Congressional Record Out of a Far Country

The Congressional Record is the official
record of the proceedings and debates of
the United States Congress. It is published
daily when Congress is in session. The
Congressional Record began publication in
1873. Debates for sessions prior to 1873
are recorded in The Debates and
Proceedings in the Congress of the United
States (1789-1824), the Register of

Debates in Congress (1824-1837), and the
Congressional Globe (1833-1873)

Over 100,000 copies sold! Coming Out, Then
Coming Home Christopher Yuan, the son of Chinese
immigrants, discovered at an early age that he was
different. He was attracted to other boys. As he grew
into adulthood, his mother, Angela, hoped to control
the situation. Instead, she found that her son and her
life were spiraling out of control—and her own
personal demons were determined to defeat her.
Years of heartbreak, confusion, and prayer followed
before the Yuans found a place of complete
surrender, which is God ' s desire for all families.
Their amazing story, told from the perspectives of
both mother and son, offers hope for anyone affected
by homosexuality. God calls all who are lost to come
home to him. Casting a compelling vision for holy
sexuality, Out of a Far Country speaks to prodigals,
parents of prodigals, and those wanting to minister to
the gay community. “ But while he was still a long

way off, his father saw him and felt compassion, and ran and embraced him and kissed him. ” - Luke 15:20 Includes a discussion guide for personal reflection and group use.

Praised as “ a work of wild, vaulting ambition and achievement ” by Entertainment Weekly, Jamie O ’ Neill ’ s first novel invites comparison to such literary greats as James Joyce, Samuel Beckett and Charles Dickens. Set during the year preceding the Easter Uprising of 1916—Ireland ’ s brave but fractured revolt against British rule—*At Swim, Two Boys* is a tender, tragic love story and a brilliant depiction of people caught in the tide of history. Powerful and artful, and ten years in the writing, it is a masterwork from Jamie O ’ Neill. Jim Mack is a naïve young scholar and the son of a foolish, aspiring shopkeeper. Doyler Doyle is the rough-diamond son—revolutionary and blasphemous—of Mr. Mack ’ s old army pal. Out at the Forty Foot, that great jut of rock where gentlemen bathe in the nude, the two boys make a pact: Doyler will teach Jim to swim, and in a year, on Easter of 1916, they will swim to the distant beacon of Muglins Rock and claim that island for themselves. All the while Mr. Mack, who has grand plans for a corner shop empire, remains unaware of the depth of the boys ’ burgeoning friendship and of the changing landscape of a nation.

#1 NEW YORK TIMES BESTSELLER • In this powerful new collection of oil paintings and stories, President George W. Bush spotlights the inspiring journeys of America ’ s immigrants and the contributions they make to the life and prosperity of our nation. The issue of immigration stirs intense emotions today, as it has throughout much of American history. But what gets lost in the debates about policy are the stories of immigrants themselves, the people who are

drawn to America by its promise of economic opportunity and political and religious freedom—and who strengthen our nation in countless ways. In the tradition of *Portraits of Courage*, President Bush ’ s #1 New York Times bestseller, *Out of Many, One* brings together forty-three full-color portraits of men and women who have immigrated to the United States, alongside stirring stories of the unique ways all of them are pursuing the American Dream. Featuring men and women from thirty-five countries and nearly every region of the world, *Out of Many, One* shows how hard work, strong values, dreams, and determination know no borders or boundaries and how immigrants embody values that are often viewed as distinctly American: optimism and gratitude, a willingness to strive and to risk, a deep sense of patriotism, and a spirit of self-reliance that runs deep in our immigrant heritage. In these pages, we meet a North Korean refugee fighting for human rights, a Dallas-based CEO who crossed the Rio Grande from Mexico at age seventeen, and a NASA engineer who as a girl in Nigeria dreamed of coming to America, along with notable figures from business, the military, sports, and entertainment. President Bush captures their faces and stories in striking detail, bringing depth to our understanding of who immigrants are, the challenges they face on their paths to citizenship, and the lessons they can teach us about our country ’ s character. As the stories unfold in this vibrant book, readers will gain a better appreciation for the humanity behind one of our most pressing policy issues and the countless ways in which America, through its tradition of welcoming newcomers, has been strengthened by those who have come here in search of a better life.

Investigation of the National Defense Program
Remembrance Day is a proud day for Camilla MacPhee ’ s good friend, Mrs. Violet Parnell, one of five thousand Canadian women to go overseas during World War II. But the next day she has vanished. Camilla, with only a few letters and documents to guide her, follows her friend to

Tuscany, chasing through historic towns, across high promontories and along steep mountain roads. Vanishing old partisans and Allied aircraft crash sites keep Camilla hopping as she tries to find Mrs. P. before someone with a deadly serious reason to keep the past hidden finds her first. The fifth Camilla MacPhee takes the irascible Ottawa lawyer's adventures to an exotic new locale, with the usual murderous results.
