Eating the Big Fish Walter de Gruyter GmbH & Co KG

The Workshop With a single drop of ink for a mirror, the Egyptian sorcerer undertakes to reveal to any chance comer far-reaching visions of the past. This is what I undertake to do for you, reader. With this drop of ink at the end of my pen, I will show you the roomy workshop of Mr. Jonathan Burge, carpenter

and builder, in the village of Hayslope, as it appeared on the eighteenth of June, in the year of our Lord 1799. The afternoon sun was warm on the five workmen there, busy upon doors and window-frames and wainscoting. A scent of pine-wood from a tentlike pile of planks outside the open door mingled itself with the scent of the elder-bushes which were spreading their summer snow close to the open window opposite; the slanting sunbeams shone through the transparent shavings that flew before the steady plane, and lit up the fine grain of the oak panelling which stood propped against the wall. On a heap of those soft shavings a rough, grey shepherd dog had made himself a pleasant bed, and was lying with his nose between his fore-paws, occasionally wrinkling his brows to cast a

glance at the tallest of the five workmen, who was carving a shield in the centre of a wooden mantelpiece. It was to this workman that the strong barytone belonged which was heard above the sound of plane and hammer singing— Awake, my soul, and with the sun Thy daily stage of duty run; Shake off dull sloth...

Peace Like a River InterVarsity Press

What is the secret behind every successful product? Why are people willing to pay more for a BMW than a Chevrolet? How could Apple iPhones represent only 4% of the world's cell phone market in 2011 but take in 50% of the profits? The answer is quality. In this provocative new book, bestselling author James L. Adams provides a brilliant, in-depth look at the powerful but elusive qualities that can make or break a

product's success. A must-read for managers, designers, manufacturers, and marketers, this groundbreaking approach will change the way you think about your product—and show you why it's more important than ever to deliver the highest quality possible. In *Good Products, Bad Products*, you'll learn how to: : Maximize your product's performance—and minimize the cost Appeal to your customer's emotions—with elegance and sophistication Make sure your product is a perfect fit—that's human, cultural, and global With competition growing stronger and fiercer every year, product quality has become the number-one factor in a company's success. Adams points out that there will always be a stable demand for a high-quality product. By addressing every aspect of product quality—from the technical to the practical to the aesthetic—you can develop a product that your company will be proud of and your customers will love. Along the way, you'll hear fascinating case studies of famous brands that became victims of their own success—like Kodak, IBM, Zenith, and GM—and struggled to recover lost ground. You'll see how some countries like Japan surged ahead by offering better products than anyone on the globe. You'll learn how some U.S. manufacturers remained successful in spite of the foreign market's lower wages. And you'll discover the top industry secrets for prioritizing quality throughout the company, delivering products that are the best in their class. Now more than ever, quality matters. *Good Products, Bad Products* gives you the edge—so you can give your customers the best

product possible. James L. Adams is professor emeritus at Stanford University, where he chaired several programs, taught courses on design and creativity, and participated in many executive programs. Trained as an engineer and artist, he has conducted corporate workshops around the world and has written the bestselling guide to creativity and innovation, *Conceptual Blockbusting*.

Preaching Kicksass Creations

The Christian doctrines of original sin and the historical fall of Adam have been in retreat since the rise of modernity. Here leading scholars present a theological, biblical, and scientific case for the necessity of belief in original sin and the historicity of Adam and Eve in response to contemporary challenges. Representing various Christian traditions, the contributors shed light on recent debates as they present the traditional doctrine of original sin as orthodox, evangelical, and the most theologically mature and cogent synthesis of the biblical witness. This fresh look at a heated topic in evangelical circles will appeal to professors, students, and readers interested in the creation-evolution debate.

