During the 1750s, rival European colonists sought allies amongst Native American tribes. Abenaki warbands raided the English settlements and participated in the infamous massacre at Fort William Henry -- an incident immortalised in THE LAST OF THE MOHICANS. This episode fuelled an escalating cycle of revenge that reached a bloody climax two years later when Robert Rogers and his rangers were ordered deep within enemy territory to destroy the Abenaki village of St Francis, which they did with ruthless efficiency. However the raiders endured a nightmare journey as they struggled home. Several were caught by vengeful pursuers and tortured to death; others resorted to cannibalism rather than starve in the wilderness. Rogers' raid was celebrated by Anglo-American colonists, and its leader is credited with founding the 'special forces' tradition in the US Army. Others view the St Francis raid as an eighteenth-century My Lai massacre, in which helpless men and women were butchered. Eschewing prejudices, Stephen Brumwell deploys vivid prose and meticulous research to reconstruct this controversial and dramatic episode from America's violent frontier past. She bought a one-way ride on the devil's chopper. The monster is coming to drag her back to the depths of the hell she escaped. But he'll have to go through me. Because she's fallen into my arms... And I'll slaughter any man who tries to take her from me. PARKER The night my fiancée died in my arms, I swore that I would never love again. The tragedy turned my heart to stone. Inked my soul as black as night. I've spent years like this. Drinking, fighting, and f**king the pain away as a patched brother of the Inferno Hunters MC. But when I meet Ellie, everything changes. I want her in my bed. In my arms. On my motorcycle. Ellie deserves better than a broken man like me. But that doesn't stop me from making her mine. And when her filthy ex tries to claw her and her baby daughter back? I swear one thing: I'll get them back or I'll die trying. Because Ellie has turned my heart of rock into a living, beating one. One that'll love her until my dying breath. ELLIE After my divorce, I swore off men. What good did a man ever do me? None - until Parker walked into my diner. He protected me from my abusive beast of an ex-husband... And showed me that there might be some good left in this world. With dark eyes and a voice like sin, the gorgeous biker makes me want to abandon my

oath to keep away from men. And when he touches me? I can hardly remember my name. The bad boy makes me want to believe in happily ever after. But, of course, that's when my ex-husband pounces, relentless in his thirst for revenge against me. He holds me and my baby girl hostage, with who knows what kind of vicious, bloody vengeance looming as the next step in his plan. I can only pray my outlaw hero saves us in time. I may have given up hope of ever finding happiness. But if Parker finds a way to protect me and my daughter... I swear to love him until the end of time. THE DEVIL'S CHOPPER is a full-length, standalone, super steamy, bad boy motorcycle club romance novel from bestselling author ZOEY PARKER. This suspenseful, action-packed MC romance is intended for mature audiences, due to violence, strong language, dark themes and elements, and explicit intimate scenes. The romance between the alpha male bad boy and the fiery woman he can't resist ends with a guaranteed happily ever after (HEA) ending, has absolutely NO CHEATING, and does NOT include a cliffhanger of any kind.

[60 WESTERNS: Cowboy Adventures, Yukon & Oregon Trail Tales, Famous Outlaws, Gold Rush Adventures & much more](#) Createspace Independent Publishing Platform

From tyrannized foreign lands, broken armies, ruined dreams and religious persecution they came, allured by the freedom of an untrammelled land and gold in the gulches. Here a man could strike it rich, then lose it all to murdering highwaymen or find his scalp decorating a warrior's shield. Follow this group, almost a family, in their quests for fame and fortune over a decade long quest to explore the trapper's world of boiling rivers and glass mountains—the world of the great Jim Bridger that finally led to the quest to preserve its wonders for unborn generations. Historical novels generally herald the lives of heroes with superhuman feats and success beyond wildest imagination. The characters of this novel came early to the goldfields, led danger-filled, extraordinary lives on the frontier, but only Jake Smith and Jay Cooke attained the gold ring of Eldorado. Even Bill Fairweather, the snake charmer and discoverer of Alder Gulch had empty pockets when he was found shot to death in his San Francisco hotel room. But these courageous pioneers left future generations something of immense value: Yellowstone National Park. This debut work is a historically authentic storyline brought to life and instilled with the atmosphere and geography of old Montana. Relive those freewheeling days in this last vast wilderness and the most harrowing survival ordeal of the Great American West.

