraordinary career, from his rise in France and Japan where he managed Nancy, Monaco and Nagoya Grampus Eight - clubs that also play in red-and-white - to his twenty-two years at the helm in north London. A must-read not only for Arsenal supporters but football fans everywhere, MY LIFE IN RED AND WHITE illuminates the mystique surrounding one of the most respected managers in the world's most popular sport.

Educated Random House

National bestseller 2017 National Book Critics Circle (NBCC) Finalist ABA Indies Introduce Winter / Spring 2017 Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection An intimate and poignant graphic novel portraying one family ' s journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family ' s daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui ' s story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize – winning novelist Viet Thanh Nguyen calls “ a book to break your heart and heal it, ” The Best We Could Do brings to life Thi Bui ' s journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

Soul Survivors Henry Holt and Company

A leading scientist describes his life, his gender transition, his scientific work, and his advocacy for gender equality in science. Ben Barres was known for his groundbreaking scientific work and for his groundbreaking advocacy for gender equality in science. In this book, completed shortly before his death from pancreatic cancer in December 2017, Barres (born in 1954) describes a life full of remarkable accomplishments—from his childhood as a precocious math and science whiz to his experiences as a female student at MIT in the 1970s to his female-to-male transition in his forties, to his scientific work and role as teacher and mentor at Stanford. Barres recounts his early life—his interest in science, first manifested as a fascination with the mad scientist in Superman; his academic successes; and his gender confusion. Barres felt even as a very young child that he was assigned the wrong gender. After years of being acutely uncomfortable in his own skin, Barres transitioned from female to male. He reports he felt nothing but relief on becoming his true self. He was proud to be a role model for transgender scientists. As an undergraduate at MIT,

Barres experienced discrimination, but it was after transitioning that he realized how differently male and female scientists are treated. He became an advocate for gender equality in science, and later in life responded pointedly to Larry Summers's speculation that women were innately unsuited to be scientists. Privileged white men, Barres writes, “ miss the basic point that in the face of negative stereotyping, talented women will not be recognized. ” At Stanford, Barres made important discoveries about glia, the most numerous cells in the brain, and he describes some of his work. “ The most rewarding part of his job, ” however, was mentoring young scientists. That, and his advocacy for women and transgender scientists, ensures his legacy.

The Beautiful Ones Penguin UK

A candid and deeply personal memoir of growing up in the seemingly idyllic world of a small Southern college town reflects on the devastating secrets behind the genteel faade and the effects of a family history of alcoholism on his life.

The Book of Disquiet: The Complete Edition One World

It must be a part of human nature to love drama. We never would have sold as many records -- and we never would have been this popular -- if our member changes did not happen. Up until that point, we were squeaky-clean nice girls who couldn't get on the cover of any magazines. --Beyoncé Knowles They're beautiful, they're talented, they're bootylicious . . . From first kisses and broken hearts to pillow fights and legal battles to losing friends and finding strength in God, Beyoncé Knowles, Kelly Rowland, and Michelle Williams share it all. Their example of survival has made Destiny's Child one of the most beloved, bestselling female groups ever. Here for the first time, the three share the struggles that have made them stronger, from Beyoncé's battles with weight loss and shyness, Kelly's coming to terms with growing up without a dad, and Michelle's triumph over grade-school bullies. They've grown up under the media microscope, and have had to deal with lineup changes and media rumors. Now they set the record straight. The demands and drama, the schedules and scrutiny -- from the tour bus to the dressing rooms to backstage at awards shows, Beyoncé, Kelly, and Michelle talk about what it takes to be successful. Whether it's changing outfits in the rain, changing their hair color, or changing a name, they've done it. Don't be mistaken, they're not a prefab group of young girls -- they're smart, independent women with a lot of soul. When these ladies had only minutes of studio time to work with Wyclef Jean to remix one of their songs, they didn't stress, they just started singing faster -- and the result was a unique sound that put them on the map. Everyone has caught on to the Destiny's Child groove -- Whitney Houston, Bono, and Michael Jackson have all given them props, and the King of Pop himself serenaded them with a rendition of “ Bootylicious. ” Beyoncé, Kelly, and Michelle take you behind the scenes of a video rehearsal at which Aaliyah reworded their practice music, to the set of Austin Powers 3, where a starstruck Beyoncé felt anything but foxy before auditioning for the part of Foxy Cleopatra, and backstage at the Grammys, where a last-minute costume change fiasco nearly kept Michelle from going onstage. With total honesty, these soul survivors not only dish the details of their past, but share their hopes, plans, and dreams for the future.

The World of Yesterday Simon and Schuster

Austrian writer Stefan Zweig's final work, posted to his publisher the day before his tragic death, brings the destruction of a war-torn Europe vividly to life.
