HarperCollins

Does the book of Revelation describe in veiled language events of its writer's own day, or is it largely a prophecy of events still to come? In this revised BST volume, Michael Wilcock lifts the curtain on Revelation as a drama in eight scenes, highlighting the role of the imagination in grasping this fascinating and enigmatic book. The Message of Revelation Demon's

The Training of the
Twelve Houghton
Mifflin Harcourt
In this lyrical,
exuberant tale,
acclaimed Turkish
author Elif Shafak,
author of *The Island
of Missing Trees* (a
Reese's Book Club
Pick), incarnates
Rumi's timeless
message of love. *The
Forty Rules of Love*
unfolds two
tantalizing parallel
narratives—one
contemporary and
the other set in the
thirteenth century,
when Rumi
encountered his
spiritual mentor, the

whirling dervish
known as Shams of
Tabriz—that together
explore the enduring
power of Rumi's
work. Ella Rubenstein
is forty years old and
unhappily married
when she takes a job
as a reader for a
literary agent. Her
first assignment is to
read and report on
Sweet Blasphemy, a
novel written by a
man named Aziz
Zahara. Ella is
mesmerized by his
tale of Shams's search
for Rumi and the
dervish's role in
transforming the
successful but
unhappy cleric into a
committed mystic,
passionate poet, and
advocate of love. She
is also taken with
Shams's lessons, or
rules, that offer insight
into an ancient
philosophy based on
the unity of all people

and religions, and the
presence of love in
each and every one of
us. As she reads on,
she realizes that
Rumi's story mirrors
her own and that
Zahara—like
Shams—has come to
set her free.

Merrill Good

knows there are many different kinds of exciting. There's the adrenaline rush he experienced during his years in the military. There's the thrill of starting up his own treasure hunting company. But all is the surge of exhilaration he feels every time Delilah Jones crosses his path. Smart, voluptuous, and outspoken, Delilah is a bombshell with a secret that could explode at any moment. Since Delilah

moved to Bell Cove to take over her great-uncle's Elvis-themed diner and motel, the locals have been nothing but friendly. And that's a problem. The moment someone gets close enough to figure out her ex-con past, her future will be jeopardized. But keeping Merrill at arm's length isn't easy when the rest of her body has other ideas. Add to the mix Delilah's little girl who fashions herself "Little Orphan Annie," a former showgirl

grandmother with a gambling problem, a whole town full of quirky matchmakers, and there'll be fireworks long after the Fourth of July . . .

boy sets out on an adventure to restore the poisoned source of the sea of stories. On the way, he encounters many foes, all intent on draining the sea of all its storytelling powers.

Emily Dickinson's Intimate Letters to Susan Huntington Dickinson Arend Publishing Inc. After the murder of a teenage girl, a mysterious man in a black leather jacket was seen lurking near the crime scene. Investigative reporter Tessa Novak has him in

her sights as the culprit... That man was Julian Darcangelo, an undercover FBI agent working with the Denver police. He 's closing in on the trail of a human trafficker and killer. Tessa 's accusations could blow his cover, and he wants her off the investigation. But just as Tessa has made Julian a target of interest, she is now a target of the killer. And as they are forced to trust each other, their physical attraction escalates as intensely as the threat from a ruthless murderer who wants to see both of them dead...

The Barcelona Way MDPI Oni, ubiquitous supernatural figures in Japanese literature, lore, art, and religion, usually appear as demons or ogres. Characteristically threatening, monstrous creatures with ugly features and fearful habits, including cannibalism, they also can be harbingers of prosperity, beautiful and sexual, and especially in modern

contexts, even cute and lovable. There has been much ambiguity in their character and identity over their long history. Usually male, their female manifestations convey distinctively gendered social and cultural meanings. Oni appear frequently in various arts and media, from Noh theater and picture scrolls to modern fiction and political propaganda,

They remain common figures in popular Japanese anime, manga, and film and are becoming embedded in American and international popular culture through such media. Noriko Reider's book is the first in English devoted to oni. Reider fully examines their cultural history, multifaceted roles, and complex significance as "others" to the Japanese. A Transsexual