[What Doesn't Destroy Us](#) Harlequin

It is November 1918. Germany has just surrendered after four years of the most savage warfare in history. It is teetering on the brink of total social and economic collapse, and the German people now lie at the mercy of new, liberal politicians who despise everything Germany once stood for. The Communists are rioting in the streets, threatening to topple the new government in Weimar and bring about their own revolution. The frontline soldiers are returning from the hell of the war to find an unrecognizable land, the principles and traditions they had sacrificed so much to defend now the stuff of mockery. The narrator of The Outlaws, a 16-year-old military cadet, is too young to have served in the trenches, but feels the sting of this betrayal no less than they. Since Germany's armies have been all but disbanded, he joins the paramilitary Freikorps - groups of veterans who refuse to lay down their arms, and who have pledged to stop the Communists - and begins fighting, first in the streets of Germany's cities, and then in the Baltic states, defending Germany's eastern frontiers from Communist subversion while ignoring the calls to disengage by the meek politicians at home. After months of intense fighting abroad, the Freikorps soldiers return to settle scores with their enemies in Germany, dreaming of a nationalist counter-revolution, and, their trigger fingers still itchy, fix their sights on bringing down the hated new government once and for all... The Outlaws is a chronicle of the experiences of the men who fought in the Freikorps, but it is also an adventure and a war story about an entire generation of soldiers who loved their homeland more than peace and comfort, and who refused to accept defeat at any price. "What we wanted we did not know; but what we knew we did not want. To force a way through the prisoning wall of the world, to march over burning fields, to stamp over ruins and scattered ashes, to dash recklessly through wild forests, over blasted heaths, to push, conquer, eat our way through towards the East, to the white, hot, dark, cold land that stretched between ourselves and Asia - was that what we wanted? I do not know whether that was our desire, but that was what we did. And the search for reasons why was lost in the tumult of continuous fighting." - p. 65 Ernst von Salomon (1902-1972) was one of the writers of the German Conservative Revolution of the 1920s. Like the narrator of The Outlaws, he was a military cadet at the end of the First World War, and joined the Freikorps, participating in many of the events described in the book, including the assassination of Foreign Minister Walther Rathenau, for which he was imprisoned. He went on to write many books and film scripts.

The Devil's Chopper Harlequin

The little-known story of how a young Wyatt Earp, aided by his brothers, defeated the Cowboys, the Old West's biggest outlaw gang. Wyatt Earp is regarded as the most famous lawman of the Old West, best known for his role in the Gunfight at the O.K. Corral in Tombstone, Arizona. But the story of his two-year war with a band of outlaws known as the Cowboys has never been told in full. The Cowboys were the largest outlaw gang in the history of the American West. After battles with the law in Texas and New Mexico, they shifted their operations to Arizona. There, led by Curly Bill Brocius, they ruled the border, robbing, rustling, smuggling and killing with impunity until they made the fatal mistake of tangling with the Earp brothers. Drawing on groundbreaking research into territorial and federal government records, John Boessenecker's Ride the Devil's Herd reveals a time and place in which homicide rates were fifty times higher than those today. The story still bears surprising relevance for contemporary America, involving hot-button issues such as gang violence, border security, unlawful immigration, the dangers of political propagandists parading as journalists, and the prosecution of police officers for carrying out their official duties. Wyatt Earp saw it all in Tombstone.

A riveting story of American fighting men, Outlaw Platoon is Lieutenant Sean Parnell's stunning personal account of the legendary U.S. Army's 10th Mountain Division's heroic stand in the mountains of Afghanistan. Acclaimed for its vivid, poignant, and honest recreation of sixteen brutal months of nearly continuous battle in the deadly Hindu Kush, Outlaw Platoon is a Band of Brothers or We Were Soldiers Once and Young for the early 21st century—an action-packed, highly emotional true story of enormous sacrifice and bravery. A magnificent account of heroes, renegades, infidels, and brothers, it stands with Sebastian Junger's War as one of the most important books to yet emerge from the heat, smoke, and fire of America's War in Afghanistan.

Devil in Black Loveswept

The sixth rip-roaring book in the "USA Today"-bestselling Matt Jensen series, featuring a hero who lives by the gun and surrenders to no one. Original. e-artnow

