Hailed as "heartfelt and beautiful" by USA Today, HEA and "Unforgettable!" by USA Today bestselling author, Jamie K. Schmidt, Cecy Robson's Carolina Beach series has everything: unbridled passion, second chance love, millionaire romance, and laugh out loud humor. All three books are connected by the close friendships and love they share on beautiful Kiawah Island, in South Carolina. Now all three novels—Inseverable, Eternal, and Infinite—are together in one steamy eBook bundle. INSEVERABLE Callahan is a former army sniper who wants to make an escape from his past and everything he experienced at war. When he inherits a house on South Carolina's Kiawah Island, he packs his bags, believing he will finally have the peace and seclusion he craves. Unfortunately, Callahan never counted on meeting Trinity. She is a native who has returned to Kiawah for one last memorable summer with friends before leaving for the Peace Corps. Callahan doesn't want to get close to anyone—let alone Trinity. He finds her perkiness insufferable and her attempts to entice his smile distracting. After all, he's in Kiawah to leave all feelings behind. But when it comes to Trinity, who feels everything, it's hard not to feel something. Neither expected to fall in love. And no one could have predicted how inseverable they'd become. ETERNAL After months of bad luck and even worse men, Luciana Diaz just wants to crawl under the covers and forget the year ever happened. Her friend has other plans, convincing Luci to attend a New Year's Eve party on the affluent shores of Kiawah Island. Luci never expected to have fun. She also never expected to wake up next to Landon Summers, a man she just met. Unfortunately, she soon finds out that this man happens to be the new attorney at her firm! After an ugly separation and even worse divorce, Landon has no desire to jump into another relationship. Neither Luci nor Landon planned on meeting each other, and they definitely didn't plan on love. But the New Year means a fresh start, and eternal possibilities neither can deny . . . INFINITE Hale Wilder and Becca Shields grew up together on Kiawah Island. They were close in high school but have not seen each other since that humiliating night long ago when her family caught them on the beach, barely clothed. He strived to be the best student and the best athlete and grew into a successful businessman taking the finance world by storm. Hale is rich, powerful, and seemingly unstoppable. That is until a company scandal threatens to destroy his reputation and bring down everything he has worked for. Becca is now a kickass public relations goddess spinning scandals into gold and launching has-beens into superstardom. She never expected to see Hale again. But, when Becca discovers Hale is in trouble, she can't turn her back on the boy who was once her world and the man she never forgot. Hale never thought he'd have another shot at greatness or with Becca. Now that he has both, he won't let either go without a fight.

The Fractured Series - Box Set One: Books 1 - 3 Simone Leigh Publishing

This is a collection of stand-alone dark thriller romances with a common theme: narrators draw their listeners in to their haunting tales, and these stories have a shocking, life-changing connection to the listeners. "The story, The Mystery Box, that gives this set its name, is worth the price (and much more) all by itself. It's very hard to classify. Sometimes it's a mystery, sometimes predictable. It's both a horror story and a love story. It will leave you outraged sometimes, crying at others. It will set your nerves on edge, and tug (hard) at your heartstrings. Reading it is like being on a very strange rollercoaster. It will run your emotions from one end to another. In several places, it's hard to read without shuddering, shivering, cheering, rejoicing, and crying. The characters are so well written, the plot so intricate, and yet so simple, that it involves you fully in the story without being aware of it. You start in a simple life, with a bored housewife. By the end, if you aren't crying, or at least have tears in your eyes, you are a stronger person than I. It's one of the best stories I've read in my 74 years on this earth."--Allyn,

Goodreads Reviewer

"I would have loved to have three separate books instead of a box set. Each one is a gem by itself; three absolutely different themes, each with special ethos. Imagine what will happen if you can travel faster than light! How about becoming an archaeologist! Each plot has been well conceived, properly laid out in a free flowing manner. It is difficult make a choice between the three divergent books. Only choice is to vote them all in!"--venky. Goodreads Reviewer

"I just finished The Mystery Box Set and all I have to say is be ready for three amazing stories that will keep you reading well into the early morning hours. Many nights I had to set down my Kindle to get some sort of sleep."--Rachel R.

"I have only read The Mystery Box and Mystery Man, but although the "Box" is very, very good, the "Man" is excellent. I did not want it to end. Fabulous writing! Kudos to Eva Pohler, who has not disappointed thus far."--Amy C.

"After reading this box set, I am now a new fan of Eva Pohler! Three totally different mysteries that grabbed me from the first page and had me reading until I was finished. Each one as good as the others. I can't wait to read more of her books!"--Jennie Ersari

"I loved this box set. All 3 books were absolutely gripping. The story lines were totally different, but each so very good. So thought provoking, with surprise twist and turns. I read all 3 books in just a few days, as I couldn't put the kindle down."--Goodreads Reviewer

FINALIST FOR THE 2017 NATIONAL BOOK AWARD FOR FICTION Named a Best Book of 2017 by NPR, Entertainment Weekly, the Los Angeles Times, BuzzFeed, Bustle, and Electric Literature "There was a time I would have called Lisa Ko's novel beautifully written, ambitious, and moving, and all of that is true, but it's more than that now: if you want to understand a forgotten and essential part of the world we live in, The Leavers is required reading." —Ann Patchett, author of Commonwealth Lisa Ko's powerful debut, The Leavers, is the winner of the 2016 PEN/Bellwether Prize for Fiction, awarded by Barbara Kingsolver for a novel that addresses issues of social justice. One morning, Deming Guo's mother, Polly, an undocumented Chinese immigrant, goes to her job at a nail salon—and never comes home. No one can find any trace of her. With his mother gone, eleven-year-old Deming is left mystified and bereft. Eventually adopted by a pair of well-meaning white professors, Deming is moved from the Bronx to a small town upstate and renamed Daniel Wilkinson. But far from all he's ever known, Daniel struggles to reconcile his adoptive parents' desire that he assimilate with his memories of his mother and the community he left behind. Told from the perspective of both Daniel—as he grows into a directionless young man—and Polly, Ko's novel gives us one of fiction's most singular mothers. Loving and selfish, determined and frightened, Polly is forced to make one heartwrenching choice after another. Set in New York and China, The Leavers is a vivid examination of borders and belonging. It's a moving story of how a boy comes into his own when everything he loves is taken away, and how a mother learns to live with the mistakes of the past.