Adam Bede WaterBrook

Questions of authorship are central to the late thirteenth-century motet repertoire represented by the seventh section or fascicle of the Montpellier Codex (Montpellier, Biblioth è que interuniversitaire, Section de

m é decine, H. 196, hereafter Mo). Mo does not explicitly attribute any of its compositions, but theoretical sources name Petrus de Cruce as the composer of the two motets that open fascicle 7, and three later motets in this fascicle are elsewhere ascribed to Adam de la Halle. This monograph reveals a musical and textual quotation of Adam ' s *Aucun se sont loe incipit* at the outset of Petrus ' s *Aucun ont trouve triplum*, and it explores various invocations of Adam and Petrus — their works and techniques — within further anonymous compositions. Authorship is additionally considered from the perspective of two new types of motets especially prevalent in fascicle 7: motets that name musicians, as well as those based on vernacular song or instrumental melodies, some of which are identified by the names of their creators. This book offers new insights into the musical, poetic, and curatorial reception of thirteenth-century composers ' works in their own time. It uncovers, beneath the surface of an anonymous motet book, unsuspected interactions between authors and traces of compositional identities.

God, Adam, and You Princeton University Press

Biblical Foundations Award Finalist What does it mean to be created in God's image? How has the fall affected this image? Who are the people of God? Addressing these core questions about spiritual identity, From Adam and Israel to the Church examines the nature of the people of God from Genesis to Revelation through the lens of being created and formed in God's image. Benjamin Gladd argues that living out God's image means serving as prophets, priests, and kings, and he explains how God's people function in these roles throughout Scripture—from Adam and Eve to the nation of Israel, from Jesus to the church. The consistent call of the people of God is to serve as God's image-bearers in the world. This first volume in Essential Studies in Biblical

Theology lays a foundation for subsequent volumes, introducing key biblical-theological themes such as temple, king, priest, prophet, creation, and redemption. Essential Studies in Biblical Theology (ESBT), edited by Benjamin L. Gladd, explore the central or "essential" themes of the Bible's grand storyline. Taking cues from Genesis 1-3, authors explore the presence of these themes throughout the entire sweep of redemption history. Written for students, church leaders, and laypeople, the ESBT offers an introduction to biblical theology.

The Golden Girls meet Dirty Harry... From USA Today bestselling authors When a tree topples over onto Lillian's prized 1948 Tucker Torpedo, these over-50 amateur sleuths are once again scrambling for money. Lucky for them, they have their choice of two cases, but which to take—a suspected art forgery or mysterious trash theft from the county landfill? As usual, things aren't as they first seem, and the women soon find themselves investigating by going undercover and dumpster diving to track down both bad guys. Will they solve both cases in time to repair the Tucker before Lil finds out, or will their sleuthing take them down in the wreckage? Recipes included! (Originally published as In High Cotton in the Granny/G Team series)

Although all books are stand alones, if you would like to read the entire series chronologically and follow the character development, the following is the correct order. The novellas are secondary to the main series.

Sweet Tea and Secrets
Crossway

Back after a four-year hiatus, New York Times bestselling author Scott Adams presents an outrageous look at work, home and everyday life in his new book, *Dilbert and the Way of*

the Weasel. Building on Dilbert's theory that 'All people are idiots', Adams now says, 'All people are idiots. And they are also weasels.' Just ask anyone who worked at Enron. In this book, Adams takes a look into the Weasel Zone, the giant grey area between good moral behaviour and outright felonious activities. In the Weasel Zone, where most people reside, everything is misleading, but not exactly a lie. Building on his popular comic strip, Adams looks into work, home and everyday life and exposes the way of the weasel for everyone to see. With appearances from all the regular comic strip characters, Adams and Dilbert are at the top of their game - master satirists who expose the truth while making us laugh our heads off.

The topic of trauma has been covered in many books, and there are many publications covering the use of SFBT in different settings and with varied client populations. However, the convergence of these topics has, to date, been covered only minutely.