This is book 3 and the finale of the Horsemen MC romance series! The devil himself can't keep my woman or my baby away from me. I had Victoria once, and I haven't forgotten her since. She hasn't forgotten me, either. It doesn't matter that there's a whole world trying to tear us apart. Because the baby I left in her belly is the only reason I need to go claim her for myself. MATT My girlfriend cheated on me with my best friend. Afterwards, I told myself that I'd never let a woman get under my skin like that again. But then Victoria walks into my bar and flutters those lashes at me, and I feel that old familiar urge again. I have to have her. So that's exactly what I do. I take her home, make her scream as I bend her senseless. The morning after, though? She disappears. I tell myself it's for the best. Until I realize that little Vicky was keeping a big secret from me. She's got a famous last name, a very rich family, and a closet full of secrets. And one of those secrets? She's carrying my child. But my former partner in crime wants revenge on me. And just as I find my woman again, everything goes wrong. No matter what happens, though, I will get Victoria back. Because she—and our baby—are mine. VICTORIA Growing up the way I did wasn't as great as you'd think. I had everything I ever wanted except for my freedom. My parents won't let me live my life. So, one night, I sneak away and meet the biker. He's the filthiest man I've ever seen. And when he touches me, I don't want him to stop. He takes me home and gives me a night I'll never forget. But that one night has consequences I never could have expected. And when I realize I'm pregnant, I don't know what to do. My parents want me to marry another man. That's when the bad boy storms back into my life. He refuses to give me up, but how can we be together? I'm a princess; he's a biker. But when I'm kidnapped, our differences don't even matter anymore. Because I know that this outlaw is the man for me... ..and that he owns me: body, heart, and soul. *** A secret baby romance between a bad boy alpha male biker heartthrob and an innocent girl with dark secrets? Tell me no more! This new adult contemporary romance will melt your heart from page one. If you love marriage and weddings with unexpected babies, dark romance with sex, or romance suspense thrillers, then this is the book for you. Pick it up today to fall in love with the DEVIL IN BLACK.

Under the Lights (Gone by Autumn Book Two) (a Brothers of Rock Novel) Lulu.com I'M FALLING FOR AN OUTLAW I HATE... MEGAN I wasn't supposed to end up in an outlaw biker's bed. I wasn't supposed to love it. I definitely wasn't supposed to crave his fiery kisses, beg for his touch, or ache to know the man behind the evil looking ink and scarred smirk. I was the good girl. He was the monster. Then everything changed. I became a prisoner. I prayed for Skin to save me. He did - and he kept me for himself. He's no saint, and I'm no angel. They've already taken so much from me. I'm scared he'll take what's left. Never love an outlaw, they said. I believed it. So why can't I stop myself from falling for this bad boy so hard I break? SKIN I went psycho when I saw her in that dirty whorehouse. She's everything I never wanted, a spitfire with a body meant for claiming. Then she told me her secret, and I almost needed a straitjacket. I saved her life instead. I gave her a second chance. I know she's a marked woman, caught between my club and the b*stards I killed. Damn if I won't make her wear my name, even if she's trouble on two long legs I can't stop picturing wrapped around me. I'll brand her, bed her, own her, no matter how much hell I'll pay. Outlaws love like ticking time bombs, and I'm gonna blow Meg's world apart 'til she's begging for more... The Outlaw Love books are stand alone romance novels featuring unique lovers and happy endings. No cliffhangers! This is Skin and Megan's story in the Deadly Pistols MC series.

The Devil's Pact Under the Lights (Gone by Autumn Book Two) (a Brothers of Rock Novel) Levi Sawyer - Dancing with the Devil An Outlaw's Cruel Revenge... After Levi Sawyer came home one day to find his wife murdered and four of his horses stolen, he swore that he would bring justice to the men who committed this terrible crime. He followed the outlaws over the Blue Mountains and into the Walla Walla Valley. When the outlaws abducted a young woman, he became part of the posse that rescued her, killing two of the criminals in the process. But the most dangerous of the band survived...the heartless Willard Pile, who will stop at nothing to get his revenge. Sawyer went back to Montana to settle his affairs, but now he's in the valley again, and ready to make a life with his new love. But Willard Pile has other plans. Sawyer and the men of the Marley Ranch, assisted by their friend Badger, will have to track down Pile and his men. There will be no peace for Levi Sawyer until he fulfills his promise...to stop Willard Pile once and for all. This colorful, compelling historical novel will keep you enthralled from the first page to the last. Evil's Price Spider She's mine. Not because she's in love with me, but because as the Sergeant At Arms for the Devil's Outlaws MC, I'm expected to handle her. I enjoy punishing her for her crime against the MC. The Saxon Outlaw's Revenge

Whatever you do, never, ever blow your cover in front of a devil.... I traded my dress shoes for leather boots, my badge for a hog, and my friends for the club. It's supposed to be temporary, but if I don't live, breathe, and bleed Devil's Pointe MC for even a second, it'll all be over. But one little distraction may prove more powerful than the entire club. One day, they'll call me Lilith and bow at my feet.... Like a weed, I thrive where I'm not supposed to. I stand tall despite my infertile upbringing and the surrounding hostiles who threaten me every day. No, "despite" isn't entirely correct, I do it all to spite them. Mark my words, I'll prove who's tougher and who's the Devil in this narrative. I'm a She-Devil and I intend to show them all what it really means to

be a Devil.