Woman on Sexism and the Scapegoating of Femininity Pan Macmillan
The Exclusive Method You Can Use to Learn—Not Just Memorize—Essential Words A powerful vocabulary expands your world of opportunity. Building your word power will help you write more effectively, communicate clearly, score higher on standardized tests like the SAT, ACT, or GRE, and be more confident and persuasive in everything you do. Using the exclusive Fiske method, you will not just memorize

words, but truly learn their meanings and how to use them correctly. This knowledge will stay with you longer and be easier to recall—and it doesn't take any longer than less-effective memorization. How does it work? This book uses a simple three-part system: 1. Patterns: Words aren't arranged randomly or alphabetically, but in similar groups based on meaning and origin that make words easier to remember over time. 2. Deeper Meanings, More Examples: Full explanations—not

just brief definitions—of what the words mean, plus multiple examples of the words in sentences. 3. Quick Activities: Frequent short quizzes help you test how much you've learned, while helping your brain internalize their meanings. Ebony Duke University Press In April, 1991, in a little Wisconsin town about 100 miles southwest of the town where I grew up, a misfit boy was kidnapped by a group of high school

kids who, later would testify they only meant to frighten him, to drive him around for a while. Somehow they ended up in the river whooping and hollering on a two lane bridge. Somehow, the boy was shoved, he jumped, he slipped -- accounts vary -- into the icy water. The kids told police they never heard a splash; one reported seeing a brilliant flash of light.

(Several people in the area witnessed a similar light, while others recalled hearing something "kind of like thunder.") All night, volunteers walked the rivers edge, but it was dawn before the body was found in a barn a good mile from the bridge. The owner of the barn had been the one to discover the body and she said the boys' cheeks were rosy, his skin

warm to the touch. A sweet smell hung in the air. "It was," she said, "as if he were just sleeping" And then she told police she believed an angel had carried him there. A miracle? A hoax? Or something in between? With acute insight and great compassion, A. Manette Ansay captures the inner life of a town and its residents struggling to forge a new identity in the

face of a rapidly changing world. The result is a novel of transcendental beauty, an extraordinary portrait of the human soul's longing for grace.

An Elegant Enigma Carina Press

Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary in terdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of

work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current “cumulative concept of Western witchcraft” that rules out all mono-causality theories,

investigating a plurality of causes.
Whipping Girl
Houghton Mifflin
"The Renegades are a syndicate of prodigies--humans with extraordinary abilities--who emerged from the ruins of a crumbled society and established peace and order where chaos reigned. As champions of justice, they remain a symbol of hope and courage to everyone--except the villains

they once overthrew. Nova has a reason to hate the Renegades, and she is on a mission for vengeance. As she gets closer to her target, she meets Adrian, a Renegade boy who believes in justice"--Amazon.com.
Haroun and the Sea of Stories

thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

The Forty Rules of Love Scribe Publishing Corporation 'Does culture create competitive advantage? Case closed in this compelling analysis of sporting success. Read it.' – James Kerr, bestselling author of Legacy.

In The Barcelona Way, sports psychologist Prof. Damian Hughes draws on exclusive insight into FCB as well as first-hand research from organizational psychology, to set out a method to create your own high-performance culture. At the heart of FCB's winning culture are a set of principles, epitomized by Pep Guardiola, Johan Cruyff, Lionel Messi and many other FCB legends, which govern how to nurture talent, prepare for change and provide the best environment to build a culture of sustained

success. These principles: Big Picture, Arc of Change, Repetition, Cultural Architects, Authentic Leadership are at the heart of FCB's unprecedented domination of football, and are the key to developing high-performance cultures in any team-based organisation across every industry. The Barcelona Way is a hugely practical must-read that sets out a clear plan, based on the same principles, for you to create a culture of success and get the best of yourself and your

team.

feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the grey area between consent and abuse. Nuanced, unflinching, and incisive, *My Body* marks the debut

of a fierce writer brimming with courage and intelligence. *Hard Times* William Morrow *Tahiti Nui* is an account of the survival of a Polynesian society in the face of successive settlements of missionaries, traders, and administrators. Beginning with the first explorers and Captain Cook's scientific observations at Point Venus, Dr. Newbury has separated the various

strands interwoven in the fabric of Tahitian society, tracing their development and showing how they interacted at successive stages. Missionaries and foreign traders, administrators and Polynesians, planters and immigrant Chinese have all contributed to the distinctive flavor of French Polynesia, with Tahiti and