Solution-Focused Brief Therapy with Clients Managing Trauma is a comprehensive overview of how Solution Focused Brief Therapy (SFBT) can be used as a treatment approach for working with clients managing various forms of trauma. It includes an overview of SFBT's basic tenets, a description of the current research supporting SFBT as an evidence-based practice, and a comparison of how SFBT clinicians may approach trauma cases differently than clinicians from other therapeutic

approaches. The bulk of the text uniquely includes chapters contributed by skilled SFBT clinicians, with differing clinical expertise, sharing their knowledge and describing their strength-based, resiliency focus of applying SFBT in different traumatic circumstances. Practitioners and even Master's/doctoral students will find this text invaluable in learning how to best help traumatized clients develop a positive future and move toward healing and health.

"A sweetly charming love story that leaves the reader with a lasting sense of hope." –Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* "The perfect novel to snuggle up with." –Emily Henry, New York Times

bestselling author of *Beach Read* A heartwarming and thoughtful enemies-to-lovers rom-com about two teens—one trying to save his family's failing pinball arcade, the other working for her tech genius dad who wants to take it over—who get trapped together in a snowstorm. Adam Stillwater is in over his head. But the pinball arcade is the only piece of his dad that Adam has left, and he's determined to protect it from Philadelphia's newest tech mogul, who wants to turn it into another one of his cold, lifeless gaming cafés. Whitney Mitchell doesn't know how she got here. Her parents split up. Her boyfriend dumped her. And now she's spending her senior year running social media for her dad's chain of super successful gaming cafés—which mostly consists of trading insults with that decrepit old pinball arcade across town. But when a huge snowstorm hits, Adam and Whitney find

themselves trapped inside the arcade. Cut off from their families, their worlds, and their responsibilities, the tension between them seems to melt away, leaving something else in its place. But what happens when the storm ends? *You Can Go Your Own Way* InterVarsity Press
A New York Times Book Review Editors' Choice Book • When Ohio-born Pru Steiner arrives in New York in 1976, she follows in a long tradition of young people determined to take the city by storm. But when she falls in love with and marries Spence Robin, her hotshot young Shakespeare professor, her life takes a turn she couldn't have anticipated. Thirty years later, something is wrong with Spence. The Great Man can't concentrate; he falls asleep reading *The New York Review of Books*. With their daughter, Sarah, away at medical school, Pru must struggle on her own to care for him. One day, feeling especially isolated, Pru meets a man, and the possibility of new romance blooms. Meanwhile, Spence's estranged son

from his first marriage has come back into their lives. Arlo, a wealthy entrepreneur who invests in biotech, may be his father's last, best hope. Morningside Heights is a sweeping and compassionate novel about a marriage surviving hardship. It's about the love between women and men, and children and parents; about the things we give up in the face of adversity; and about how to survive when life turns out differently from what we thought we signed up for.

From Adam and Israel to the Church

Baker Academic

Christianity Today Biblical Studies Award of Merit For centuries the story of Adam and Eve has resonated richly through the corridors of art, literature and theology. But for most moderns, taking it at face value is incongruous. And even for many thinking Christians today who want to take seriously the authority of Scripture, insisting on a "literal" understanding of Genesis 2-3 looks painfully like a "tear here" strip between faith and science. How can Christians of good faith move forward? Who were

the historical Adam and Eve? What if we've been reading Genesis—and its claims regarding material origins—wrong? In what cultural context was this couple, this garden, this tree, this serpent portrayed? Following his groundbreaking *Lost World of Genesis One*, John Walton explores the ancient Near Eastern context of Genesis 2-3, creating space for a faithful reading of Scripture along with full engagement with science for a new way forward in the human origins debate. As a bonus, an illuminating excursus by N. T. Wright places Adam in the implied narrative of Paul's theology. The *Lost World of Adam and Eve* will be required reading for anyone seeking to understand this foundational text historically and theologically, and wondering how to view it alongside contemporary understandings of human origins. The books in the *Lost World Series* follow the pattern set by Bible scholar John H. Walton, bringing a fresh, close reading of the Hebrew text and knowledge of ancient Near Eastern literature to an accessible discussion of the