Matt Jensen, the Last Mountain Man E-Book Publishing World Inc.

In the night-still canyons of the Arizona desert, a girl is on the run. Alone but for her beloved red-tailed hawk, she flees from the dark shadows of her young life, the horror she has witnessed...and the terror that now stalks her. New York Times bestselling author J.A. Jance returns with her eighth novel in the highly acclaimed Joanna Brady mystery series. Set against the backdrop of the modern west, this gripping tale finds Sheriff Brady juggling a precarious overload in both her personal and professional lives. About to be married, Joanna's facing a daughter turning twelve and going on twenty, a meddlesome mother micro-managing her wedding, and new in-laws arriving any day. The sudden death of her much-loved neighbor and handyman, Clayton Rhodes, creates further turmoil, leaving Joanna shocked, saddened, and the target of Clayton's irate and irrational daughter, who accuses the Sheriff's Department of covering up a possible murder. But amidst the uproar, the report of a homicide at Cochise Stronghold in the Dragoon Mountains quickly captures Joanna's full attention. An Indian woman has been found shot to death--a woman recently released from prison after serving time for the manslaughter killing of her husband. She is the mother of a missing fifteen-year-old, Lucy Ridder. The death at first appears to be a case of domestic rage finally exploding and a troubled teen runaway may be a victim, or a cold-blooded killer. Yet as Joanna deals with the long-standing troubles of Clayton Rhodes' family and digs deeper into the mysterious life of Lucy and her family, she discovers that investigating family hostilities is leading her down a twisted trail of hatred, greed, and far-reaching consequences--and into a dangerous world where violence is the first response and long buried secrets are a reason to kill...or die. Once again, J.A. Jance delivers a gritty, deftly written thriller that unfolds on a vivid landscape of raw beauty and unrelenting danger. And, as always, Sheriff Joanna Brady brings the setting to life with the sensitivity, spirit, and intense passion for justice that makes Jance novels ring with authenticity.

The Outlaw of Torn UNM Press

"A terrific genre-crossing tale with a deft touch of the macabre." —Donna Thorland, writer on Netflix's The Chilling Adventures of Sabrina Hold on to your hats — the Devil's Revolver series is back with an evil twin, deep magic, zombies, menacing grand balls, a train heist, hand-to-hand high-stakes battles, and two sisters who have grown in their power to face and fight the end of the Weird West. If Hettie Alabama could do what she was told and stand down . . . she might not anyway. Especially when the letters her sister sends from her place of hiding don't seem quite right, and Hettie's posse is tying her hands tighter by the day. She's itching to take the safety off her cursed mage gun, the Devil's Revolver, and walk through the fire to end the reign of evil that's choking the magic out of the West—not to mention save her sister once and for all. The only problem? Hettie's name is in the headlines and on every wanted poster in the nation—but she's not the one robbing banks and killing innocents, even if the pictures look just like her. She's up to her chin in high-necked gowns and beauty glamors, charged with fulfilling her word to the influential Favreau family of New Orleans, even as it becomes increasingly clear that they want only to consolidate the world's waning magic in the hands of the rich and powerful. The politics get more personal as the most loyal of Hettie's gang uncover the threat of an immoderate technology that steals magic from the unwitting innocent and transfers it to the nefarious elite. Hettie has no choice but to go rogue, and when she drops a black hat over her brow, the Devil's Revolver's trigger glows hot. The Devil's Pact stampedes from San Francisco's Chinatown tongs through the glittering high society of Chicago to the hidden swamps of the Deep South in its search for truth, genuine justice, and an end to a world that refuses to recognize the power and change wrought by girls.

Devil's Night Createspace Independent Publishing Platform

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as The New Yorker pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, Hell's Angels is a gripping portrait, and the best account we have of the truth behind an American legend.

Revenge Lulu.com

Thayer He took everything from me. My friends. My family. My club. My freedom. I planned to get it all back. I didn't need any distractions. Yet there she was anyway... Sera He took the only thing that mattered to me. I would do just about anything to get it back. Even if that meant relying on some outlaw biker fresh out of prison with slim to no hope of succeeding in his plan. It was supposed to be a simple arrangement. Quid pro quo. Just business. Nothing personal. But there was no denying it, things were quickly getting very personal...
