**NEW YORK TIMES BESTSELLER** The complete,

uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert,

---

John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage,

passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows. Hot in Handcuffs Ours to Love I hooked up with my temporary roommate. Now I'll do anything to claim her for good. I'm Noah Weston. For a decade, I've quarterbacked America's most

iconic football team and plowed my way through women. Now I'm transitioning from star player to retired jock—with a cloud of allegation hanging over my head. So I'm escaping to the private ocean-front paradise I bought for peace and quiet. What I get instead is stubborn, snarky, wild, lights-my-blood-on-fire Harlow Reed. Since she just left a relationship in a hugely viral way, she should be the last woman I'm seen with. On second thought, we can help each other... I need a steady, supportive "girlfriend" for the court of public opinion, not entanglements. Harlow is merely looking for nonstop sweaty sex and screaming orgasms that wring pleasure from her oh-so-luscious

body. Three months—that’s how long it should take for us both to scratch this itch and leave our respective scandals behind. But the more I know this woman, the less I can picture my life without her. And when I’m forced to choose, I’ll realize I don’t merely want her in my bed or need her for a ruse. I more than love her enough to do whatever it takes to make her mine for good.