biblical topic at hand using a series of logic-based propositions. *Sweet Tea and Second Chances* Kicksass Creations "A harrowing, beautiful, searching, and deeply literary memoir. In these pages, we watch Cree LeFavour evolve from a wounded (and wounding) lost girl to a woman who can at last regard her existence with a modicum of mercy and forgiveness...a story of true self-salvation and transformation."—Elizabeth Gilbert As a young college graduate a year into treatment with a psychiatrist, Cree LeFavour's began to organize her days around the cruel, compulsive logic of self-harm: with each newly lit cigarette, the world would drop away as her focus narrowed to an unblemished patch of skin calling out for attention and the fierce, blooming release of pleasure-pain as the burning tip was applied to the skin. Her body was a canvas of cruelty; each scar a mark of pride and shame. In sharp and shocking language, *Lights On, Rats Out* brings us closely into these years, allowing us to feel the

pull of a stark compulsion taking over a mind. We see the world as Cree did—turned upside down, the richness of life muted and dulled, its pleasures perverted. The heady, vertiginous thrill of meeting with her psychiatrist, Dr. X—whose relationship with Cree is at once sustaining and paralyzing—comes to be the only bright spot in her mental solitude. Her extraordinary access to and inclusion of the notes kept by Dr. X during treatment offer concrete evidence of Cree's transformation over 3 years of therapy. But it is her own evocative and razor-sharp prose that traces a path from a lonely and often sad childhood to her reluctant commitment to and emergence from a psychiatric hospital, to the saving refuge of literature and eventual acceptance of love. Moving deftly between the dialogue and observations from psychiatric records and elegant, incisive reflection on youth and early adulthood, *Lights On, Rats Out* illuminates a fiercely bright and independent woman's charged attachment to a mental health professional and the dangerous

compulsion to keep him in her life at all costs.

Authorship and Identity in Late Thirteenth-Century Motets
Atlantic Monthly Press

The sermon is under attack. This comprehensive biblical theology of preaching examines what it is, how to do it, and why it's so important, exploring the concept's canonical development and relevance for key doctrines.

Deviled Eggs and Deception
InterVarsity Press

Jeff Van Duzer grew up thinking business was the source of much damage and evil in the world, the work of greedy capitalists polluting the environment. Thirty years later he was dean of a business school. In the course of that remarkable transformation, Van Duzer found cause for both hope and concern. He discovered many business people achieving a great deal of good for society as well as a lot of illegal and unethical behavior. Along the

way he found some who thought that merely being honest and kind was what made business Christian. Others said they'd never ask pastors for business advice because they had no interest or experience in their work. After all, wasn't "full-time Christian service" what the church was all about? This book explores the nature and meaning of doing business and finds it calls for much more than most think. Van Duzer presents a profoundly Christian approach that integrates biblical studies with the disciplines of business and economics. Looking beyond the place of ethical principles and the character of the individual, Van Duzer displays a vision of business that contributes to the very purposes of God.

Naigle available as a box set!
IN FOR A PENNY When Lillian
Summer Fairview's husband up
and dies on her, it leaves the
last living member of the most
prestigious family in Summer
Shoals, Georgia, in a hot money
mess. Desperate to keep up the
family name and give the man a
decent burial, penniless Lil
makes a shady deal that lands
her smack-dab in the slammer.
Burdened by her shameful secret
and a crumbling family estate,
Lil entrusts Summer Haven's
care to her best friend,
Maggie, who recruits two more
over-fifty ladies to help. But
when Maggie discovers that
Lil's restitution is ten times
the amount she "borrowed" from
the federal government, she's
convinced Lil has taken the
fall for someone else's crime.
Will these gals be able to
prove Lil was duped, or will
the swindler get away with
hoodwinking a sweet little old
lady? COLLARD GREENS &
CATFISHING Southern matriarch

