Outspoken Angel is Mia Dymond's second book in her Seals, Inc. series. Each book can be read as a stand alone but I do recommend reading the first in the series because Cameron and Max are mentioned a lot in the first book. In Outspoken Angel, Cameron has a stalker and bossy Max Sterling decides he is the perfect one to protect her.

review 1: The second in the SEALS, Inc. is a great read. The main characters, Cameron and Max are very good for each other. The tension that you see in the first book continues throughout this one. Their continued verbal sniping is a cover for the sexual attention that they have for each other.