Lillian Summer Fairview is
settling right nice into
prison, until Big Martha, the
toughest broad on the
cellblock, comes asking for a
favor. Her niece has fallen for
a guy she met online, and
Martha's convinced Mr. Too-Good-
To-Be-True is up to no good.
All Lil's friends have to do is
check out the guy and report
back. Already tied up with a
cantankerous septic system on
Lil's family estate, the
grannies don't have time for
another investigation. If
Summer Haven isn't in shipshape
before the historic society's
inspection, they'll be in deep
you-know-what. But Big Martha
is as persuasive as she is
tough, and when the gals poke
around, they find the guy
doesn't really exist. Will they
be able to track down the
elusive Romeo in the scam-
filled world of online dating,
or will they find themselves in
trouble right up to their
granny panties? CHRISTMAS

COOKIES & A CONFESSION Sheriff
Teague Castro made a mistake
ten years ago that cost him the
love of his life. But Jenny
Northcutt has always been the
woman for him, and he's ready
to do whatever it takes to get
a second chance at love. Jenny
is a divorced mother, and she
has zero time or energy for
romance. But her own mother's
recent move is forcing Jenny to
come face-to-face with Teague,
the man who destroyed her
belief in happily ever. Now,
Jenny can't deny the spark is
still alive, but this time more
than her heart is at risk.
Teague cooks up a plan to woo
Jenny, but a local theft could
ruin both the Christmas holiday
and his odds of winning her
over. Now, with a mysterious
crime to solve, Teague must
once again keep a secret from
Jenny. Will their painful past
repeat itself, or will they get
the gift of a second chance at
love?
Fried Pickles and a Funeral

Harlequin
Evolutionary science teaches that humans arose as a population, sharing common ancestors with other animals. Most readers of the book of Genesis in the past understood all humans descended from Adam and Eve, a couple specially created by God. These two teachings seem contradictory, but is that necessarily so? In the fractured conversation of human origins, can new insight guide us to solid ground in both science and theology? In *The Genealogical Adam and Eve*, S. Joshua Swamidass tests a scientific hypothesis: What if the traditional account is somehow true, with the origins of Adam and Eve taking place alongside evolution? Building on well-established but overlooked science, Swamidass explains

how it's possible for Adam and Eve to be rightly identified as the ancestors of everyone. His analysis opens up new possibilities for understanding Adam and Eve, consistent both with current scientific consensus and with traditional readings of Scripture. These new possibilities open a conversation about what it means to be human. In this book, Swamidass untangles several misunderstandings about the words human and ancestry, in both science and theology explains how genetic and genealogical ancestry are different, and how universal genealogical ancestry creates a new opportunity for rapprochement explores implications of genealogical ancestry for the theology of the image of God, the fall, and people "outside the garden" Some think Adam and

evolution is a myth. Either way, the best available science opens up space to engage larger questions together. In this bold exploration, Swamidass charts a new way forward for peace between mainstream science and the Christian faith.
Ritual America Grove Press
"The Shell Collector is a beautiful story full of love, loss, and second chances."—#1 New York Times bestselling author Debbie Macomber From USA Today bestselling author Nancy Naigle, *The Shell Collector* is a touching novel of a friendship that crosses generations, and learning how even the smallest gifts can change a life for good. Two years after her husband's death, Amanda Whittier has two children to raise alone, an abandoned dream of starting a business, and a fixer-upper cottage by the sea. She has no

room in her life for anything else and little interest in moving on after losing the man she loved. Paul Grant is a relative newcomer to the area, and his work with former military dogs needing rehabilitation has been good for the town. Though he loved once before, he's convinced he's not suited for romance and is determined to find meaning—alone—through his work and role in the community.

Widowed Maeve Lindsay was born and raised on Whelk's Island. Spirited, kind, and a little mischievous, she pours her life into the town. But she carries a secret that shapes her every move. Together, these three souls find encouragement in the most mysterious places and discover a love that's bigger than their pain, healing their wounded hearts in ways none of them could have hoped for or expected.
